The Mutual Life OF CANADA
Is The Fastest Growing Company in Canada
 Over \$2,700,000.00 MORE insurance was written by this company last year, than in any previous year.
 The expenses were \$10,224 LESS than in 1905, while the volume of business on its books was much larger.
 Is it any wonder then that the whole Canadian people have confidence in the wise, conservative business management?
 And they show their confidence by taking out enough insurance in The Mutual Life to make it the fastest growing company in the Dominion.

THE GUARDIAN COVERS THE FIELD
 The Guardian covers the City and Province within which it is published more fully and completely than any other newspaper printed in Canada.
 With a daily circulation of its morning and rural edition now about 3,000 and growing from day to day, it has broken all records for a daily publication in a small community.
 Charlottetown has a population of 12,000 and Prince Edward Island has 110,000. The Guardian's daily circulation is therefore 1 to 1 of population in the city which it is published, or 1 to 13 of the population of the Province. This is, the management believes, unequalled by any other newspaper in the Dominion.
