"It Cured me of Itching Piles."

There can be no Stronger Recommendation for Dr. Chase's Ointment.

The experience of Mr. Gildart is similar to that of thousands of our fellow-countrymen who recognize in Dr. Chase's Ointment the only actual cure for piles.

Mr. John C. Gildart, Prosser Brook, Albert Co., N. B., writes:—"The box of Dr. Chase's Ointment I used was worth many dollars to me for it cured me of itching piles. I am thankful to say that less than one box made a complete cure. You can use this letter for the benefit of other sufferers and if any care to write more definite particulars about my case I will gladly answer them."

Some Dealers Think They Have a Monopoly of Buying Furniture

Let them think so, it does nobody any harm and it pleases them. But for fear the public might be led away by their extravagant utterances, we humbly rise to remark, that we have been and are still buying from almost every manufacturer in this broad Dominion—and further we are content to sell at a much smaller profit than most people ask. We would like the opportunity of showing you our furniture, and would like you to compare, and we think we can convince you that what we say is true.
