An item is being printed in the papers headed "Do Not Misquote Figures," referring to the comparative strength of baking powders and claiming to quote from the Dominion government report, is misleading and incorrect. The figures given as the test of Dearborn's "Perfect" are far from correct and not according to the report. The total carbonic acid has in the samples tested, according to the report of the chief analyst, is as follows:

Dearborn's Perfect.....	13.7
Royal.....	13.4
Imperial.....	10.8

The above figures are correct and are given on page 28, tab e II, of the Inland Revenue Department report No. 68 and is the only government report which gives a test of Dearborn's "Perfect" baking powder.

## Summerside and Prince County News.

Mr. and Mrs. J. E. Wyatt and children leave this morning for Florida. Mr. Wyatt returns in a few weeks Mrs. Wyatt and children will spend the winter.

The body of the late Mr. James McArthur was found at Malpeque, Sunday morning about 100 yards from where that of his companion James Henry Pepon had been found on the previous day. The remains of the two men were buried in Malpeque cemetery on Sunday afternoon. The funeral was a very large one being attended by sympathizing friends from every part of the district. An impressive funeral service was conducted in the church by Rev. J. M. Fisher.

In the absence of Rev. Mr. Withycombe last Sunday the Hon. Judge Fitzgerald by invitation conducted the services in St. Eleanor's church in the morning and St. Mary's Summerside in the evening, a courtesy that was very much appreciated by the parishioners of both churches. Miss Constance Fitzgerald accompanied her father and at St. Eleanor's charmed the congregation by a solo at the offertory. Oh Divine Redeemer by Ch. Gounod. The Judge and Miss Fitzgerald returned to Charlottetown by yesterday's noon train.

### WEAKNESS OF HOSPITALS.

Said to be Incapable of Curing One of the Most Deadly Diseases of the Age.  
MONTREAL, Dec. 3.—Mr. William Brownley tells an alarming story of utter failure of the hospitals to cure him of Bright's Disease. He was treated in the best hospitals both in Canada and the United States. They gave him up as incurable. Medical science had failed; the hospitals were powerless to help him. Nevertheless Mr. Brownley is cured. Dodd's Kidney Pills cured him and he is a well man to-day.

Says Mr. Brown himself, "I have been a subject to Bright's Disease of the Kidneys for twenty years. I have been in all the best hospitals of Canada and the United States. I could get no relief. I have just finished eleven boxes of Dodd's Kidney Pills and am completely cured. I am a locomotive engineer and well known, so many can vouch for this statement."

More people have been cured of piles by using Dr. Chase's Ointment than by all other treatments combined. It never fails to cure piles.
