...Death under unusually sad circumstances occurred at East Baltic, King's County, last week. On the 11th, John Nicholson, blacksmith, passed away, in his 79th year. He had been ill for some time past, and on Thursday while lying in bed he started to smoke his pipe. His wife who was out of the room at the time returned to find that the unfortunate man's beard and hair had caught fire. The smoke so affected his throat that he was unable to take nourishment, and the accident no doubt hastened his death. Onthe following Friday the 14th, his wife Rufina Campbell also passed away aged 81, death being due to pneumonia. They leave four sons in the United States.

...Rev. R. G. Sinclair will occupy his own pulpit at Montague on Sabbath the 23rd at 11 and 7 o'clock.

MOST INHUMAN EVENT IN HISTORY

Japan Ambassador Says War Between Japan and U. S. Would be "Hellish"

NEW YORK, February 18 Declaring that war between the United States and Japan would be "the most inhuman event in the world's history, and was "too hellish" to be thought of, Baron Kogero Takahira, the new Japanese ambassador to Washington, said today upon landing in New York from the Etruria, that the Japanese people knew absolutely nothing of a break in the cordial relations which have been historic between the nations.

Talk of war, Baron Takahira declared, with most emphasis, was utterly unintelligible to him, unless, as some one had suggested, it was to serve the commercial ends of some newspapers. The new ambassador said there might be some matters pending in Washington which would require his attention, but were not serious.

JUSTICE FOR METER THIEVES

PHILADELPHIA, Feb. 15—Martin Brady and John Bartolet were asphyxiated here yesterday while trying to extract money from a gas meter. They were found dead in the cellar of Brady's home.

Brady's arms were wrapped around a "quarter-in-the-slot" meter which had been wrenched from its fastenings. Physicians said the condition of the bodies indicated that the men had been drining heavily.
