In the Nail Pond Poll the Deputy Returning Officer did not place in the ballot box the certificate for the Returning Officer but instead placed in the box the certificate which should be delivered to the candidates or their agents. The Returning Officer therefore adjourned his Court until Saturday at 10 a.m., when the Deputy Returning Officer from Nail Pond will be summoned and asked to produce the correct certificate. The vote in Nail Pond Poll will however likely remain the same. It is just a matter of having the correct certificate.

Why It Pays to buy Inverness Coal

Inverness Screened Coal is the most economical because of the entire absence of cinders, slate and foreign substances that weigh heavier than coal and destroy the heat-producing qualities.

INVERNESS is scientifically screened coal every particle that does not contain the highest standard heat-producing element is entirely eliminated.

It pays to buy INVERNESS because its ALL COAL. Ask your dealer for INVERNESS and save dollars.

Seam-in-front stockings would seem absurd! Then why any seam?

You have kept on wearing stockings with a seam up the back—shapeless, uncomfortable things! because you probably didn't realize the perfection reached by Pen-Angle Seamless Full-Fashioned Hosiery. These are hose without the sign of a seam—look for the sign of the trademark. As they are being knit they are shaped lastingly to the curves of the foot and leg. They fit—they wear better—and the utter absence of any seam at all makes them ever so much more comfortable. No difference in cost—but much in quality, in economy and in comfort when you buy
