JOY reigned supreme in two families in the eastern part of the City last night for two wandering ones had returned and the anxiety caused by their departure on Sunday evening was replaced by a feeling of relief that the missing had been brought back safely to their homes. The girls, named Georgina and Laura Davis, aged thirteen and nine have lived for the past five years, Georgina with Mrs. Michael Doyle near the corner of Cumberland and Fitzroy Streets and Laura with Mrs. John Connolly who resides near by. During the afternoon the two girls had been playing at Mrs. Connolly's and started for a walk towards the railway track. Later they were seen going out St. Peters Road near the lime kiln. Diligent search was made Sunday night and yesterday Mrs Connally started in pursuit on foot. She returned at six last night with the two girls whom she had overtaken on Brackley Point Road some distance past Sherwood Cemetery. Sunday night they had slept at the residence of Mr Prowse near the cemetery and early this morning had continued their pedestrean tour from the city. The little girls had always been kindly used in their adopted homes and their runaway was the result of a sudden desire for adventure.
