Lower Montague Unity United Church

THURSDAY, MARCH 3rd 7.00 P. M. - Social Hall, Chamblaine Chorus. 7.45 P. M. - Heartz Hall, Junior Y. P. U.

A very enjoyable evening was spent recently at the home of Mr. and Mrs. Leslie Poole when a large number of their friends and neighbors assembled to celebrate the golden wedding anniversary of the host and hostess, and to wish them many more years of wedded bliss.

The services in the United Church Sunday afternoon was conducted by Rev. C. E. Arms, Rev. in the absence of the pastor Rev. A. Long.

The Central Guardian

CONFEDERATION LIFE INSURANCE L-6789-7-12-312 WORLD DAY OF PRAYER - St. Peter's, Friday, 8 o'clock. L-508

CHURCH OF SCOTLAND - Rev. Malcolm Galbraith will preach

March 3 at Argyle Shore at 7.30 p. m.; and Sabbath, March 6, Argyle Shore at 11 a. m., and DeSable at 7 p. m. L-546.

FIRE AT ST. AVARDS - City firemen responded to a general alarm for a fire in a residence occupied by Mr. Peter Emery at St. Avards.

The blaze, believed to have originated from a defective flue, was extinguished after about an hour's work. Considerable damage was caused by water.

FUNERAL AT PLEASANT GROVE - The funeral of Mrs. James Curran, 80-year-old Pleasant Grove woman who died at her home Monday was held yesterday morning from her late residence to St. Eugene's Church, Covehead.

High Mass of Requiem was sung by the Rev. Father F. McQuaid, pastor of St. Eugene's Church, Covehead. Services at the graveside were conducted by James Lawless, William Clow, Ambrose Doyle, William Ratray, Peter O'Rourke and James Lamphier.

POLICE COURT - At the police court yesterday a case involving a charge of obstructing a peace officer was adjourned until today.

A second case involving a peace officer, in which the same man is involved, as well as Prohibition and Excise Act charges, were also adjourned until Friday. A man convicted on a Prohibition Act charge was fined \$100 and costs or three months in jail and on a Prohibition Act charge \$200 and costs or three months in jail.

PLANE ENCOUNTERS SNOW SQUALLS - A Canadian Airways plane made two return trips to the Magdalen Islands yesterday carrying 1400 pounds of mail and two passengers, Mrs. James Farrah and her nine year old son, of Grand-stone, enroute to Halifax.

Flying conditions were good until the last half of the second trip when snow squalls were encountered. Mr. S. Jones said. The snow was dry and no difficulty was experienced in plotting the bit twin-engineed Magdalen Airways plane. The Capt. St. Lawrence, who piloted the way to the Gulf Islands with what looked like heavy drift ice, Mr. Jones said.

LENTEN SERVICES OPEN - St. Dunstan's Basilica was the scene of large congregations yesterday as Lenten services opened.

His Excellency, the Archbishop of Toronto, Rev. Dr. P. McMahon presided. Mrs. James Farrah and Rev. Father O'Hanley of St. Dunstan's University, deacons of the Mass and Rev. Father McCorley, deacon of the Mass, were distributed. Last evening at 7.30 Rev. Father John McGinn, C.S.P., special Lenten speaker, preached on "Beneficence of the Most Blessed Sacrament" was given by Rev. Father Douglas. His Excellency Bishop O'Sullivan assisted at the throne.

IN CONFERENCE - R. L. Fairbairn, of Montreal, manager of the passenger service bureau of the Canadian National Railways, arrived in the city Monday afternoon and Tuesday was in conference with regional officials on timetable and service changes.

Mr. Fairbairn, who is in charge of the Montreal headquarters attending the meeting was W. U. Appleton, vice-president and general manager. Also attending the meeting were the various superintendents in the region with some of the assistant superintendents. These included J. W. Musgrave, Moncton division, H. W. Campbell, Campbellville, W. E. Robinson, Halifax division, E. W. MacKinnon, Prince Edward Island division, Frank Griffin, Bedford division, O'Sullivan, South Devon, J. MacLeod, New Glasgow, Captain Reid of the ferry Charlottetown, F. L. Dougan, district passenger agent and E. B. Robb, district freight agent, Halifax. -Moncton Transcript.

TWO INJURED BY RUNAWAY HORSE - Two people were injured at the Charlottetown Hospital last night with slight injuries received when a runaway horse crashed into them as they were crossing the Dorchester-Prince Street intersection yesterday afternoon.

The injured, City Police said, are Mr. Fred McEac with a sprained arm and Mrs. Kate Kenyon with a cut over one eye. Both were suffering from minor bruises and shock but were reported "resting comfortably" last night. The horse was driven away from its youthful driver, Mr. George Roster at P. J. McDonald's store and rushed headlong down Prince Street to the waterfront and then out on the harbor. The terrified animal circled about and returned to its stable on Buntline Bell's wharf. The horse bolted after the driver had been tossed into the street when the sleigh overturned in going over a small snow bank at the Kent-Prince street intersection. Neither the driving sleigh or harness were damaged in the accident, it was said.

NEW CLUB MIDDLETOWN, N. S. (CP) - A new club has been formed in the Annapolis Valley town, the Central Nova Scotia Mink Breeders' Club.

The first of its kind in the province, the club's aim is to foster better mink breeding, secure better market advantages, and produce a better quality of mink.

Island Ladies Win Cash Prizes

Residents of Prince Edward Island have been unusually lucky in the matter of prizes during the few weeks. Mr. E. C. Maybe, Proctor and Gamble representative, received the good news by wire yesterday that another Island lady, Mrs. W.H. Mann, Kensington, was the winner of a \$100 prize in connection with the recent Oxydol contest. This is the second prize of this kind to come to this province since the contest started and we understand there are still a great many prizes not yet awarded. The first lady to receive a \$100 prize was Mrs. Gus MacDonnell of Charlottetown.

Report of Dionnes Charms Educators

SESSION OF 2000 PAUSES TO HEAR QUINTUPLETS' MENTOR REVIEW THEIR PROGRESS NEW YORK, March 2 - Grave academic issues and major pedagogical problems vanished yesterday, willingly sidetracked by 2,000 educators gathered here from all parts of the country for the twentieth national convention of the Progressive Education Association at the Hotel Pennsylvania.

Memorable at any rate, the school administrators, superintendents and teachers forgot their classroom cares as the exciting story of the Dionne quintuplets was unfolded. The mental and physical progress that Cecile, Marie, Yvonne, Emilie and Annette have made in recent months was reviewed by Dr. William E. Batz, of St. George's School, Toronto, and his co-workers who are supervising the quintuplets' education.

Measles Serum Urged By Doctor

NEW YORK, March 2 - Dr. William Thalheimer, director of the Manhattan convalescent serum laboratory, in an address at the New York Academy of Medicine, urged wider use of serum prepared from the blood of persons convalescing from measles to prevent the "surprisingly high" death rate among young children attributable to the disease.

He reported that the laboratory since its foundation less than two years ago, had supplied serum which prevented measles in about 95 per cent of thousands of cases of infants under the age of four in New York City who were treated after having been exposed to the disease. He said that 95 per cent of all deaths from measles occurred in children under four years old and were due mainly to "not uncommon serious complications of measles such as pneumonia and mastoiditis."

"Measles is usually considered a mild disease, inconvenient but inevitable," Dr. Thalheimer said. "Therefore, it might be surprising to learn that in infants up to one year of age, who contract measles, the mortality rate is 8 per cent, in the one to two year age it is 5 per cent and in those from two to three years olds it is 1.5 per cent."

He pointed out that use of the serum within five days after a child had been exposed to measles was almost certain to prevent the disease without the child suffering any ill effects on the treatment. While the effects of the serum last only about two weeks, Dr. Thalheimer said, the treatment would prevent the child from contracting measles until at least four or five. After that measles is less likely to cause serious complications or death.

240 Students Submit To Wassermann Test

ALL ENROLLED AT WAGNER COLLEGE VOLUNTEER TO AID IN THE DRIVE AGAINST SOCIAL DISEASE. Cooperating in the drive against social disease, all of the 240 educational students at Wagner College, Staten Island, a non-sectarian school under the sponsorship of the United Lutheran Synod of New York, started yesterday to take the Wassermann test.

The Staten Island division of the Health Department is administering the test in a clinic established in the board room of the college. The testing will continue throughout the week. The student body voted unanimously to take the test last Tuesday.

"Since social disease has been consistently pointed out as the enemy especially of youth," Charles K. Hellriegel, president of the students' association said, "we have felt it our duty to give our wholehearted support to the campaign against social disease."

The interest of the students in the campaign grew out of a forum meeting on social disease held at the college on Nov. 24 under the direction of Dr. William B. Snow, president of the American Social Hygiene Association.

Clarence C. Stoughton, president of the college, said he was proud of the students for their cooperation in the drive. "We have felt it our duty to give our wholehearted support to the campaign against social disease."

For this reason the Chief has obtained samples from Royal Canadian Mounted Police and Sergeant Fred Edgerton, instructor of the police school, will let his class sample the smoke when they next assemble. After the demonstration the officers will know what marijuana looks like in its raw and prepared states, then it will be burned so they can familiarize themselves with the distinctive aroma.

SCHOOL BELL FALLS SANDY COVE, N. S. (CP) - School children of Sandy Cove had a narrow escape from injury when the school bell broke loose and rolled down the roof. The clanging warned the children, and they scampered out of the way before the bell landed.

POLICE IN HAMILTON TO SAMPLE MARIJUANA

HAMILTON, March 2 - Hamilton police constables are going to inhale smoke from the marijuana cigarette this week, just to attune their noses to the odor of the drug by merely sniffing they will be able to detect the drug.

It is causing concern in many large centres, but so far it has not appeared in Hamilton, according to Chief of Police E. K. Goodman, but he fears that sooner or later officials will have to cope with the problem and he believes in being prepared.

For this reason the Chief has obtained samples from Royal Canadian Mounted Police and Sergeant Fred Edgerton, instructor of the police school, will let his class sample the smoke when they next assemble. After the demonstration the officers will know what marijuana looks like in its raw and prepared states, then it will be burned so they can familiarize themselves with the distinctive aroma.

MODEL SCHOOL Honor roll of Model School for February:

Grade III (a) 1 Betty Lou Howatt, 2 Joyce Benoit, 3 Norman McKay, 4 Sally McDonald, 5 Noreen Smith, 6 Ivan Mitchell and Jimmie Forre, 7 Vivian Andrews, 8 Bobby McGregor, 9 Ian McMillan.

WAKE UP YOUR LIVER BILE

And You'll Jump Out of Bed in the Morning! The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You get constipated. Harmful poisons go into the body, and you feel sour, sick and the whole works stop. A mere bowel movement doesn't always get at the cause. You need something that works on the liver as well. It takes those good, old Carter's Little Liver Pills to get those good, old pounds of bile flowing freely and make you feel "up and up". Harmless and gentle, they make the bile flow freely. They do the work of cholera but have no cholera or mercury in them. Ask for Carter's Little Liver Pills by name! Stubbornly refuse anything else. 25c.

MILLCOVE SCHOOL

Honor Roll for February: Grade X-1, Katherine MacIntyre; 2, Frederick Hughes. Grade IX Sr.-1, Harold McQuaid; 2, William MacDonald. Grade IX Jr.-1, Laura Hughes. Grade VIII-1, Edna Reid; 2, George Hughes; 3, Mary C. MacIntyre. Grade VII-1, Theresa Hughes; 2, Desmond Burge. Grade VII-1, Ella Hughes; 2, Alfred MacDonald; 3, Florence MacIntyre. Grade IV-1, Bernadine Hughes. Grade III Sr.-1, Auldine Cullen. Grade III Jr.-1, Patricia Hughes. 2, Gerard Burge. Grade II-1, Lloyd Cullen. Grade I - No examinations. Perfect attendance: Edna Reid, Mary C. MacIntyre, Laura Hughes, Katherine MacIntyre, Frederick Hughes. Teacher - Mary MacIntyre. (Patrol please copy)

ELDON WOMEN'S INSTITUTE

The regular meeting of the Eldon Women's Institute was held at the home of Mrs. C.H. Johnson on Feb. 21 with 10 members and 2 visitors present. President opened meeting by reading the Women's Institute Card followed by roll call. Minutes were read and approved. Sick committee visited sick and brought fruit. Articles bought for school were ordered paid. Letters were read asking for subscriptions. It was moved and seconded that 4 copies of National Magazine and 1 Crusader be sent for Institute News and Crusader were distributed. A questionnaire was filled in and read by Mrs. T.P. West. It was moved and seconded that a fruit cake be made for sale, to be baked by Mrs. Frank Halliday. Several members were appointed to take part in a play. Government grant of \$2.00 was received. Next meeting at the home of Mrs. Martin MacDonald. Roll call to be answered by an Irish lullaby. Three members paid their dues. Total receipts for the evening \$4.66. Meeting closed by singing the National Anthem. Hostess served a delicious valentine lunch.

There is no excuse for reckless driving, even if it is reckless.

COMBAT RHEUMATISM

Rheumatism is often caused by uric acid in the blood. This blood impurity should be extracted by the kidneys. If kidneys fail, and excess uric acid remains, it irritates the muscles and joints causing excruciating pain. Plan to help prevent rheumatism by keeping your kidneys in good condition. Take regularly Dodd's Kidney Pills - for half a century the favorite kidney remedy. 10c

ATTENTION DAIRY FARMERS

we will pay 39c for butter fat special grade delivered. Daily test. Prompt settlement 10th. of every month. This factory under new ownership has doubled its business during 1937.
