**CONSTANT PAIN AFTER EATING**

The Tortures of Dyspepsia Corrected by "Fruit-a-lives"

St. Martin's, N.B.  
"For two years, I suffered tortures from Severe Dyspepsia. I had constant pains after eating; pains down the sides and back; and horrible bitter stuff often came up in my mouth. I tried doctors, but they did not help me. But as soon as I started taking 'Fruit-a-lives', I began to improve and this medicine, made of fruit juices, relieved me when everything else failed."

\*SCHOOLS CLOSED—Owing to an epidemic of Diphtheria in Georgetown, the High School has been closed by the School Board to prevent further infection of this dread disease.—G.

\*CONCERT ENJOYED.—The missionary programme, given Monday evening last in the Montague Baptist Church, was a decided success. Special mention perhaps may be made of a missionary play in three acts, showing how a wealthy society woman, selfishly opposed to missions was won to the cause, by having a dream of the conditions in heathen countries. This part of the programme was very instructive, as well as exceedingly entertaining. An offering for missions was taken.—T.

\*TO INCREASE FUNDS.—The executive of the District Sunday School Association, met at Rev. Walter Donville's home, Montague, on Thursday, March 28th at 3:30 p. m. The purpose of this meeting was to devise means of raising the \$20.00 increased allocation. This extra \$20.00 is caused by the natural tendency to supply in every capacity of labour and material in the war. It was decided that as the former allocation was \$30.00, and as there are twelve schools in the District, that every school be asked to raise their offering to this work at least one dollar, and the stronger schools to \$2.00, or as much more as possible. In this way the Sunday Schools will be giving according to their ability, and the \$50.00 allocated will be quite easily raised.—T.

\*MRS. PARKER DEAD—Mr. W. W. Jenkins, Georgetown received the sad news Friday of the death of his third daughter, Bessie, young wife of Mr. Thomas Parker, New Glasgow, N. S., who was also a native of Georgetown being the son of the late Capt. Parker. The late Mrs. Parker was much loved "mid the scenes of her childhood," by both old and young, being ever a frank, kind, lovable and warmhearted girl, and the news of her sad and untimely death at the early age of twenty-five, comes as a sad shock to her host of friends and acquaintances for she endeared herself to all with whom she came in contact. And the most sincere sympathy goes out to the bereaved husband, as well as to the father, the brothers and sisters. In this, their sad loss of a loving and true wife, and on affectionate daughter and sister. She leaves to mourn, besides her husband, her father and step-mother, of Georgetown the following brothers and sisters. Two sisters in U.S.A., one of whom is Mrs. (Dr.) Faso of Boston, and one Louise, student in Prince of Wales College, Charlottetown, and four brothers, Arthur, of Georgetown, Frederic of U.S.A., Reginald and Gordon at home. It is expected that the remains will reach Georgetown early in the week for interment in the Trinity Church Cemetery.—G.

**LETTER FROM PRIVATE KING**

Who is a Prisoner in Germany

Mrs. Mary King, Upper Hillborough St., has just received a letter from her son, Pte. Herbert H. King, who is a prisoner at Kriegerjungenlager, Gustrow, Mecklenburg, Germany. His letter is dated January 4th, and is the first that has been received since November 1st. Since that time, however, according to a message received from the War Office he had been sick in the hospital. In his last letter he says that he is getting parcels from the Red Cross Society and has received nine altogether, including biscuits, groceries, clothing, etc. He said that they were all working away just the same as if they were at home. Then follows a line which was struck out by the censor, followed by these words, "Things are getting better now." Further on he says "We are very lonely. We go to work, and when we are finished we go to bed. There is nothing to read or look at, but still we ought to be thankful we are alive." The German people do not think the war will be over for years yet." Pte. King enlisted in the First Newfoundland Regiment, and has been a prisoner of war for about a year. Mrs. King also received a card dated January 18th from Herbert. He writes that he is still well and that they are having plenty of snow in Germany. He promises to write a letter and post card every week. In his letter Herbert says that he received a welcome letter from his mother dated September 23rd. He got it sometime ago and had been unable to answer it until January 4th. He wanted to know if his two brothers Art and Will were still alive. Art is now in the hospital at Halifax with his brother, John, and Will is still in France having been fighting there since the outbreak of the war.

**ARTFUL DODGER HAS NO CHANCE**

Put a few drops on that old touchy corn then let it cut without pain.  
Ouch! 25!!! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezone when applied to a tender corn stops soreness at once, and soon the corn dries up and lifts right out without pain. A delightful surprise awaits all who try this. He says freezone is a sticky substance which dries immediately and never inflames or even irritates the surrounding tissues or skin. A quarter of an ounce of freezone which will cost very little at any drug store, is said to be sufficient to remove every hard or soft corn or callus from one's feet. Millions of American women will welcome this announcement since the inauguration of the high heels.
