Webster's NEW INTERNATIONAL Dictionary, (G. & C. Merriam Co., Springfield, Mass.) surpasses the old International as much as that book exceeded its predecessor. On the old book a new superstructure has been built. The reconstruction has been carried on through many years by a large force of trained workers, under the supervision of Dr. W. T. Harris, former United States Commissioner of Education, and reinforced by many eminent specialists. The definitions have been rearranged and amplified. The number of terms defined has been more than doubled. The etymology, synonyms, pronunciation, have received unsurpassing scholarly labor. The language of English literature for over seven centuries, the terminology of the arts and sciences, and the every-day speech of street, shop, and household, are presented with fullness and clearness. In site of vocabulary, in richness of general information, and in convenience of consultation, the book sets a new mark in lexicography.

400,000 words and phrases.
6000 illustrations.

THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block—Charlottetown

It pays to buy in this Province.

Several prohibition cases come up before the Police Court in this city this morning.

Fred and Mrs. McCourt, Montreal, returned yesterday from a short visit to their homes in this city.

Attention is drawn to the adv. re Dockendorf vs. Dockendorf, now before the Court of Chancery, which appears in this issue.

Tickets are on sale at the Two Maccs and Ritchie's Bookstore for the lecture of Mary Queen of Scots in St. James' Hall Thursday night by Major Bartlett, and only 20c.

Laughlin McKinnon, Colin McDougall, Thomas Stewart Neil McKenzie and John D. McKinnon of Canoe Cove, Trustees of Canoe Cove Church, have given notice that they will apply for an act of Incorporation for the church in the next session of the Legislature.

The article in yesterday's issue, referring to the Seed Fair Committee meeting, which was held on Saturday afternoon, conveyed the impression that the meeting was held on Sunday afternoon, when the word "yesterday" was used instead of "Saturday."

Austin Haley & Co., 176 Atlantic Avenue, Boston, is an American dealer in smelts and eels familiar to all fishermen in this Province. The firm does a large trade, giving personal attention to all consignments, for which daily returns will be made. Old customers and many new ones will find Austin Haley & Co's methods of doing business most satisfactory and a trial order is solicited as will be seen by their adv. elsewhere.

In the first Baptist church, Moncton, Sunday before last, Rev. J. L. Batty preached to the members of the Loyal Orange Association. The local press says: "There was a very large congregation, and the eloquent remarks of the preacher held the close attention of his hearers from beginning to end." Of the many preachers who have recently spoken in defence of Protestantism, Mr. Batty has occupied a very prominent place.—Wesleyan. Mr. Batty is well known here.

Rev. F. Scott-Smith, of England, who has been in this country for some time and is at present in Nova Scotia, has been secured as curate of St. Peter's Cathedral in this city for the next three months to assist Rev. Canon Simpson. Rev. Mr. Scott-Smith is a graduate of Durham University and has been engaged in work in the south of London and among the people of the Pottery district. He is expected here this week and will enter upon his duties next Sunday.

James Howlett of Gowan Brae, arrived in the city last week from Boston, where he had gone about a month ago, accompanied by his eldest daughter, Nellie. Mrs. Edward Carroll in response to a telegram stating that Mr. Carroll had been seriously injured. Mrs. Carroll had, previously been summoned home to the bedside of her mother, who died five weeks ago. Close on that bereavement came another, the death of her husband, Mr. Carroll, who passed away in the hospital at Boston about a week after she and her father arrived there. Mr. Carroll was a teamster for Jenning Bros., wool dealers, of Boston, and the accident which resulted fatally, occurred while he was delivering wood in the warehouse.

The basketball team of the MacDonald Consolidated school went down to glorious defeat before the West Kent School team of the Y. M. C. A. on Friday last. The score stood twenty-eight to thirteen in favour of the visiting team. In justice to the Consolidated boys it may be said that this was their first game, and, considering the little practise they have had, that they made an excellent showing. Mr. Howatt refereed the game with perfect satisfaction. After the game the teams were served with luncheon by the girls of the Household Science Department, West Kent Team—Lane, Carson, Taylor, T. Moore, F. Moore, Consolidated team—Ings, Keeping, Haszard, Duffy, Jenkins. After luncheon the girls of the Consolidated played the West Kent boys, beating them by a score of 20 to 16. The girls were too quick for their less active opponents, and, by a series of brilliant passes, secured an easy victory. A return game will be played in the Y. M. C. A. Hall next Friday night.

The doctor's advice—After diagnosing a case and giving a prescription the doctor's skill, without your medicines are fresh and pure, is futile. When you get your prescription dispensed at the Central Drugstore, it is a guarantee that you get just what the doctor ordered, and of the very best quality. E. A. Foster, Central Drugstore, Sunnyside.

Bertram Lea, Vernon River, was in the city yesterday.

Miss Laura Praught has returned to the city after spending the week end at her home, Hillside, Pownal.

Thursday afternoon next will be the day of the fancy sale in St. Paul's schoolroom. Five o'clock tea served for only fifteen cents.

Mrs. Charles McDonald of Attleboro, Mass., and two children, arrived in the city last night to spend two or three months with Mrs. McDonald's parents, Bertram and Mrs. Lea, Vernon River.

Says the Wesleyan:—The annual meeting of the Preacher's Union was held in Sackville, last week when Rev. B. C. Borden, D. D., was chosen president and Rev. W. H. Heartz, D. D., vice-president; Sec'y Rev. W. G. Watson; Treas., Rev. F. W. W. Desbarres. Additional members of the Executive are Dr. Sprague and Rev. T. Marshall.

A dinner was given at Bellevue Thursday by officers of the R. C. A. and R. C. E., in honor of the officers on the Niobe, Cornwall and Brilliant. Covers were laid for 34. Commander MacDonald of the Niobe is absent from Halifax, but three officers were present and there were three from the Cornwall, including Captain J. C. Ley, R. N. From the Brilliant there were two. Lieutenant-Colonel English, of the R. A., Quebec, was also a guest.—Halifax Exe.

One of the most impressive naval funerals seen in Halifax for years was that of George Ackers, of H. M. C. S. Niobe, which took place yesterday afternoon from the ship to St. Joseph's church, and thence to Mt. Olivet cemetery. The remains were placed on a gun carriage which was drawn by blue coats. The casket was covered with the union jack and laden with flowers. The officers and men of the Niobe, Cornwall and Brilliant attended in a body, and the band of the Niobe rendered appropriate music.—Halifax Exe.
