BABY HONORED.—An interesting item in connection with the Vice-Regal party, while visiting the P. E. I. Hospital on Friday last was the Duke of Devonshire being especially interested in a beautiful baby girl peacefully sleeping in a dainty basket decorated with the Union Jack and the Allied ribbons, in honor of his soldier father overseas. His Excellency visited the mother and congratulated her, naming the baby Victoria Cavendish—after himself. WAR PRISONER RELEASED.—The good news has been received that Pte. Wilfrid Gunn, of Winnipeg, son of Mrs. John Gunn, of Clifton, New London who has been a prisoner of war in Germany has been released. Pte. Gunn was among the prisoners on Canon Simpson's list and had the good fortune to be kept supplied with parcels sent by a number of adopters from his home district.

MILITARY MEDAL.—Word has been received in this city that Sergt. Alban McDonald, has won the Military Medal. The many friends of this brave soldier will be delighted to learn this good news. He was recommended last year, and now received the medal as a reward for his splendid work on the field. Sergt. McDonald enlisted at the outbreak of the war and has been in the heavy fighting ever since, and has had some pretty narrow escapes having had two horses shot from under him. Last year at the inspection of the troops at the front he was called out and congratulated by the officers on the splendid appearance and efficiency of his section. Before enlisting he was a member of the famous 4th regiment, and he has certainly done his part to uphold its splendid reputation. Sergt. McDonald is a son of Mr. John W. McDonald of Grand Tracadie, and is also a brother of Rev. Dr. William V. McDonald of the staff of St. Dunstan's Cathedral of this city.

Modern Efficiency Says: Wear Rubbers and Keep Fit

Get them NOW—so you'll be ready for bad weather.

A sick man, or a sick woman, slows up the whole machinery of business. If a man, his work is neglected. If a woman, her household is disarranged and the bread-winner of the family made less efficient by worry. If a child, the progress in school is retarded—sometimes the whole school year lost—because of some serious illness which might have been prevented had Rubbers been worn.

Let's all stay well this winter, by wearing rubbers. Let's avoid the epidemics of colds, sore throats, gripe, pneumonia that upset business and homes in previous years.

The cost of rubbers is so reasonable compared with other needs, that you can well afford to buy more than one pair.

These six brands of reliable rubbers—

"Jacques Cartier" "Granby"
 "Merchants" "Dominion"
 "Maple Leaf" "Daisy"

—enable you to obtain from the leading shoe stores a style and shape for every shoe for men, women and children.

Ask for these brands—they give the best wear.

THE MONARCH PRESSURE CURED BOOTS, AND LUMBERMAN'S RUBBERS

They Wear Like Iron

Like the great steel tank, the Monarch Line is built to stand the roughest usage and the worst kind of wear and tear. Like steel, they are made by a process of compression. The Monarch Pressure Cure Process vulcanises into one unit every piece of rubber and fabric that goes into these lines. There is only one line of rubber footwear made in Canada with the grey finish. This is the Monarch Line. Order today from our Warehouse 31 Queen Street, Charlottetown.
