COOK BOOK NOT READY.—Owing to rush of work the printers find it impossible to have the P. E. I. Hospital Cook Book completed before Xmas, but hope to have it ready before the New Year. Dec. 14 11

GASOLINE DRY CLEANING IN THE HOME.—The editors of the Delimitator have agreed to print in their issue of January 1921 an article by President Wilbur E. Mallaiah of the N. F. P. R. on the hazards of the dry cleaning in the home in an effort to counteract the possible unhappy effects of the article printed in the Delimitator for October and November advocating domestic gasoline dry cleaning. 2241

FAREWELL GATHERING.—A pleasant gathering took place at the Strathcona Hotel in this city on Friday evening as a farewell to Miss Margaret Balderson who left the following morning to accept a position as House Mother in the Sloane Hospital in New York. A delightful hour was spent with vocal and instrumental music and refreshments, daintily served, after which Mr. Hansauld on behalf of the guests of the Hotel, presented Miss Balderson with a kindly worded address and a handsome leather club bag in appreciation of her kindness to them. Taken completely by surprise, Miss Balderson thanked the donors who lustily broke forth with "For She's a Jolly Good Fellow." Miss Balderson was accompanied by her niece Miss Wilena Nicholson, who will train as a nurse in the same Hospital, and the latter was not forgotten in the happy gathering, she being presented with a large box of chocolates. During the evening the Misses McRae of Vancouver gave several exhibitions of fancy dancing, all greatly enjoyed. Auld Lang Syne, The National Anthem and many good wishes to the travellers brought the pleasant evening to a close.

Hood's Sarsaparilla. Combined in Hood's Sarsaparilla The Blood Medicine. In spite of the increased costs and great scarcity of important roots, herbs, etc., the standard of quality and the quantity of Hood's Sarsaparilla have been faithfully maintained and are today the same as when this medicine was first perfected and offered to the public. A bottle of Hood's Sarsaparilla will average to last three to four weeks, while others last but a week or two, and some even less time. Hood's Sarsaparilla is effective as a blood purifying and tonic medicine and also after the Flu Grip, fevers and other debilitating blood-poisoning diseases. It purifies the blood, creates an appetite, and makes food taste good. 2221-12-14-101

MINARD'S LINIMENT CO., LIMITED. Gentlemen.—Ever since coming home from the Boer war I have been bothered with running fevers, sores on my legs. I tried many salves and liniments; also doctor ed continually for the blood, but got no permanent relief, till last winter when my mother got me to try MINARD'S LINIMENT. The effect of which was almost magical. After two bottles the sores completely disappeared and I have worked every working day since.

CATARRHAL DEAFNESS MAY BE OVERCOME. If you have Catarrhal Deafness or are even just a little hard of hearing or have head noises go to your druggist and get 1 ounce of Earmint. (double strength), and add to it 1/2 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Stagnant nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone losing hearing or who has Catarrhal Deafness or head noises should give this prescription a trial.

Children Cry for Fletcher's CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.
