KENSINGTON

Having served its day and generation, the old order passes, the Kensington School Improvement Society was laid to rest with due honor and affection.

When the fullness of times had arrived, out of the old arose the new, and on Thursday evening, April 8th, the Home and School Association, was formed.

A large and representative body of citizens were present in the Town Hall at the inauguration. The constitution for the local branch was discussed and the more important clauses passed, and with earnestness of heart and singleness of purpose the aims and endeavors of the new Society were adopted.

It is non-sectarian, non-partisan and non-commercial in all its relationships.

It aims to bring into closer relationship the Home and the School that parents and teachers may cooperate intelligently in the training of the child.

Another chief object is to study educational problems and to raise the standards of home life and national life by strengthening public interest in the development of the boy and girl as individuals and as future Canadian citizens.

We quote from the closing clause of the Creed: "We believe that the principles which guide the Home and School Association are the embodiment of educational endeavor, social service, civic virtue, patriotism and ideals of world peace."

The following election of officers took place:
President, Mrs. Wm. MacLean.
1st Vice Pres., Mrs. James Saunders.
Secretary, Miss Jennie Paynter.
Treasurer, Miss Kathleen Reid.
Convener Social Committee, Mrs. W. P. Taylor.
Convener Membership Committee, Mrs. Carrie Kennedy.
Convener Publicity Committee, Mrs. P. Walker.
Convener Program Committee, Mr. N. MacDonald.

When the result of the election was called to the platform and Rev. B. C. Salter read the installation service.

It was moved by Mr. Salter and seconded by Mr. MacDonald that membership fee be 25 cents.

The date decided on for the regular meeting was for the second Thursday of each month.—B.

INDIAN RIVER W. I.

The members met at the home of Mrs. Thomas Tuplin on April 7. There was an attendance of five members and a number of visitors. In the absence of the president, Mrs. Wm. MacDonald presided. The meeting opened by singing "It's a Good Time to get Acquainted," and by reading the Creed. Then followed the roll call and reading of the minutes.

"Sit-in" Strike In Paris Theatres

PARIS, April 18—(AP)—More than 200 motion picture houses and several vaudeville and legitimate theatres were occupied by "sit-in" strikers today as the union of movie theatre employees called a general strike for the Paris region.

The Folies Bergeres and the Casino de Paris, known to thousands of tourists, were among the most famous houses occupied.

The strike applied primarily to the movie theatres, and through-out Paris this morning owners and employees tried to see which would own the theatres. In nearly every case the employees won. The owners managed to hold only two large vaudeville houses.

Leaders of the union said the strike was called because the institution of a 40-hour week in the motion picture theatres had resulted in heavy salary losses for employees.

The sick committee reported treats bought for three sick people. A letter from Miss Wilson concerning dental clinics was read. The sick committee for next month Mrs. Edgar Hickey and Catherine Ollis. Next meeting will be held at Mrs. Wm. Hickey's, roll call to be answered with a Canadian author and one of his works. The business part of the meeting being over, a bountiful lunch was served by the hostess, and the remainder of the evening spent in music and dancing. Several pleasing demonstrations of step-dancing were given by Mr. Nell MacLeod.
