—Owing to the enormous amount of time and expense necessary in book keeping and making out small accounts as well as mailing and collecting same, The Guardian has decided that in future all ordinary amounts under one dollar will be accepted on a cash in advance basis and ten per cent discount given, except to those who have a regular advertising account who will still have the privilege of monthly credit.

—A very pretty wedding was solemnized in the parlors of the Yale Hotel, Calgary on Tuesday afternoon last, when Dr. A. W. McKay, of Westcliffe, and Miss Sadie, the youngest daughter of the late D. Montgomery, of Summerside, P. E. I., was united in the holy bonds of wedlock. The ceremony was performed by the Rev. J. E. Hogg, of Witsukiwia. Dr. and Mrs. McKay will spend a two weeks honeymoon in Vancouver, Victoria and other coast cities. The Times joins in extending the heartiest congratulations.—Westcliffe Times.

—Following is the program for Fairyland at Summerside on Monday and Tuesday, Oct. 14 and 15. The Half-Cent's Revenge was a tale set to a half-cast brigand took on those who had been his means of this being publicly chastised. This picture keeps the audience in breathless and interested suspense while the story unfolds on the curtain. A Tale of Two Dreams is an entire change from any former shown here and represents a new scene, where the all is threatened with death by a cowboy who has been disappointed through not receiving his suit on time. The tailor dreams world things just then—nothing funny could be imagined. Slavery of Children is a pathetic description of life interest, showing the disadvantage that some unfortunate children are compelled to work under. A New Drink is a very funny description of the manner in which three sports out for a to play a practical joke on a friend. The Hat and Song is just a little rocking chair and you. The program is with a doubt the strongest yet presented in Summerside. The Tailor's Dream was a head-liner at Keith's and the Half-Cent's Revenge was a head-liner at the St. John Opera House. Two head-liners on one program for Summerside is rather unusual but Fairyland intend to give patrons the best.

Beautiful and Reliable Furs

That this is going to prove a "Fur Season" is evident from the great demand. That this old reliable house is, as heretofore, headquarters for reliable furs, is equally evident from our unusually large sales for this early season.

Our furs need little boasting—they speak for themselves—and our reputation for selling reliable guaranteed furs in the past, is now bearing good fruit.

We have as usual an immense range of all the best varieties such as Mink, Sable, Stone Marten, Marmot, Molek Fisher, Isabella Fox &c in sets and separate piece, at all prices; according to quality, up to the very best.

Our stock of ladies fur coats is up to our usual high standard, both in quality and style, and come in all the best kinds such as Persian lamb, Russian lamb, Seal Astrachan &c.

Our men's Coats are splendid. There is no question of values here, they simply cannot be equalled much less surpassed. Come in and prove this. You will also find the prices moderate.

We have a nice range of ladies fur-lined coats at different prices. If you want is not among them, we will take your order, and have a coat made to your own choice. This is by far the best method, as you can then have the combination of style, cloth, fur and price you require, which is so hard to get in a ready made. Your order can be completed in about 10 days.

All visitors to the exhibition are cordially invited to come in and view our immense showing, which is certainly well worth a visit.

Enterprise Monarch Steel Range

It is said the proof of a pudding is in the eating. The proof of a range is in its working qualities—therefore try one and see; but before doing so, ask some of your neighbors or friends who have a Monarch in use to tell you what they think of it. Their verdict will be the same as that of hundreds of others, namely, that for Perfect Baking, Ease of Operation and Economy it has no superior.

Our absolute guarantee goes with every one. No expense or effort has been spared to have the MONARCH the most complete and perfect steel range made in Canada and we invite the most careful comparison. The price is low and within the reach of all. Fully illustrated circular for the asking. Write for one.
