Sir James Watson's Opinion Considered Most Valuable

He says that the commonest of all disorders, and one from which few escape is Catarrh. Sir James firmly believes in local treatment, which is best supplied by "CATARRHOZONE." No case of Catarrh can exist where Catarrhozone is used; it is a miracle-worker, relieves almost instantly and cures after other remedies fail. Other treatments can't reach the diseased parts like Catarrhozone because it goes to the source of the trouble along with the air you breathe. Catarrhozone is free from cocaine, it leaves no bad after-effects, it is simply nature's own cure.
 Beware of dangerous substitutes offered under misleading names and meant to deceive you for genuine Catarrhozone which is sold everywhere, large size containing two months treatment costs \$1.00; small size 50c; trial size 25c.

—THE NURSES GRADUATION.— On Thursday evening, May 30th in Epworth Hall, Summerside, the Prince County Hospital nurses graduation was held. Long before the time for the exercises to begin the hall was filled, the majority of those being ladies and within a very short time standing room was at a premium. Mr. William Stewart made the opening address and introduced Lieutenant Governor McDonald who presided. The Lieutenant Governor referred to the splendid work of the Hospital since it was organized. He was most generous in his praise of those to whom this great work had been intrusted. Great credit is due to Miss Harrison, who arranged and carried out the musical programme which was an excellent one. A duet was given by the Misses Noonan, needless to say this was well received. Following this was a trio by Messrs Patillo, Rogers and Calder which was heartily applauded by the audience. Colonel Guthrie, Chief Recruiting Officer of the Maritime Provinces was called upon to make an address. Col. Guthrie is clear and concise and has the most pleasing style of delivery, told most pleasing reminiscences of his experiences with nurses on the European battlefields and referred eloquently to the grand work Canadian nurses are doing there. A solo was rendered by Miss Gordon. Miss Gordon has a pleasing voice which captivated her hearers. Mrs. Nell McQuarrie gave a humorous reading which was met with hearty applause. An especially fine part of the musical programme was a violin selection by Mr. Elmer Ross to which Miss Harrison played a piano accompaniment. His Honor Judge McQuarrie spoke briefly, after which the graduating nurses Misses Gallant, Wright, and Fish received their diplomas. Dr. Jardine on behalf of the Summerside Medical fraternity addressed the meeting after which Miss Compton in her usual good style rendered a solo and Miss Gordon and Mr. Calder a duet. Each of the nurses

was presented with a bouquet of beautiful flowers which were generously donated by Mr. James Tait, Charlottetown.—X.

Again tendering you our sincere sympathy personally and on behalf of Hamilton L. O. L., we are yours very truly, Allie McLean, Boyd Livingstone, Committee.
