Golf Champ Survives First Test But Quebecer Steals The Spotlight

By W. R. WHEATLEY

RIVERSIDE GOLF AND COUNTRY CLUB, Saint John, N.B., July 26—(CP)—Defending champion Frank Stranahan slipped gracefully through his first test in the Canadian amateur golf championship here today but an unheralded Quebecer, R. H. (Sparky) Graham, stole the show when he knocked the Dominion's No. 1 ranking amateur, Walter McElroy, of Vancouver Shaughnessy Heights, out of the tournament.

Stranahan, Toledo, O., millionaire, had no trouble blasting a weak opponent R. L. Davison of Amherst, N.S., 8 and 7 in the second round match play.

It wasn't such an easy assignment for Graham, who plays out of Royal Quebec.

Bill Mawhinney of Vancouver moved into tomorrow's third round by disposing easily of the home club's John Sayre, 8 and 7, firing a two-under-par 33 against his opponent for nine holes.

Two 18-hole rounds are carded for tomorrow and Stranahan is drawn for the first against Nip Ross of Sydney, N.S., who scraped through today by a 2 and 1 margin over R. A. Noble of Moncton.

Graham is drawn in the third round tomorrow against Cliff Soberg of the Saskatoon Riverside Club, who defeated H. E. Mealey of St. John's, 4 and 3.

Ollie Kay, who came to Riverside with Stranahan had his hands full before he could get rid of E. H. Colter, of Dartmouth, N.S., 2 and 1.

Champions to disappear today from the tournament were Bob Hall of Montreal and 15-year-old Bobby Rae of New Glasgow, N.S.

Rae was eliminated by Vern Mocha of Edmonton after hanging grimly to Mocha for most of the distance. The ex-caddy was one down at the turn and then had to bow to Mocha's experience for the Edmonton player's 3 and 2 win.

Laurie Roland, of Vancouver, British Columbia junior champion came in for a share of the junior and tournaments laurels late in the day with a 2 and 1 win over T. K. Stewart of St. Stephen, N.B.

Don Gardner, Manitoba junior champion, was forced into the consolation flight by A. W. (Pud) Carter of Dartmouth, N.S., Brightwood, who made good an easy start with a 2 and 1.

Survivors of first round play, "Moosey" Dowling and R. T. Holman fell victims in the second round, the former losing 4 and 3 and the latter 7 and 6.

S. & M. Win Exhibition Game At Lennox Island

The Sheen & McInnis Juniors of Summerside visited Lennox Island yesterday evening and defeated the Prince County League leaders by the score of 8 to 4 in an exhibition baseball game. The Juniors used three pitchers, Murphy being the most effective, allowing only one hit in three innings and striking out five men. Moses Sark was the leading hitter for both aggregations, lashing out three safe hits in four trips to the plate. Alan Stewart, Layah Schurman and L. Maloney each had a pair of bingles. The Lennox Island boys committed twice as many miscues as the visitors but some smart plays were pulled off by both teams.

Freddie Foy is at present on leave and may not return to Summerside in time to get into any more regular league games. He has played in nine games, however, and this qualifies him for the league batting championship should he be on top when the games of the regular schedule have all been played. The other boys who will take part in the remaining games will have to do some fancy hitting to have a higher percentage than .481 when the contest is finished.

We had a little argument about the use of a rosin bag by the pitcher recently and some fans would be given only under exceptional circumstances such as in the case of a shower of rain, or some disability on the pitcher's part that would make it undesirable for him to pick up the rosin bag on each occasion. Certainly a rosin bag is usually on the mound back of the pitcher. The phrase "pick up the rosin bag" is familiar to all baseball fans and is used in broadcasts of baseball games in any case, in the instance to which we refer, the pitcher was making use of the rosin bag from his hip pocket without having been told to do so by the umpire, and the rosin bag was not being exposed to view when he dried his hands, which, we maintain, was breaking the spirit of the regulations.

Today, (Wednesday) the Tignish Aces will play a baseball game with the intermediate "B" champions of Prince Edward Island, the Wellington Dodgers, at Tignish. It is a benefit game for Frank Arsenault, Tignish third baseman, who is now in hospital. There will be a dance in the Legion Hall in the evening to add to the benefit fund for Frank, who is extremely popular here. For his size he is probably the best athlete on the island.

The Kensington baseball authorities plan to open officially their baseball park next Wednesday, August 3. If present plans materialize two of the Prince Edward Island League team will play in Kensington on that date.

Remember When

Joe Wright, Jr. of Toronto, Diamond Soule winner in 1928, was defeated by two lengths at the 47th annual Canadian Henley Regatta at St. Catharines, 29 years ago today. His conqueror was Jack Guest who won the Diamond Soule himself the next year.

Junior Tennis Tournament in Quarter Finals

(By The Canadian Press)

OTTAWA, July 26—A long lean Torontonian with a free-swinging style today moved into quarter-final play in the Canadian junior tennis championships.

The picture match of the day at Rideau Lawn Tennis Club saw lanky Don Fantana of Toronto defeat the leading Maritimes contender, James Scriven of Halifax, in a rugged contest, 6-4, 6-8, 6-4.

Fantana blasted away with a powerful forehand to take the first set 6-4.

Both players had the second set within their grasp before Scriven won it 8-6.

At one stage Scriven had a 5-3 lead and twice needed only one point for set. However, Fantana fought back to tie it 5-5 and go ahead 6-2.

The Torontonian was within a point of a straight-set victory on the next game but faces the same opponent in the most exciting sets of the tournament.

The heat tired both players in the third set and for a time it looked like Scriven's smooth form would win over the flashy but erratic stroking of the Toronto player. But with the score 4-4, Fantana broke Scriven's serve and went on to take the next two games and match.

Jim Bentley of Toronto beat John Russell of Rothesay, N.B., 6-2, 6-2.

Pat Lowe of Ottawa, seeking her third straight Canadian junior women's championship, defeated Barbara Proudfoot of Toronto 6-3, 6-1, and Joan Batterton of Ottawa 6-2, 6-1.

Missing Yacht Reported Safe

BOSTON, July 26—(AP)—The Canadian yacht Scrapper III, unreported since soon after the start of the 366-mile Marblehead-to-Halifax yacht race, was located today by Canadian and United States vessels in heavy fog 115 miles from Halifax.

She is proceeding to Halifax under her own power, the U.S. Coast Guard said. The skipper, owned by the United States, is George K. MacIntosh, Halifax dental surgeon.

The Canadian Navy minesweeper Esker had made contact with the missing 40-foot sloop by radio and the United States cutter General Greene went to her position.

The Greene reported "all was well" aboard the Scrapper and that she declined assistance.

The cutter said the area then was blanketed by heavy fog and visibility was "zero".

The Valkyrie of the Corinthian Yacht Club of Marblehead was the first to cross the finish line shortly after midnight.

The yacht of Danvers, N.J., was second, trailed by the Java, out of Boston.

Official standings are not released until all craft have finished. The yachts have a time handicap, according to their sail area and waterline.

Lennox Island Team Plays Here Tonight

The only all-Indian team in Eastern Canada invades the City tonight when the Lennox Island Mic Macs tangle with the fast-moving Victoria Juniors in an exhibition baseball encounter.

Reports from the western end of the Province state that the visitors are a well balanced team and will give the locals all they desire in a ball game.

Vics Defeat Knights 7-0 To Extend Winning Streak To Four Games

Playing heads up ball behind the sensational two-hit pitching of Ev Beagan, the surging Vics Juniors extended their winning streak to four games with a thumping 7-0 whitewash job over the league-leading Knights of Columbus Juniors (The Knights are still out in front by a half-game). It was a regular league game played on the Memorial Field diamond before a large crowd of fans.

Ev Beagan, the Vics ace right hander, pitched the best ball game of the Junior League this year in registering his shut-out as he allowed but two singles. Lal Hennessey was the only K.C. batter to get credit with a hit off his deliveries. Hennessey's first hit was a broken-bat single that dribbled out to second before Willie Hennessy. Vics second baseman, could field the ball. His second bingle was an infield hit. He out-ran a ball hit to the shortstop.

Breaking the Knights barrier to the second frame for a single tally, and following up with two more, the winners built up a commanding lead which they never relinquished. The only time the Ryan-coached crew came close to scoring a run was in the seventh inning, when they loaded the bases on two walks and an error with two out. However the next batter whiffed out to the Vics first baseman for the third out. But it was in the last half of the last inning that the Vics showed their batting prowess. A mighty triple by Eddie Lund, the loop's leading hitter, under which it is fired. Distances in the United Services Officers' Club match.

Fired under the same conditions as the Sir Arthur Currie match at the D.C.R.A. meetings at Ottawa, the match is attracting a lot of interest due to the conditions under which it is fired. Distances are from the 100 to the 600-yard ranges, all fired without slings. Attractive prizes are offered and it is likely that the shoot will be decided in the closing stages, so close is the competition expected to be.

Officers' Club Rifle Match This Afternoon
