PRESBYTERY OF P. ED. ISLAND

At Charlottetown and within St. James Hall there, on Tuesday, the 6th day of August and at 10 o'clock a. m., the Presbytery of Prince Edward Island met in quarterly session and was constituted with prayer. Sederunt Messrs A S Stewart, Moderator, W H Spencer, T F Fullerton, A Craise, M N McLeod, W A Mason, S D McPhee, A Gray, Geo McLellan, Geo E Ross, W I Green, John Hawley, ministers; A N McLeod and Daniel McLaren, elders. Minutes of meetings held May 14th, 23rd and 30th were read and sustained. Minutes of the commission of Presbytery, which met at West Cape on the 20th day of May last, at O'Leary on the same day, and at Summerside on the 27th day of May last were held as read and sustained and ordered to be engrossed in the minute book. Reverends E Thrope, W P Archibald, John Gillis, L W Parker, D B McLeod, and E McDonald being present were invited to sit and correspond.

Mr W H Spencer was elected Moderator for the ensuing six months.

Elders' commissions were received from the following sessions, and their names ordered to be placed on the roll of Presbytery: St. James', Ch'Town, Souris, West River, Strathalbyn, Valleyfield, Belfast, Murray Harbor North, Caledonia, Marshfield, Orwell, Dundas, Covehead, Richmond Bay East, Zion, Charlottetown, in favor of Messrs T C James, C H S Sterns, Hector McLane, Daniel McDonald, Malcolm McDonald, Duncan McRae, James Kennedy, John McDonald, L H D Foster, A S Nicholson, Stewart Hunter, John A K McCallum, David Dougherty and Donald McKinnon, respectively.

It was moved by Mr. T F Fullerton, seconded by Mr A S Stewart, and carried, that the standing orders in regard to the hours of quarterly meetings of Presbytery be set aside, and that said meetings be held in Charlottetown at 10 o'clock in the forenoon.

The Moderator appointed Messrs A S Stewart and W A Mason to examine the session records of West River; and Messrs John Hawley and S D McPhee to examine the session records of Dundas.

Mr. S D McPhee reported that he moderated in a call in the church at Wood Islands on the 1st day of July last, that the call came out unanimously in favor of Mr. P K McRae of Baddeck Forks in the Presbytery of Inverness, Cape Breton, that it was signed by 146 communicants and 104 adherents and accompanied with a guarantee of $700 stipend with use of manse and glebe.

On motion the conduct of the moderator was approved and the following commissioners from the congregation heard, viz: Messrs Daniel McLaren and Alexander McGregor. It was agreed that the call be sustained as a regular Gospel call, and that the clerk be instructed to forward the same to the clerk of the Presbytery of Inverness.

Mr. S D McPhee was appointed to represent the session and congregation of Wood Islands and the Presbytery of P. E. I. before the Presbytery of Inverness. It was decided, should the call be accepted to apply to the Augmentation Committee in behalf of the congregation for a grant of $100.

Provisional arrangements were made for the induction of Mr. McRae as follows: the moderator to preside and induct, Mr. T F Fullerton to preach, Mr. S D McPhee to address the minister and Mr. A J McNeill the people. Reading of the edict was left in the hands of the interim moderator. Date of induction to be fixed by the interim moderator and clerk. Presbytery granted the congregation of Wood Islands leave to sell the glebe land there.

Mr. A Craise read his report as Chaplain to the Presbyterian patients in the P. E. I. Hospital, which was received and adopted and satisfaction expressed with the work done. On motion it was decided that Presbytery's commission be re-appointed to investigate certain matters at West Cape.

The following were appointed to act on standing committees, the first named in each case being convener:

Sabbath Schools,—R G Strathie, S D McPhee, W I Green, W A McKay, A Craise, ministers, W T Huggan, A S Nicholson, and Wm Brown, elders.

Life and Work,—R G Sinclair, A S Stewart, J M McKenzie, W A McKay, ministers, David Gordon and John McDonald, elders.

Young People's Societies,—A D Sterling M H McIntosh, M N McLeod, A Gray, ministers, Wm McConnell, and D N Forbes, elders.

Sabbath Observance,—John Hawley, Geo Millar, G C Robertson, and W A Mason, ministers.

Legislation,—T F Fullerton, W H Spencer, R G Sinclair, John Murray, ministers; T C James and Donald McKinnon, elders.

Augmentation.—W H Spencer, Prince County: W A Mason, R G Strathie, W A McKay, ministers, and Hon. B Rogers, elder; Queens' County; John Murray, A D Sterling, A Craise, ministers, and T C James, elder; King's County: A S Stewart, J W McKenzie, and E Smith, ministers.

Statistic,—A Craise, T F Fullerton, Geo E Ross, ministers; and W T Huggan, elders.

Examination of students.—Theology, Geo Millar; Hebrew, G C Robertson; Greek, A Gray; Church History, M. N. McLeod.

Presbytery Fund,—A Craise, W H Spencer, ministers, and T C James, elder.

Systematic Giving.—Geo Millar, W A Mason, E J Rattee, E Smith, ministers, and Donald McKinnon, elder.

Mr. John Murray was nominated Moderator of the forthcoming Synod.

The clerk read the report of the Presbyterial W F M S held at Summerside on July 3rd and 4th last.

On motion it was decided that the court place on record its appreciation of the work done by this society, and express the hope that it may have continued success.

The committees appointed to examine the session records of West River and Dundas reported and said records were ordered to be attested by the Moderator, which was accordingly done.

Presbytery then adjourned to meet at the call of the Moderator of Synod, if necessary, of which public intimation was made and this sederunt was closed with the benediction.

A. CRAISE, CLERK.

Why Do Women Worry !

First Sign of Failing Health

Worry is a disease—and it's more—it produces other diseases, because it breaks down the nerves and saps the vitality of the body.

What a pity women don't realize that if they were well—if the blood was nutritious—if the nerves were strong—if all the organs were active—then the little things that irritate and prey on the mind wouldn't receive a moment's thought.

The woman who worries has a poor appetite—she sleeps poorly. If it only lasted for a day or two it might be of small consequence— but she grows limp, miserable, unhappy—worse day by day.

She needs Ferrozone which cures worry by curing the conditions that render worry possible. For nervous, weak women, no tonic is so good; thousands it has cured just like Mrs. M. E. Ebherington, of Troy, who writes. "I am quite willing to give a public testimonial for Ferrozone, believing it to be a tonic of superior excellence and one that will rapidly build up strength and supply new energy to anyone not feeling well. Last spring I was in a very poor condition of health. I was nervous, felt tired, and completely worn out. No doubt it's quite a common complaint with ladies of my age, but I placed great reliance in Ferrozone, and took it for several weeks. I made me quite strong, and in fact I have been in better health ever since. I can heartily recommend Ferrozone."

Ferrozone cures by making good blood strong nerves and a healthy body.

This is why it gives color, clearness to the skin, buoyancy to the step, brightness to the eyes—because with good digestion and activity of the body in all its parts there's health. Price 50c per box at all dealers.

WHY DO YOU FAINT

Sometimes from shock or fright, but usually because the system is weakened and depressed,—it lacks power to react from sudden strain. This condition demands rebuilding, demands nourishment, which is best supplied by Ferrozone. In every form of debility Ferrozone is a specific. It fortifies the digestive and assimulative power of the body, promotes the elimination of waste materials, builds up tissue, gives energy and resistance. To have rich, red blood, enduring nerves, a strong constitution and lasting good health, use Ferrozone. Sold everywhere in 50c. boxes or six for $2.50.

50,000,000 FOR ADVERTISING

"James B. Duke, the tobacco king of Long Branch, New Jersey, recently claimed in an interview that he had spent more money in advertising than any other living man. He said that the figures would reach fifty million dollars.—Newspaperdom.'

Yet James B. Duke is to-day one of the wealthiest men in the world. When you see a liberal advertiser you see a rich man. The business man who in this age of advertising is afraid to invest my money in publicity will never accumulate a fortune Record

WHEN YOUR BACK HURTS.

Of course it's hard to work. Stooping over hurts, lifting is tedious, and you wonder what to do. Ever try Nerviline? Nothing like it for weak or lame back.
