"THIS IS WHY I AM BUYING VICTORY BONDS"

WHEN I WAS A BOY I learned that, "Where a man's treasure is, there will his heart be also."

Today, as never before, I know my greatest treasure in all the world and where it lies. It's right within the circle of my own family.

And tomorrow I would go out into the fields or woods, armed with a shotgun and willingly fight and die for my family's sake.

But I am not asked for that, yet. Instead, I am urged to buy Victory Bonds to defend my home — Bonds to guarantee the safety of wives and families and children.

How little to ask of me when others are doing so much. Every uniform, every war headline, every news broadcast from Europe, reminds me of what I should do.

Yes! I'll buy until I can buy no more. I may not be in the front line myself, but my dollars are certainly going to be.

HOW TO BUY—Give your order to the canvasser who calls on you. Or place it in the hands of any branch of any bank, or give it to any trust company. Or send it to your local Victory Loan Headquarters. Bonds may be bought in denominations of \$50, \$100, \$500, \$1,000 and larger. Canvasser, bank, trust company or your local Victory Loan Headquarters will be glad to give you every assistance in making out your order form.
