ELDERS ORDAINED.—At the morning session in St. James' Church yesterday the following elders, elected some days ago, were ordained and inducted: Messrs D. A. McKinnon (ex-Governor), T. J. Lantz, W. D. Pollock, D. A. McKinnon (Savings Bank), Col. D. Stewart, Alex. Irving, James Tait, D. K. Currie.

DEATH OF A CHILD.—Mr. and Mrs. Harry Crockett, of this City, will have the sympathy of the community in the sad loss they have sustained by the death, which occurred yesterday of their infant daughter, Alice. The little one was only five months old and succumbed to an attack of pneumonia. The funeral takes place this afternoon at 3 o'clock to Sherwood Cemetery.

The death occurred at her home, 192 Cumberland street, Charlottetown, yesterday morning of an aged and respected lady in the person of Mrs. Mary Vaughan, widow of the late Mr. George Vaughan of this city. She was eighty-two years of age and is survived by one daughter Mrs. George McInnis, City. The funeral takes place on Sunday at 3.30 p.m. from her late home to the People's Cemetery.

REMEMBERED.—Miss Margaret Butler after nearly two years faithful service at E. E. Parson's 5, 10, and 15c store, has resigned her position and will, it is understood, be one of the principals in a happy event in the near future. Before leaving the store, the staff in token of their esteem, presented her with a nice gift. Miss Butler also received a piece of gold from Mr. Parson's and a letter expressive of his appreciation of her service.

AN ARTISTIC TREAT.—Lovers of art will be interested in the exhibition of water colour sketches to be given this afternoon at the Lennox, by Miss Jack, Miss Jack who is a former St. John lady resided for a number of years in Paris, France, and was an exhibitor in the Paris Salon, a distinction accorded only to the few. She has kindly consented to place a number of her sketches on exhibition this afternoon, the proceeds from the small admission fee charged, to be handed to the local Red Cross. In addition to the privilege thus afforded to see artistic work of a distinctly high class, an opportunity will be given to citizens to participate in Miss Jack's commendable assistance to the Red Cross.

With deep regret many friends in this province will learn of the death of Mr. Thomas Murphy, which took place at his home in Ashland, Wis., on the 7th June inst. Mr. Murphy was born in Kinkora in 1859, where he attended school in his youth, afterwards graduating from the Normal School in Charlottetown. He spent a few years teaching in the different schools of the island, when he decided to go West and try his luck. About thirty years ago he became connected with the Chicago and Northwestern Railway Co. in Ashland, and by perseverance and business tact he soon won his way to one of the highest valued officials, and a highly respected citizen of the town. About seven years ago he visited his friends here, who were all glad to welcome him as a successful Islander. He leaves a widow and two sons, who have the sympathy of many old friends and acquaintances here. Mr. F. P. Murphy, postmaster, Emerald Jct., and Mr. A. S. Murphy, Summerside, are brothers of the deceased.

Mrs. A. D. McLeod, Pinette has recently received the sad news that her son Sergeant John William McLeod No. 192294, of the 46th Battalion has paid the supreme price, having died of wounds on May 9th, 1917, No. 6 casualty Caring Station, France. He was formerly a member of the Police Force at Fort William, Ontario and later he was on the Provincial Police Force at Graham, Ontario, at the time of enlisting. He enlisted about a year ago in Fort William in the 94th Battalion and was afterwards transferred to the 46th Battalion mortally wounded in the neck and shoulders at the battle of the Meuse, he was admitted to the above hospital where he shortly afterwards passed away. Letters testifying as to his noble and most heroic death have been received by his mother from the chaplains of the hospital and of his battalion. Sergeant McLeod was thirty-one years of age and in character and physique he was a splendid and rare type of manhood.

Besides his mother, Mrs. A. D. McLeod, two brothers and one sister mourn; Malcolm A. at home, Cyrus, now serving his country in France and Mrs. (Rev.) W. F. Cleave, Unity, Saskatchewan.

The Crown of Womanhood

"Uncared for hair cannot be beautiful. There is no part of the human makeup so revealing as the hair. It cries out: Look at me, care for me, or I will disgrace you! Treat me with consideration and I will be a glory to you."

With the above words, Lillian Russell, an unquestioned authority on feminine attractiveness, places no uncertain value on nice hair as a beauty asset. Unkempt, uncared for hair not only cannot be attractive but is actually a disgrace.

But why have ill-kept, untidy hair? By devoting a few moments regularly to brushing and intelligent application of NEWBRO'S HERPICIDE, the hair may be made to yield wonderful returns in increased personal charm.

Dandruff is the direct cause of more hair trouble than anything else. The hair becomes thin, harsh, uneven and falls out in quantities. It looks dead and lifeless; there is no lustre. The scalp itches. NEWBRO'S HERPICIDE will remove the dandruff which is causing all the trouble, clean the scalp, give the hair life, snap and luxuriance. The hair stops coming out, the itching ceases almost at once and withal there is a most gratifying sense of cleanliness.

To the woman who wishes to have the most of nature's gifts by having fluffy, beautiful hair, NEWBRO'S HERPICIDE is a toilet necessity. It is exquisitely perfumed and is a delightful hair dressing.

In 50c and \$1.00 sizes. At drug stores and toilet goods counters everywhere. Guaranteed by The Herpicide Co.

Applications at the better Barber Shops and Hair-Dressing Parlors.

WEDDING BELLS.—The marriage took place at Toronto, Ont., on June 11th, 1917 at eight o'clock, in the evening of Miss Florence C. daughter of Mr. and Mrs. W. E. Smith, 45 Bayfield Street, Charlottetown and Mr. Louise J. Moore of Toronto, formerly of Charlottetown. The marriage, which was a very quiet one was performed by Rev. T. G. Wallace, M.A. in St. Stephen's Church, Mr. and Mrs. Moore will reside at 400 College Street.

INTERESTING ADDRESS.—The Rev. Hiram Hull, of Toronto, will give an address on the Lennox, in the Heart Memorial Hall, next Wednesday evening at 7.30 o'clock. The Rev. Mr. Hull, who is a very interesting speaker, will give a brief outline of this work of which he is the Superintendent. The public are cordially invited. The regular prayer meetings in Grace Church and the First Methodist, will not be held this week.

The sad news was received yesterday that Private Richard Rogerson who left here with the 105th Battalion, has been killed in action. He was one of the first boys to enlist for overseas service in the island and was one of the first to be drafted to cross from England to France, having been transferred to the 13th Battalion. He was the son of Mr. Artemas Rogerson of Canoe Cove, and the bereaved family will have the sympathy of everyone in the death of the gallant young son.

Captain William McEwen, son of Mr. Horace McEwen, ex-Superintendent of the Prince Edward Island Railway, has been appointed Commander of the S. S. "Parvia," of the Cunard Steamship Line. Captain McEwen has been going to sea for some sixteen years and he is exceedingly young to have won the command of a steamship in the Cunard service, one of the most particular and famous steam ship lines in the world. Captain McEwen was mate on one of the Cunard ships, torpedoed last year. He has been Chief Officer for some time past, and now has the highest office in the service. The "Parvia" is now sailing out of English ports.

It was with deepest regret that the many friends heard of the death of Albert McKinnon of Mt. Stewart, who passed peacefully away on June 10th, in the 67th year of his age. He leaves to mourn, besides a sorrowing widow, four sons and one daughter, viz: John, William, Walter and Arthur, of Boston, Mrs. Bieller, of Lowell, Mass.; also five sisters. The funeral took place on the 12th inst., to St. Andrew's Cemetery. Requiem mass was sung by the Rev. A. P. McLeilan, who also performed the last sad rites at the grave. The pallbearers were, John McDonald, George Jay, James McDonald, Stewart McEachern, John McIntyre and Patrick McKinnon. The Guardian extends deepest sympathy.

Reports from the different ranches on Prince Edward Island on production shows that there is an average production this season, and the losses as reported so far, are less than last season.

Reports on all the ranches have not yet been received. The Pure Canadian Company, Summerside, reports 65 pups, Park Island ranch, Summerside, has an average of over three pups per pair. The Magic Company, Summerside, have good success. The Willow Hill Company, Summerside, report their usual success, and everyone knows the record of this company for production. Rosebank Fur Farms, Charlottetown, has a production of 104 pups. Mr. E. R. Brown reports 26 pups from seven pairs. General Fur Farms, Charlottetown, reports 120 pups from 27 pairs.

If the different companies would report to the Guardian, they will be pleased to give it publicity. A number of foreign shareholders are always anxious to look for fox news.

The fur market in general is improving. Reports from the manufacturers show that "summer furs" which is a new feature in the trade, has been very successful this season. That the Fur Sales Board is making Island furs known to the trade is demonstrated by the inquiries daily received. One of the best furs of America wired the Sales Board for a number of skins. Another firm, known all over America as the best dealers in the extra fine qualities, states that "We are open for some of your finest specimens. Call on us when you have anything to offer."

Still another firm writing on the date of June 11th, inquires for a quantity of skins, which they expect to be able to handle at an early date.

Also that the Fur Sales Board organization is appreciated by the fur trade is evidenced by a letter from a large fur corporation in which they state that the "good prices realized for silver fox in this market, we think is due to the personal efforts of the Manager of the Fur Sales Board."

After a serious illness of a few weeks Mr. Martin West, one of the aged and most highly respected citizens of Charlottetown, passed peacefully to rest Friday at the advanced age of eighty-five years, leaving, besides his sorrowing widow the following sons and daughters who will mourn the loss of a truly devoted Christian father: Amos, York; George, ex-Mayor of Innisfail; W. C. merchant, York; Jonathan, City; Mrs. Isaac Saunders, City; Mrs. Richard Inch, Winnipeg; Mrs. Murphy, Kingston, Ont.; and Mrs. Ambrose Mallet of Union.

The late Mr. West was born at York, Queens Co., in 1832, being the youngest son of the late Mr. George West of that place, who immigrated to this province from York England in 1817 and who gave its name to this thriving old settlement. The deceased was a prosperous farmer, having retired some twenty years ago and taken up his residence in Charlottetown. He was one of nature's noblemen, honest and upright and always interested in the welfare of the community and the province. His death removes one of the old landmarks and a noted representative of the sterling pioneers who laid the foundations of the province. He was a life long member of the Methodist Church and during his residence in Charlottetown an active member of the First Methodist Church.

The funeral took place yesterday from his late residence, 66 School St., and was very largely attended. The services were conducted by Rev. Mr. Gough in the absence of the pastor, Rev. R. G. Fulton. The pall bearers were his sons, Amos, W. C. and Jonathan, and James Essory, David Hooper and Ambrose Mallett.

Pte. Frederick Stewart Matthews of Baltic, was a son of the late Hugh A. Matthews, Lot 18, P. E. I., the deceased was born thirty years ago, and lived in West Canada for about ten years previous to enlisting. He joined the 67th Battalion Western Sects, A Victoria, B. C. Regiment, shortly after the war broke out and had been through some of the heaviest engagements in France. He leaves to mourn besides a large number of friends, seven brothers and four sisters, namely: Herbert, Cambridge Mass; William A. Summerside; George M. and Edgan, O'Leary; A. Uttley, Niagara Falls, N. Y.; and Neil R., on the old home-stead and Pte. John A. Matthews new serving with 104th Battalion. The sisters are as follows Mrs. George F. Anderson, Darnley; Mrs. C. Edgan, Sobey Wilnot Valley, Mrs. William R. Ozon, French River and Gertrude Matthews, Toronto, Ontario. The following letter from Private Matthews and the letter of sympathy will be interesting reading.

Dear Sister:—I received your post card this evening and was awfully glad to hear from you and also to know that you are well, as that finds me the same and feeling pretty good. We are having some very nice weather over here now and it sure feels good after the cold winter of snow and mud we have had. I guess you will be surprised to know that my Batt. has been broken up, and I am now in the 102th Batt. another Victoria Batt. We have not been doing very much for a week or so but guess it will start soon, was broken up on the first of May.

I guess you will see by the papers about most of what is going on over here, its going to be a hot summer for us over here, but guess it can not be much worse than it has been anyhow. Have no idea in the least when it is going to finish but I certainly hope it ends soon. I have had all I want of it anyhow. I got a Christmas box yesterday from the Malpeque P. S., should have been here for Xmas, but better late than never. Everything was in good shape, with a nice big fruit cake. It sure was good too. I am going to try and write them a few lines tonight in thanks. Well as usual, I have not very much to write, everything looks so pretty and green back of the lines now it makes a person wish to be back again in Canada, but let's hope it won't be many months before the time come for us all to come back again.

Tell Grace I will write her soon I have not run across any of the boys from P. E. I. yet, sent Jack a P. C. but never got any answer guess he is still in England and hope he stays there as long as possible, give my regards to all the folks at home will now say good night.

Your loving brother,

NO. 102128 FRED.

102 Battalion B. Coy.,
86th Platoon,
Army Post Office,
London.

France, May 21st.

Mrs. Edgar Sobey,
Wilmot Valley P. E. I.

Dear Madam—

You have no doubt heard before this of the death on May 16th of your dear Brother Fred Matthews, No. 102128. He was killed in action on the evening of the 16th inst., and his body was buried in the Military Cemetery near here and we are having a suitable cross erected to mark his grave. He had only joined our Battalion about two weeks previously but both his own officers and our officers all speak of him in the highest terms and they all say he was a fine soldier and a favorite with all the boys.

To you his sister I tender you the sincere sympathy of our Colonel and all our officers in the great loss of one so young and such a good brother as I believe him to have been. Our Battalion the 102nd is one of the Best in France, but we have been unfortunate in that we have lost a lot of fine officers and men.

It is men like your brother who have made our reputation and who are winning this cruel war. The letter which I am herewith forwarding was found in his haversack and as part of my duties as to censor out going mail I am sending it on and hope it will reach you safely.

The poor boy little thought when he closed his letter and said good night it was to be final. I trust the Almighty will comfort you and his many friends in your great bereavement.

Economy

Many people think they are saving money by buying cheap tea, forgetting that it is not the cost per pound but the cost per cup that determines a tea's economy.

You may pay 5 or 10 cents more per pound for Red Rose Tea than for common tea. But because Red Rose Tea is a blend of Indian-Assam teas with Ceylons, consisting of the choice tender shoots and buds—the parts of the tea plant that yield the largest amount of liquor and the finest flavor—one-third less is required in the pot to make the same number of cups.

The cost per cup between Red Rose Tea and common tea is then practically the same. But the flavor—what a difference.

And this distinctive and delightful flavor and rich strength is protected by the Red Rose sealed package. No air, odors or dust can get in to injure Red Rose Tea's splendid quality and economy.

Order a package from your grocer.

In sealed packages only.

Red Rose crushed coffee is as generously good as Red Rose Tea and just as easy to make.

The death of Mrs. Peter McN. Robertson, of Marshfield, already chronicled, has cast a gloom over that community, and when it was learned that the remains would arrive by Saturday night's train, quite a number of friends were on hand at the station to extend their sympathy to Mr. Robertson and his daughters. During Sunday and Monday very many called to express their grief at the death of such a worthy neighbour. The funeral took place on Tuesday, the 12th of June, and was largely attended. The pall bearers were L. H. D. Foster, Arthur Miller, Edgar Hertz, Heber Crosby, Edward McDonald, and Wallace Owen. In the absence of the pastor, the Rev. D. McKezie, conducted the service, which was deeply impressive.
