Women Wanted
—who want charming homes

A charming home is the outward expression of a woman's sense of beauty—It is not the result of lavish spending. You can have a beautiful home—every room glowing with warmth and cheerfulness and decorated to harmonize with a general color scheme—if you use

Alabastine

"Alabastine" is the twentieth century finish—something vastly better than paper or kalsomine, because—
Wall paper is placed on a layer of paste—
This is nothing more or less than a nursery for germs and insects—
Besides most wall paper is saturated with arsenic in sufficient quantities to impair health.
Then ordinary kalsomine is bound to chip, blister, crack, peel or rub off—
It's base is only whitening and animal glue—a combination with no solidifying or sanitary qualities.

"Alabastine" has antiseptic properties—
Germs cannot live on or in it. Once the walls of a room are coated with "Alabastine" there is no necessity for re-decoration after sickness.
"Alabastine" has stood the test of time and is to-day more popular than ever—
It is more economical than either wall paper or kalsomine and far more sanitary. Anybody can apply "Alabastine"—
Just mix with cold water and use a flat bristle brush.
With our numerous tints and white any color scheme can be easily and artistically carried out.

Free Stencils

Our staff of trained decorators will perfect any color scheme for you absolutely free of charge. Also supply free stencils exactly suited for your purpose. Your Hardware or Paint Dealer will apply you with "Alabastine." But write for full particulars, and free booklet.

Guaranteed Relief
From all Bowel ills

If your bowels are out of order, instead of using some harsh salt or other physic, take a Rexall Orderly tonight, and tomorrow you will feel great. They taste good and act so gently that there isn't a particle of gripping or purging, nor the excessive looseness that follows the use of salts and most pills. They soothe and strengthen the bowels, promptly relieving the constipation, making it unlikely to occur again. We don't believe there is any other laxative remedy anywhere near as good, and at the same time so easy and pleasant to take as Rexall Orderlies. We know you will agree with us, and believe you will thank us for telling you about them. If they don't satisfy you in every walk, come back and tell us and we will give back your money without a word or question. You have no reason to hesitate when we give you the opportunity, as we hereby do, to try them at our risk. In vest pocket tin boxes; 10c, 25c, 50c.

You can buy Rexall Orderlies only at the Rexall Stores, and in this town only of us.—McKinnon Drug Co.

MOTHER! IS CHILD'S STOMACH SOUR, SICK?

IF CROSS, FEVERISH, CONSTIPATED, GIVE "CALIFORNIA SYRUP OF FIGS."

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to "make their little insides" clean and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeiters sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.

What To Do for Sore Throat

SOME GOOD ADVICE BY A SPECIALIST.

As there seems to be a regular epidemic of Sore Throats this winter, the following valuable recipe will be welcomed by many. A sore throat is a dangerous complaint to trifle with, as the bronchial tubes lead directly to the lungs and the disease often travels along these tubes into the lungs and there sets up an inflammation that invariably results in a serious lung trouble.

At the first sign of soreness in the throat or around the tonsils you should secure from your chemist 1 oz. of Parment (Double Strength) and take this home and add to it 1 pint of hot water and 4 oz. of moist sugar. Stir until dissolved. Take one tablespoonful four times a day. This will give instant relief and will usually cure the worst throat within 48 hours. The healing and soothing qualities of this formula are unequalled, and every person suffering with a bad throat should give this prescription a trial. There is nothing better.

IMPORTANT.—In ordering Parment always specify that you want Double Strength; your druggist has it or he can get it for you; if not, send 75c. to the International Laboratories, 74 St. Antoine St., Montreal, who make a specialty of it.

NOTICE

As I am about retiring from business, I have to request all Persons indebted to me by Book account or otherwise to make immediate payment of the same. I will be at the old stand for a short time only.

Strongest and Most Stylish-Looking

MARITIME Ornamental Fencing and Gates have the quality. There is no ginsaying that. Only first quality tubing is used for the gate frames. We could, like many makers, use second quality and save one-third to one-half the tubing cost. We could also use small wires and save some more. But we use large, strong, stiff No. 9 wire. This wire is more smoothly, thoroughly and heavily galvanized than the wire generally used for fence and gate purposes. You know what that means. Strongest, most lasting, as well as most stylish-looking. Write for free catalogue, showing the different designs, and from them choose a gate you'll be proud of.
