AS YOU GO THROUGH LIFE.

Don't look for the flaws as you go through life. And even when you find them. It is wise and kind to be somewhat blind.

The current of life runs ever away. To the bosom of God's great ocean. Don't set your face 'gainst the river's course.

It is folly to fight with the infinite. And go under at last in the wrestle; The wiser man shapes into God's plan.

Cured My Cough In One Night

Relieved Me of a Throat Weakness That Resisted Every Treatment.

"SUFFERERS, FOLLOW MY PLAN."

"After being loaded down with a chronic hacking cough for months, you can imagine my joy at finding even a relief from it," writes Mrs. O. A. Tooker, of Monson, Mass., U. S. A. "I was troubled with an irritable throat weakness and asthma that simply defied every medicine I ever used. I was discouraged until a friend recommended Catarrhazone so strongly that I bought a dollar outfit from my druggist. I breathed in the healing fumes of Catarrhazone very deeply—used the inhaler five minutes every hour. After the first day I was better, and next morning my cough was gone. My asthma is cured, my throat weakness is gone, and I am well. For two years indeed, with the aid of Catarrhazone, I have kept perfectly well. I have also used Dr. Hamilton's Pills for constipation with grand results, and consider your remedies have done wonders for me."

Thousands of wonderful cures are reported every year. Catarrhazone does all that is claimed for it, and is certainly most efficient for colds, bronchitis, throat trouble, asthma and catarrh. The two months' treatment (large size), price \$1.00, is guaranteed, smaller size 50c, sample size 25c, at all storekeepers and druggists, or The Catarrhazone Co., Buffalo, N. Y., and Kingston, Canada.

LEARN TO SPELL

A poorly spelled business letter strikes you like the shabby suit of clothes worn by a stranger. The man who wrote it may be able to make good, but the bad spelling carries a suggestion of incompetency. A badly spelled social letter gives the feeling of slovenliness, and you can almost imagine the writer wearing the latest Paris styles, but failing to keep her face clean. The trouble is not so much with the long words that you have to look up in the dictionary anyway. It is with the little tricky short words, the ever puzzling questions like whether it is "el" or "le" in Lawrence American.

BODY OF J. P. MORGAN ARRIVES AT HAVRE

HAVRE, April 4.—The body of the late J. P. Morgan arrived here today from Rome and was transferred on board the liner France for transportation to New York.

IN THE KITCHEN.

For absorbing odors when cooking cabbage, ham, onions, or anything which has a strong odor, put a small pan of vinegar on the stove and there will be no scent of cooking. To clean strainers and sieves rub with coarse salt and then pour boiling water through them.

To prevent a ladder from slipping, paste pieces of old rubber over each support; this will protect the floor and avert many a fall. If cheese is wrapped in a cloth moistened with vinegar it will neither dry nor mold.

When a dish is to be set directly on ice place a rubber fruit jar ring under it to prevent it from slipping off. To remove scorch spots wet the scorched portion with clean water and sprinkle with borax. It will remove the scorch and leave no stain and may be used on the most delicate fabrics.
