said. Allocation of idle workers on public and private employment to "take up the slack" must be resorted to at once as "temporary relief in an acute situation," Green said. Wage reductions by large industries are "deplored" by the Federation, he said. "They add to the seriousness of an already serious situation."

Canada May Export Butter To United States

(Canadian Press)

MONTREAL, Oct. 1.—Canada may be selling butter to the United States before long, if yesterday's big discount on the Canadian dollar is continued or widened. Several Montreal butter concerns have received enquiries from across the border feeling out the situation here as regards exporting Canadian butter to the United States.

Resigns From Golf Ass'n.

(Canadian Press)

MONTREAL, Que., Oct. 1.—Growth of "semi-professionalism" in the game has caused the resignation of R. J. R. Stokes, Montreal, for the past ten years Honorary Secretary-Treasurer of the Province of Quebec Golf Association, he stated today in a letter to the President, George H. Foster, of Montreal.

MONKEY ESCAPED

Some excitement was caused yesterday in the vicinity of King Square by the antics of a monkey. It seems the animal which is the property of Mr. Louis McMillan escaped from a harness shop while being fitted with harness. A lively but fruitless chase took place, and according to latest reports the animal is still at large.

Y'S MEN'S CLUB

The regular meeting of Y's Men was held last night. It being the monthly meeting, in the absence of the President and Vice President, Y's Man Jack McNair was in the chair. After the regular business was disposed of District Governor N. D. McLean read several communications of interest. Y's Men E. C. Clawson and Dr. C. C. Archibald were appointed a committee to bring suggestions for new activities for the Club. Y's Man Roy Oudmore was appointed chairman of the dance committee for annual Halloween Dance.
