

Japanese Fern Balls

We are now booking orders for January delivery—Decidedly one of the most striking novelties of recent years. Unique, beautiful, perpetual, cheap, the finest decorative plant ever introduced. These fern balls are more handsome than palms for decorative plants, and much easier grown.

Vegetable Department, etc etc.
Choice celery, lettuce, parsley, beets, parsnips, turnips, potatoes, cabbage, onions, cranberries, lemons and pure honey in the comb. We have 50 barrels left of choice winter keeping onions, low to the trade—by the barrel, by the 100 or 50 pound lots. Our retail price for 10 pound lots very low, also cranberries wholesale and retail.

A Chance of a Lifetime

To Secure One of the Finest Properties in P. E. I.

This farm contains 130 acres of excellent land, 80 acres cleared and in prime condition. There is a fine belt of hard and soft wood (which is very valuable wood that would be so high) oyster mud within a few rods of the shore, abundance of marsh mud well watered, two mills near the house, good buildings, basement stable, six miles from town, one mile from Pownal, village school next the farm, three churches within a radius of 14 miles, cheese and butter factory in rear of farm, a large and heavy bearing orchard of best varieties of apples and plum trees, raspberries, strawberries etc. For location and beauty of scenery this property is unsurpassed by any on the island. It is a daisy of a place but there is not a daisy on it. Only reason for selling—going into business in the North West with my sons. Sold with or without crop, stock and implements. Terms on application to my solicitor A. A. McLean, Barrister, Charlottetown, or to the owner, A. A. MOORE, Pownal.
