**THE "KNOW HOW" IS MADE
INTO EVERY FIG OF HICKEY'S
BLACK TWIST TOBACCO**

This is why Hickey's Black Twist comes first, it has the make-up and flavor in every fig that no other brand has. The man who chews tobacco knows that when he buys Hickey's, he's not taking any chances of getting poorly made tobacco. That's why men all ask for HICKEY'S because it is the BEST. Millions of figs used yearly.

Peters Road And Vicinity

The harvesting of grain crops is rapidly nearing completion here. The heavier oat fields have lodged sensibly, this being the only handicap on this season's splendid showing.

Mr. Alexander McQueen of Silver Creek, Nebraska, was the guest of his relatives Messrs. David and Alex. Stewart of this vicinity for a short time. Mr. McQueen and son are extensively engaged in sheep ranching in the West. The former emigrated to the U. S. from Skye, Scotland, 44 years ago. He thinks the Island province ideal and thoroughly enjoyed the trip.

Mrs. Garfield McFadyen of Malden, Mass., and daughter Violet are visiting the old home, guests of the parents of the former Mr. and Mrs. Neil B. Johnston.

Mrs. Stanley Sutherland (nee Miss Vera Butler) and Mrs. Frank McFadyen (nee Miss Hattie Butler) from the provinces of Quebec are visiting here guests of their parents, Mr. and Mrs. William Butler.

Mrs. James Campbell (nee Miss Daisy Vandierstine) and sister Laura of Summerville, Mass., are spending their holidays at the home of their parents, Mr. and Mrs. Neil Vandierstine.

Miss May Jenkins of Worcester, Mass., is also visiting here, the guest of her parents Mr. and Mrs. Joseph G. Jenkins.

Mr. John Vandierstine after an extended trip to the United States has returned to his home at Peters Road.

Mr. James Johnson has joined the many who seek employment abroad and is located in Portland, Me.

Miss Ethel Johnston, trained nurse of the Royal Victoria Hospital, Montreal, has also arrived home and will spend a restful holiday with her mother, Mrs. A. M. Johnston, Peters Road.

The Murray Harbor North Dairy Co. with its manufacturing plant at Sturgeon running at full capacity deserves special commendation. Excellent work is being done by the Manager, Mr. Collins and Assistants.

Mr. Benj. Richards of Cambridge, Rd., had his cannery and outfit, with canned goods and other valuable material totally destroyed by fire. The fire occurred during the night, and made headway before it was known. Owing to the arrival of help the other buildings were saved with difficulty.

Mr. George Munn and Mr. W. E. Jenkins are busily engaged in the clam-canning industry. This enterprise furnishes many with profitable employment.

We are glad to be able to report the roads of this locality to be in excellent condition.

CROP REPORT

Below will be found a brief synopsis of telegraphic reports received at the Head Office of the Bank of Montreal from its Branches. The Branch Managers have complete and intimate knowledge of each local situation and are in close touch with Crop conditions in all sections of the districts mentioned.

GENERAL.

No change of importance has taken place in crop conditions during the past week. Harvesting is in full swing in the Prairie Provinces, although there has been some delay from rain, and with favourable weather threshing will be general within the next few days. Slight frost with possible small damage is reported from Northern sections, in Quebec general conditions are still very good and in Ontario harvesting of

98 Out of Every 100 Women Benefited

EXTRAORDINARY RESULTS Important to Every Woman

Over Quarter of a Million Favorable Reports from Women Purchasers of Lydia E. Pinkham's Vegetable Compound

A circular is now enclosed with each bottle of our medicine asking "Have you received benefit from taking Lydia E. Pinkham's Vegetable Compound?"

So far answers have been received from over 250,000 women.

Ninety-eight per cent say YES. That means that 98 out of every 100 women who take the medicine for the ailments for which it is recommended are benefited by it. Think of it—only two women out of 100 received no benefit—98 successes out of a possible 100.

We always knew that our medicine benefited most of the women who took it. But that only two out of 100 receive no benefit is most astonishing.

It proves that this medicine, made for women's ills by the most scientific process; from a combination of roots and herbs, does more good than any other medicine for the purpose. We have been making and improving this medicine for 50 years until it is now so perfect and well adapted to women's needs that it actually benefits 98 out of every 100 women who take it. It is sold in almost every country in the world—over 4,000,000 bottles each year.

Every woman suffering from ailments peculiar to her sex should try Lydia E. Pinkham's Vegetable Compound and be one of the 98 benefited.

PROVINCE OF BRITISH COLUMBIA.

Threshing general. Wheat and oats above average. In Nicola Valley roots, potatoes and other vegetables will not be up to average. Okanagan apple estimate increased to 60% of average. All fruit sizing and colouring well and of good quality generally. Pears 15% of average crop. Plums and prunes 30%.

PRAIRIE PROVINCES.

EDMONTON DISTRICT—Slight frost Sunday night in the western portion damage reported light. Harvesting delayed by rain. Grande Prairie crops reported below average. **SASKATCHEWAN DISTRICT**—Cutting 25 to 50% completed, again delayed by rain but should be resumed in a day or so. **LETHBRIDGE DISTRICT**—Rain has delayed cutting and threshing. Yields in eastern section poor and in western section satisfactory generally. **NORTHERN SASKATCHEWAN**—Harvesting general but delayed in some districts by showers and as the weather is cooler the late crop is in danger from frost. **SOUTHERN SASKATCHEWAN**—Weather has been favourable and cutting well under way. Threshing should commence in some districts this week. Summer fallow crops will give a satisfactory yield other crops below average. **MANITOBA DISTRICT**—Rain has interfered with harvesting but some points report cutting almost finished. Yields and grades will vary greatly in different localities owing to damage from rust.

PROVINCE OF QUEBEC.

The hay crop has proved to be much larger than usual but lower quality is reported owing to excessive rains. Barley and oats are being harvested and a heavy yield of both grain and straw is assured. Corn has benefited by warm weather but will not measure up to the average. The potato prospects are good but rot is reported in low sections. Tobacco is fast ripening, cutting has commenced and the quality is reported as excellent. In the northerly districts hail and rain have caused some damage.

PROVINCE OF ONTARIO.

Farmers are busy threshing and fall ploughing. Fall wheat, barley and oats are yielding well above the average. Weather conditions ideal for corn, which has made splendid growth. Root crops are good. Winter apples and pears are reported exceptionally good. Pastures and fall wheat lands require rain.

MARITIME PROVINCES.

NEW BRUNSWICK—Weather conditions somewhat improved but haying not yet completed. Potato prospects good except for apples, being dug yielding about 70 barrels per acre. **NOVA SCOTIA**—Recent fine weather beneficial and prospects good except for apples, which are only fair due to excessive rains during the early summer, but fruit is colouring well. **PRINCE EDWARD ISLAND**—Crop conditions generally good. Potato blight reported in some sections but damage not serious.
