Stanford Tops Comeback With Stunning 21-13 Victory Over Nebraska

PASADENA, Calif., Jan. 1—(AP)—Stanford University's Indians today reached the peak of a spectacular comeback campaign with a stunning 21-13 victory over Nebraska in another stirring chapter in Rose Bowl football history. Ninety-two persons saw the game.

Twice Nebraska forged ahead and each time the Stanford, with Frankie Alber, Hugh Gallarneau, Pete Kmetzovic and big chief Norm Standlee battering and bawling the Huskers, came from behind and then roared on to a decisive triumph.

Nebraska sent a shudder down the Stanford backs in the first two minutes of the game. Taking the kick-off, they blasted down the field to a quick touchdown. Big Mike Francis went through the Husker guard for the touchdown, and then added the extra point.

Then the Stanford T-model machine began to click from midfield. Gallarneau shot through the Husker

left tackle for a touchdown standing up. Albert kicked the first of his three conversions for the afternoon.

Midway in the second quarter Nebraska scored when Herman Rohrig passed to Allen Zikmund and literally sent him flying over the goal line. The attempted conversion was missed.

Stanford tied the count when Albert fired a hard high pass to Gallarneau. He made the prettiest catch of the day, stretching far into the air over the clutching hands of the Husker secondary, brought the ball down and raced on over the goal 10 yards away. Albert broke the tie with a perfect place kick conversion. Then Kmetzovic brought the crowd to its feet with the most sensational touchdown run of the game. Methodical Albert again kicked the extra point. He ended the scoring. Nebraska never threatened, but managed to hold off another scoring threat by the Stanford, who made but few substitutions throughout the game.

Red Wings Close Gap On First Place Team By 4-1 Win Over Hawks

CHICAGO, Jan. 1—(AP)—The high-flying Detroit Red Wings advanced to within four points of first place in the National Hockey League tonight with a decisive 4-1 victory over Chicago Black Hawks.

The Red Wings spotted the Hawks a goal in the first two minutes of play, then swept ahead in a bruising battle that ended in a fist fight to the delight of the 15,388 spectators.

Detroit tied the score six minutes after the Hawks had taken the lead and four minutes later went ahead to stay on Eddie Ware's goal. Syd Howe added the third Red Wing goal in the second period and Ebbie Goodfellow scored the final goal in the third period.

Just as the final siren sounded Doug Bentley and Jimmy Orlando moved into action, their fists swinging. This exchange was stopped just short of a free-for-all. Then as Orlando left the ice he exchanged heated words with a spectator and they began fighting.

Fishers and other players leaped to the scene and nipped the battle in the bud while the assembled throng boomed lustily.

Pike Scores Against Own Team In 2-1 Win For Canadiens

NEW YORK, Jan. 1—(CP)—Alfie Pike, New York Rangers forward, fired a pass into his own cage tonight and gave Montreal Canadiens a 2-1 victory in a National Hockey League game played before a small holiday crowd of 6,190 at Madison Square Garden.

Ranger nets.
Canadiens, seeking the victory that was to pull them out of last place, scored late in the first period when Pelly Drouin just got his stick to a 60 foot drive and tipped it into the cage. Rangers tied it up half way through the second in a neat combination play by Babe Pratt, who scored, and Neil Colville.

It was the second game in two nights for both clubs. Canadiens lost to New York Americans here Tuesday night when the Rangers tied the Bruins at Boston that night.

The break of the game ending a 1-1 deadlock that threatened to go into overtime, came in the 14th minute of the third period when Pelly Drouin, Canadiens utility defenceman, flicked a short pass five feet in front of the Ranger cage. Pike wheeled to clear it and banged the rubber into his own net behind an astonished Dave Kerr.

Trying hard to save their team-mates from being the goat of the game, Rangers put on a terrific attack for the rest of the period, but Goalie Bert Gardiner and the Canadiens defence stood firm, beating off attacks by waves of five forwards—and even Kerr at the end when Kerr was pulled out of the

Production In Canada at Record level

OTTAWA, Jan. 1—(CP)—Production in Canada now has reached record levels and, according to present plans, "before the end of this year this country will be producing at a rate some 70 per cent greater than during the peak of our efforts in the last war," Hon. Angus L. Macdonald said tonight.

Mr. Macdonald, acting Minister of Munitions and Supply while Hon. C. D. Howe is in England, said in a New Year's statement that "Canadian production during the coming year might even be stepped up to a rate equal to 50 per cent greater than in 1928, when Canada attained her maximum pre-war production."

"The Canada Year Book gives the total value of manufactures in 1928 as \$3,738,484,728. If Mr. Macdonald's forecast proves correct, Canadian production in 1941 may amount to more than \$5,600,000,000."

"We are now building plants and plant extensions to the extent of \$280,000,000," he said. "Some of these new plants are already in production, and all will be producing in 1941."

"Such an investment in plant and equipment owned by the crown will, it is estimated, produce goods at the rate of some \$300,000,000 a year."

"In addition, private industry has expanded to take care of war needs. Aside from the productive facilities financed by the Crown, private industry will produce goods in 1941 to the extent of many hundreds of millions of dollars."

Mr. Macdonald said Canada's total production in 1940 was "close to 40 per cent more than that of 1917 or 1918 when we attained our maximum effort in the Great War." His figures were based on the total revenue-ton miles moved by Canadian railways, adjusted for 1940 to include freight handled by trucks.
