BOYS ENJOYED—At St. James church yesterday morning Mrs. Fred [Name] sang with exceptional clearness and sweetness of interpretation, the "Let Not Your Heart be Troubled" and at the evening service Miss MacDonald gave a fine rendition of the solo, "Fear Not Ye O Israel."

SHIPPING FOXES—Mr. T. B. [Name] is left for Halifax Saturday morning with 150 pair of foxes which are being shipped from that port to Germany, Sweden and Czechoslovakia by the W. K. Rogers ranches. The Rogers ranches are also shipping large consignments of foundation stock to England and other European countries.

ACTING INSPECTOR—Mr. G. Lechur, a former P. E. Island man, has arrived from Ottawa to take Mr. [Name]'s place as acting district inspector in charge of the inspection division of the Dominion Seed ranch. Mr. A. Hope remains in charge of the laboratory division as supervising analyst. Mr. and Mrs. Lechur and their three sons are present staying at the Intercolonial Hotel until their furniture arrives, when they will occupy the residence on Weldon Street recently vacated by the Simard family.—Sackville Tribune.

ILLNESS OF REV. W. BRUCE
The congregation of St. James Church was greatly shocked yesterday forenoon by the sudden collapse of the Rev. W. Bruce Muir

in Montreal. When due to advanced years Dr. Deinstadt was forced to give up his practice here last summer, he went to live with his daughter in Vancouver.

GERMAN FOXMEN LEAVE—Major Adolph d' Hengeliere and his partner Lorenz Hulbach of Legerusee Bavaria, silver foxmen from Germany who spent the last few days in Charlottetown and who leave today for New York, before returning to Germany state that the fox industry is now on a firm footing in that country and is steadily developing. At the present time there are about one hundred ranches in the country. The Germans claim that their equipment and feeding methods are unsurpassed anywhere.

CELEBRATE SILVER WEDDING—The twenty-fifth anniversary of the wedding of Captain Edward and Mrs. Dicks was fittingly observed at their beautiful farm home, "Glen Alder", Malpeque Road, on Friday, Dec. 6th. Dancing, singing, etc., was indulged in during the evening and over forty guests were served supper at a late hour, the dining room being artistically arranged and decorated for the occasion. Numerous gifts of silver were presented to mark the event and the evening was greatly enjoyed by all present.

Mr. Malcolm Alexander McQueen of Winnipeg, Barrister at Law and Native of Orwell and a descendant of one of the "Polly immigrants" from Island of Skye has recently given to the press a very interesting volume entitled "Skye pioneers and the Island." Mr. McQueen has expended a great deal of time and labour in compiling the history of the early settlers of Belfast and he deserves a great deal of credit. The events are recorded in an attractive

to mourn, besides her parents, two brothers Erskine and Donald. The funeral takes place this afternoon at two o'clock from the residence to the cemetery at Lot 16, Rev. Mr. Aitken officiating.—S.

ISLANDER ELECTED—At the closely contested election for the municipality of Iroquois Falls, Ont., Mr. Ambrose Corcoran, formerly of Baldwin's Road, P. E. I., was elected Councillor.

NURSE GRADUATES—Miss Rose Buote, daughter of Mrs. Edith Buote, City, who has been training in Hotel Dieu Hospital for the last three years, has successfully passed her R. N. exams. Her many friends wish her success.

The death occurred at her home on Marsh Street, New Glasgow, N. S., on November 9th, of Helen, only daughter of Mrs. Norton MacEachern, aged six years, from pneumonia following scarlet fever.

The funeral was held on Sunday afternoon and was largely attended by the school children, with whom Helen who was a bright, lovable child, was a great favorite. Burial was at St. John's Cemetery.

Mrs. MacEachern and her four sons have the sympathy of a wide circle of friends in their bereavement. It is but eighteen months since they were called upon to mourn the loss of husband and father.

tal where he underwent an operation about three weeks ago. The complications resulting were the direct cause of his death. He is survived by his wife and by three sons, Charles, now studying medicine at Dalhousie University, Douglas in Bathurst, and Claire, principal of Bedeque School, also by two sisters, Mrs. Geo. Seller, Jacksonville, N. B., and Mrs. Geo. Ayers, Kensington, and one brother, Mr. W. H. Johnston, merchant of this city. The funeral will take place on Friday Dec. 13th, at Bathurst.

CONGRATULATIONS—Congratulations are being extended to Mr. and Mrs. Jack Watson of Summerside on the arrival of a bonny baby girl on Monday in the Prince County Hospital.—S.

HIGH NOON WEDDING—At high noon on Wednesday, November 27th, St. Mary's Church, Summerside, was the scene of a very pretty wedding when Miss Nina Janet Somers daughter of Mr. and Mrs. Bruce Somers, Springfield, was united in marriage to Mr. Earl Daniel Maynard, son of Mr. and Mrs. Daniel Maynard, Ellerslie. Venerable Archdeacon White performed the ceremony in the presence of a congregation, which included a large number of friends of both the bride and groom. The bride was beautifully gowned in a costume of blue georgette and looked exceedingly winsome. The groom's gift to the bride was a beautiful gold watch. In the evening a reception was held at the home of the bride's parents, when the immediate friends of the contracting parties assembled to do them honor. A sumptuous repast was served and the health of the bride and groom was proposed by Mr. M. T. Lambie, who expressed the sentiments of all the friends in complimentary terms.

ANOTHER PRIZE WINNER—Mr. Angus A. McDonald, Beaton's Mills won third prize at the Royal Winter Fair, Toronto, for certified seed potatoes, Green Mountain variety.

POTATO STEAMERS COMING—The S. S. Cizay and the Nyhads sailed yesterday morning from New York for Georgetown to load 90,000 bags of potatoes, 150 pounds each, for the Potato Growers' Association and Mr. C. C. Thompson, representing the Southgate Produce Corporation, New York City. Both steamers are due on Sunday.

ISLAND LADY ILL—Mrs. H. H. Jewell of this city, received the news yesterday morning that her mother, Mrs. James Gillan, had entered the Massachusetts General Hospital where she will undergo an operation the latter part of this week. Her many friends on the Island will regret to learn of her illness and hope for her speedy recovery.

The work of the Boy Scout movement is to help boys choose professions that suit their talents, to overcome the growing tendency of seeking comfort and luxury instead of "roughing it," to teach boys positively, rather than negatively, by means of games and to give instruction in woodcraft and handicraft. This is a summary of the explanation of the object of the scouting movement offered by Mr. John A. Stiles, Assistant Chief Commissioner for the Boy Scouts Association in Canada in an interesting address at a meeting of local scoutmasters and interested parties in the City Hall last evening. Accompanying Mr. Stiles in his tour of the Maritime Provinces is Mr. W. L. Currier of the National Office, Ottawa, who with Mr. Stiles will visit Summerside and Kensington before leaving the prov-

in Margate, followed by the best wishes of a host of friends. Previous to her marriage the bride was tendered a miscellaneous shower and was the recipient of many beautiful gifts.—S.

DR. DEWAR ILL—A wide circle of friends will regret to learn that Dr. G. F. Dewar is at present ill in the P. E. Island Hospital and will hope that his indisposition is only temporary.—S.

FIRST HOCKEY PRACTICE—Last night about twenty Abegweit hockeyists turned out at the Arena for the first hockey practice of the season, and for an hour the building re-echoed with crash of hockey sticks and the familiar whirr of the steel blades as Coach Roy Prowse put the boys through their paces. The ice was in excellent condition and the players likewise, all showing the effects of the recent strenuous workouts in the "Y" under the direction of Mr. Glen Partridge, physical director. If the first practice is a forecast of things to come a successful hockey season is in the offing.

Interviewed yesterday by The Guardan with regard to the work of construction of the new C. N. R. Hotel, Mr. H. J. Grudge, Chief Engineer from Moncton, who is at the hotel site inspecting the work, said "Progress is very favourable, with everything lined up according to schedule. We hope to have the erection of the steel frame started within the next month. Plans are being rushed with the idea of keeping the work going steadily to completion." At present the space for the boiler room is being excavated, to the depth of twenty feet, which is nine feet below the level of the remaining part of the excavation. The latter portion

the track made by the C. G. S. Stanley, which is expected in port momentarily. Last winter the ferry made her last trip for the season on January 3.

PROVINCIAL EXHIBITION 1930—At a meeting of the directors of the Provincial Exhibition Association yesterday it was decided to hold the Exhibition of 1930 from August 18th to the 22nd, inclusive.

QUIET WEDDING—A quiet marriage ceremony was performed by Rev. W. H. Harding at his home on Belmont St., Summerside, when Mr. Robert McLaurin of Emmore and Miss Vera Ford of Mt. Pleasant were united in marriage on Wednesday, Dec. 11th. The young couple will make their home at Emmore, where the groom is a successful farmer. A host of friends wish them every happiness.—S.

CHRISTMAS PRESENT FOR KING GEORGE—The Antigonish Casket reports that Miss Mary Ann Geo-Goo, a dusky maiden of the Micmac Indian tribe of Sydney, C. B., has forwarded a pair of beaded mouse hide slippers to the King. The lowliest of his subjects may address His Majesty. Truly we are living in a democratic time and place. Would some kind person supply a suitable Latin or French quotation—if there are none applicable, make one. K.

DIED IN THE WEST—News has been received of the death at Regina, Sask., on November 30th, of Mr. William McLeod, who was formerly one of Kensington's most respected citizens, a blacksmith by trade and widely known throughout the district for his honest work and genial personality. He left his native province over thirty years ago and successfully

home and home games, February 4th and 11th.

A vote of thanks was moved to the retiring president, B. W. Robinson, for his service to the League and his kindness for donating trophy for competition.

CROSSES ICE—Mr. George Dockendorff crossed the ice, on foot, from North River to the Park shore Wednesday. He reports about three inches of ice.

CHRISTMAS HOLIDAYS—At a special meeting of the school board held yesterday, it was decided to close the city public schools on Friday, December 20th for the Xmas holidays and reopen on Monday, January 6th.

(Special to the Guardian)
SUMMERSIDE, Dec. 8—The gasoline boat which was caught in the ice two miles outside the Summerside Light House on Thursday last was rescued by the S. S. Stanley on Saturday afternoon about four o'clock. Captain Sampson Grady of Summerside went out on the ice and reached the Stanley by dory and piloted her to the imprisoned craft. The boat was taken aboard and with its skipper Capt. Seymour Young of Alberon, left for Charlottetown on daybreak on Sunday. On account of the snow storm the Stanley had been prevented from leaving earlier.—S.

BIRTHS
FORD—At Milton on Saturday, Dec. 7, 1929, to Mr. and Mrs. John A. Ford, nee Irene Ford, a daughter.
MACPHAIL—At the P. E. Island Hospital, on December 11th, to Mr. and

while conducting the service. Mr. Muir had been suffering intensely from rheumatism the previous week and on Saturday the trouble affected his legs making locomotion exceedingly painful. His general health also suffered, and when he entered the hospital it was evident to everyone that he was in great physical agony. He proceeded with the service, however, with characteristic determination, but when it came to the sermon he was unable to announce his text, and then to state that the effort to preach was too great for him. He then was helped to his seat by two members of the choir, who later assisted him to rise to pronounce the benediction. The reverend gentleman then utterly collapsed in the arms of his supporters who gently laid him full length on the pulpit seat. Two ladies, who had been trained nurses, went to his assistance. They called for a stimulant which was obtained from a neighbour, and administered with the desired effect. Medical aid had been summoned, and in a short time Drs. Dewar, Seaman and Houston were on the scene, and ordered his removal to the hospital, which was done in Mr. McLean's ambulance. At a late hour last night it was reported Mr. Muir was resting as comfortably as possible under the circumstances. The evening service in St. James Church was conducted by the Rev. Dr. Ramsay of Trinity United Church.

way in this well written work and will be greatly appreciated by the people of Belfast, and by the thousands of descendants of the early pioneers scattered throughout the world.

We understand this was a work of love on Mr. McQueen's part and it is up to some other descendants of the Skye men to add to the history of Belfast. There is much more information at present available and which unless soon compiled will be lost. This work will undoubtedly bear good results and we trust will give encouragement to others to add to the too meagre history of our early settlers. There is no more praiseworthy undertaking than the recording of the history of one's country. The work is on sale at Carter & Co. City.

WEDNESDAY
DOING NICELY—Mr. William J. Adams, of Sea View, is progressing favourably since his recent accident, when he had the misfortune to break his leg just above the ankle, while he was helping with the raising of his house.—S.

ROCKY POINT FERRY—The Rocky Point ferry continues to make its scheduled trips between Charlottetown and Rocky Point, but with increasing difficulty as the ice in the harbour gradually becomes thicker. At the present time the harbour is almost completely frozen over. The ice in some places is six inches thick but is of a soft slushy consistency and so does not seriously hamper navigation. However, the first trip yesterday morning took an hour and a half instead of the usual half hour. With a few hours more of hard frost the work of the ferry will be over for the season.

SUDDEN DEATH OF EIGHT YEAR OLD CHILD—The sympathy of friends not only in Lot 16, but throughout the Island goes out to Mr. and Mrs. Clayton Forbes, of Lot 16, in the sudden bereavement which has been called upon to bear in the death of their only daughter, Kathleen, at the age of eight years, after only a few hours' illness. The little one took sick on Sunday afternoon, but appeared to be quite well again before going to bed. About three o'clock on Monday morning she again became ill and the doctor was sent for. When he arrived, the child was unconscious. He called in two other doctors, but nothing could be done and the little one passed away about 11 o'clock that morning. Her sudden death is particularly sad, as she was a very bright and healthy little girl and a great comfort to her father, who is in failing health, and her cheerful happy voice will be sadly missed in the home. There are left

who died at Luna, South America about 18 months ago. Dr. Rohan Cameron of London, England is a surviving brother.

The deceased had been absent from this province for a number of years but owing to ill health returned here not long ago.

FAREWELL GATHERING—A pleasant farewell party was tendered Mr. Amos Hubley at the home of Miss Mamie Moynagh, Souris. Mr. Hubley has been manager of the branch of the Central Creameries since its erection two years ago, and during that time has made many friends. His good work has earned him a promotion to the Charlottetown branch. The evening was spent with music, songs and games. After singing "For he's a Jolly Good Fellow," those present wished Mr. Hubley good luck in his new position. Mr. Hubley left Thursday morning for Charlottetown followed by the good wishes of his numerous friends.

News has been received of the death of Rev. Hammond Johnston in Montreal General Hospital. Rev. Mr. Johnston formerly occupied the pulpit of Trinity United Church in this city, as co-pastor with Rev. Dr. Ramsay.

The late Mr. Johnston was born at Newstead, Highfield, Prince Edward Island in 1870. He was the son of the late John Johnston and nephew of Dr. Richard Johnston and Dr. Hammond Johnston. At the age of 23 he went to Saskatoon, where he entered Mount Allison Academy, and in 1902 graduated from the university there. Always a brilliant orator, he was regarded from the time of his graduation as one of the coming preachers of the gospel. His record shows that he lived up to and surpassed even the most sanguine expectations. Immediately after his ordination he went to preach in Newcastle, N. B., where he remained for four years. Here he married Miss George Farrison, daughter of Rev. Geo. Harrison. He then preached successively in the churches at Summerside, Bedeque, Queen Square Church, St. John, and Moncton Wesley Memorial Church, occupying the pulpit in each for four years, going next to the Gower Street Church, St. John's, Newfoundland where he remained for five years before coming to Trinity United Church Charlottetown, where he remained two years. Resigning last July he went to preach in the United Church at Bathurst, N. B. Here his health began to fail two months ago, and he entered the Montreal General Hospi-

concluding by wishing the young couple a long, happy and prosperous life. Among those sitting around the festive board was Hon. Peter Sinclair, who in his characteristically eloquent manner wished the newly married couple every success and happiness through life. Mr. and Mrs. Maynard were the recipients of many handsome and costly presents which is only one testimony of their popularity with all their friends. The evening extended to a delightful social time everyone enjoying the melody to the full. In the evening a very delightful function terminated after three lusty cheers for the bride and groom and the singing of Auld Lang Syne. Mr. and Mrs. Maynard left the following morning for their future home in Halifax followed by the best wishes of a host of friends.

DEATH OF LIFE LONG RESIDENT OF KILDARE—There passed away on Monday evening after a long and tedious illness Mr. Patrick M. Foley, of Kildare at the age of 73 years. The late Mr. Foley was born at Kildare where he resided all his life. He was one of the best, and most progressive farmers of the district. In politics he was a strong Conservative and in religion a devotee adherent to the Roman Catholic Faith. The deceased was held in the highest esteem by his neighbours and friends. There are left to mourn a sorrowing widow, six sons and two daughters, namely:—Wilfred, and Gerald of Holyoke, Mass., Frederick of Newark N. J., Oswald of Worcester, Mass., Edward P. of Summerside; Sister St. Margaret of Notre Dame Convent, Montreal, Miss Louise of Waterdown, Mass., and Alfred at home, also one brother, Mr. M. M. Foley of Alberion and two sisters, Mrs. Kate O'Brien of Alberion and Mrs. James McIntyre of Ottawa, to all of whom the Guardian extends sincere sympathy.—S.

PRETTY WEDDING—A pretty wedding was solemnized on Wednesday last at the United Church Parsonage, at Kensington, Rev. Mr. Ayers officiating, when Mr. Heath J. Mayhew, son of Mr. and Mrs. Alfred Mayhew, of Margate, was united in marriage to Miss Marion Ruth Casely, second daughter of Mr. and Mrs. William H. Casely, of Kelvin. The ceremony took place at 6 p. m., in the presence of the immediate relatives. The bride was attired in a lovely gown of white satin crepe, her veil was in cap effect, caught up with dainty sprays of orange blossom, a beautiful necklace of pearls was the only ornament. She wore white shoes and stockings and carried a lovely bouquet of carnations and fern. The bride was attended by her sister, Miss Kathleen Casely, who wore a pretty dress of shell pink georgette, trimmed with lace. The groom was supported by his brother, Mr. George Mayhew. After the ceremony a reception was held at the home of the bride's parents, at which sixty guests were present. A sumptuous wedding supper was served, the dining room being daintily trimmed in pink and white. At the close of a delightful evening, a large party of charivariers called to extend their best wishes to the bride and groom, and added much to the merriment of the occasion. The happy young couple left for their new home

Tuesday morning. Mr. Stiles and Mr. Currier have recently delivered addresses in Halifax and intend addressing meetings in Moncton, St. John, Fredericton before returning to Ottawa.

STANLEY LIFTING BUOYS—The work of the Marine Department steamers in lifting buoys is now nearing completion. The "Brant" has already finished work and will lay up in port shortly. The "Stanley" is at present endeavouring to lift buoys in Caribian Channel near Pictou Island and will then proceed to Indian Rock near Wood Islands to take up the buoy there. The "Stanley" is to lift the balance of the buoys in the straits, and is standing by to help the potato steamer "Della" out if port, if required. When the harbour buoys were taken in last week several had broken loose and were drifting out with the ice. Buoys sometimes get lost in this way. At the present time there is a large fourteen ton buoy, eleven feet in diameter at the Marine Wharf. This buoy broke adrift from Lockport, N. S., on Nov. 30, 1924 and was picked up off the coast of Scotland and towed into Loch Ryan during November 1926. It was shipped to Quebec during the summer of 1927 on the S. S. Garcia and was taken to Charlottetown this fall to await transportation to Halifax.

of the basement will be used for service departments, refrigerators, storage rooms, and servant's quarters.

Interviewed in the same connection Mr. R. S. Allan, contractor and Mr. R. W. Low, superintendent, stated that the work was progressing very satisfactorily, although the present weather conditions are unfavourable. Excavation work except for the boiler rooms has been completed, and on the north and west sides the back forms have been laid for the cement. At the completion of this part of the work an elaborate system of reinforcing steel will be installed. The front forms will then be put in place and the cement poured in. Three carloads of sand for the cement are being transported to the scene of operations. Six cars more are expected. Eleven carloads of gravel will also be used in the making of the cement. It is expected to begin work on digging footing for the piers in the near future. Under reasonable weather conditions the job should be completed in contract time.

MEASLES IN P. W. C.—At the present time there are about a dozen cases of measles among the Prince of Wales College students. Although the disease is of a mild type it comes at a most unfortunate time, as the students are now writing their Christmas examinations. Principal Robertson states that the students who are unable to take their exams will be credited with the marks made in previous tests and their general class standing throughout the term. Supplementary examinations will probably be written in January.

THE VISCONTI MONCK HOTEL—After the first Governor-general. Let the Railway start a series of Governor-general hotels, the same as they have a series of famous peacocks for their steamers," writes a correspondent. "The C. N. R. already has a Queen Charlotte Island service on the Pacific Coast and Queen Charlotte Hotel here would be confusing," writes another correspondent, but asks, "why not St. James Hotel?" A third correspondent suggests "The Garden Hotel," while a fourth proposes "Queen City." "For dignity and appropriateness," says another, "nothing beats 'The Northumberland.'"

FRIDAY
ROCKY POINT FERRY—The Rocky Point ferry, "Hillsboro," has ceased running owing to the increasing thickness of ice between Charlottetown and Rocky Point. Attempts to cross met with failure, and the "Hillsboro" is now at the ferry wharf awaiting the possibility of being able to make a few more trips in

carried on his trade in Manitoba. He retired from business some years ago and two years ago went to reside at Regina, where he had several relatives, including his two sons, James and William. At the time of his death he had reached the ripe age of 81 years. Besides his widow and the sons mentioned, there are left to mourn three other sons, Theophilus, of Elkhorst, Man., Alberta in California, and John in Georgia; also two sisters and two brothers, namely, Mr. Paw and Miss Elizabeth McLeod, R. N. of Boston, Mass.; Mr. Alexander McLeod, of Sarnia, Ont., and Mr. Murdoch McLeod of Linkletter, near Summerside. Interment took place at Regina, Sask.—S.

SHOULD HAVE WIRELESS STATION—That Prince Edward Island should have a commercial wireless station to supplement telegraph service in case of emergency, is the opinion of Mr. H. S. Thompson, Superintendent of the Marconi Co. branch at Halifax, who leaves Charlottetown today. Although the telegraph gives excellent news service the breaking of the submarine cables in the recent earthquake proved their uncertainty.

"DELLA" STILL IN PORT—The potato steamer "Della" is still in port awaiting the arrival of the C. G. S. Stanley which is to break a way through the ice of the harbour to allow the steamer to leave for Georgetown where she will complete loading. Loading operations had to be discontinued on account of the cold of the warehouse. However, the steamer can be loaded safely in Georgetown as the warehouse there is heated.

SUMMERSIDE, Dec. 12—The annual meeting of the Prince Edward Island Hockey League was held in the office of Messrs. Stewart and Lewis, Summerside, tonight with a good representation of members, both from Charlottetown and Summerside. After routine business the election of officers for the year took place as follows:—President, C. D. Stewart, Charlottetown; Vice-President, Ralph Shilliphant, Summerside; Secy. Treasurer, W. A. Smith, Charlottetown.

Executive:—D. O. Stewart, Summerside, and S. F. Doyle, Charlottetown. It was resolved that a schedule of games should commence on January 3rd, to be played in two sections four games in each. The first section to be played on the following dates: Jan. 3rd, 7th, 10th, and 14th. The second section to be played on Jan. 15th, 21st, 24th, and 28th. Charlottetown has the choice of where the opening game shall be played, which was not decided at the meeting. Sectional play-offs in

Mr. Walter S. MacPhail, Argyle Shore, a son.
