SPEAKER'S SALARY IS ABOVE $10,000.

BOSTON, March 4.— Tim Murphy, writing in the Boston Globe says:—

"The news from Texas yesterday that Tris speaker had forwarded his signed contract to the Red Sox headquarters was very pleasing to President Joe Lannin and the friends of the world champion's. President Lannin never had any doubt about Speaker, but was anxious to have him signed up before the players started for the Hot Springs camp.

"Although the great outfielder will receive less money than he did in the war times, yet the amount he will receive would be satisfactory to a United States Senator and is more than $10,000 per year— not bad for seven months' work."

Todd, Friday evening, March 3, when a number of the friends gathered together to bid farewell to their daughter Eliza J. before leaving for Ottawa where she obtained a position as stenographer in the Militia Department. The evening was spent in music and games, much credit is due to Wm. Gill and Robt. Gillis for the singing of the old song Tipperary which was much appreciated by all present. The singing of "We'll Never Let the Old Flag Fall" and "O' Canada" were also very much appreciated. After partaking of a sumptuous repast Mr. Dan W. Matheson, was appointed chairman and Miss Jeanetta McLeod read the following address: Dear Miss Todd—Hearing of your departure from our midst we have assembled here tonight to bid you farewell. As a member of our Church Choir your services have been much appreciated in other social affairs as well, you have always cheerfully taken an active part in your vocation as teacher. Your efforts have been crowned with success and we hope in your new position of the Civil Service you will continue to be as successful as heretofore. We now ask you to accept this slight token of our regard for you. Signed on behalf of all present. Mr. Angus Gillis presented Miss Todd with a dress suit case and a silk scarf. Miss Todd expressed herself in a few short words and thanked the friends for their kindness. Then all departed with the singing of God be with You till We meet again. Get a 10-cent box now.

Furred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches come from torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. Are Worth Their Weight in Gold

WHAT MRS. BROWN SAYS OF DODD'S KIDNEY PILLS.

New Brunswick Lady Feels It Her Duty to Tell Women That Dodd's Kidney Pills Are the Best Remedy She Ever Used.

Miscou Marbor, Gloucester Co., N. B., March 6th.— (Special.)— "I think weight in gold." This is the statement Dodd's Kidney Pills are worth their of Mrs. James Brown, well known and highly respected here.

"I think it would be ungrateful on my part if I did not tell what a blessing Dodd's Kidney Pills have been to me," Mrs. Brown continued. "I was in bed three weeks with headache and sore back. Then I began to use Dodd's Kidney Pills and I found them the best remedy I have ever used."

Mrs. Brown is just one of the many women in New Brunswick who are telling of pains relieved and health restored by the great Canadian kidney remedy. Dodd's Kidney Pills are suffering women's best friend, because they act directly on the kidneys. They tone up the kidneys and put them in condition to do their full work of straining all the impurities out of the blood. Nine-tenths of women's troubles comes from diseased or disordered kideys. There is abundant evidence on every hand that Dodd's Kidney Pills cure all Kidney troubles.

Take Iron, Says a Doctor, if You Want Plenty of "Stay There" Strength Like an Athlete!

Ordinary Nuxated Iron Will Make Delicate, Nervous, Rundown People 200 Per Cent. Stronger in Two Week's Time, in Many Cases.

NEW YORK, N. Y.—Most people foolishly seem to think they are going to get renewed health and strength from some stimulating medicine, secret nostrum or narcotic drug, said Dr Sauer, a specialist of this city, when, as a matter of fact, real and true strength can only come from the food you eat. But people often fail to get the strength out of their food because they haven't enough iron in their blood to enable it to change food into living matter. From their weakened, nervous condition they know something is wrong, but they can't tell what, so they generally commence doctoring for stomach, liver or kidney trouble or symptoms of some other ailment caused by the lack of iron in the blood. This thing may go on for years, while the patient suffers untold agony. If you are not strong or well, you owe it to yourself to make the following test. See how long you can work or how far you can walk without becoming tired. Next take two five grain tablets of ordinary nuxated iron three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. I have seen dozens of nervous, rundown people who were ailing all the while, double and even triple their strength and endurance and entirely get rid of all symptoms of dyspepsia, liver and other troubles in from ten to fourteen days' time simply by taking iron in the proper form, and this after they had in some cases been doctoring for months without obtaining any benefit. But don't take the old forms of reduced iron, iron acetate or tincture of iron simply to save a few cents. You must take iron in a form that can be easily absorbed and assimilated like nuxated iron if you want it to do you any good, otherwise it may prove worse than useless. Many an athlete or prize fighter has won the day simply because he knew the secret of great strength and endurance and filled his blood with iron before he went into the array, while many another has gone down to inglorious defeat simply for the lack of iron.

NOTE—Nuxated Iron recommended above by Dr Sauer, is one of the newer organic iron compounds. Unlike the older inorganic iron products, it is easily assimilated, does not injure the teeth, make them black, nor upset the stomach; on the contrary, it is a most potent remedy, in nearly all forms of indigestion, as well as for nervous, rundown conditions. The Manufacturers have such great confidence in Nuxated Iron that they offer to forfeit $100.00 to any charitable institution if they cannot take any man or woman under 60 who lacks iron and increase their strength 200 per cent. or over in four weeks time, provided they have no serious organic trouble. They also offer to refund your money if it does not at least double your strength and endurance in ten days' time. It is disposed in this city by G. E. Hughes, The People's Druggist. E. A. Foster, Central Drug Store.
