ROCKFELLER WAS A LARGE SUBSCRIBER.

ST. JOHN, Feb. 26.—Writing home Walter H. Belding, St. John, tells of the trip of the Mendelssohn Choir of Toronto to Buffalo and Cleveland. He says—"It was a great trip, as usual under the most select and desirable conditions. We had our own train of Pullmans and were in one hotel in each city. We were 225 strong, had our own dining rooms, and everyone had a good time. There was not one mishap on the whole trip." Though the houses were packed at every performance it was necessary to have a guarantee, and of nearly a hundred guarantees in the city of Clevdland, it is worthy of note that John D. Rockfeller put up $500.

FORMER DIGBY RESIDENT FOUND DEAD IN BOSTON.

DIGBY, Feb. 26—Word has been received here of the death in Milton (Mass.) of Charles A. Letteney, a clerk in the custom house, Boston. He was found dead in bed, death, in the opinion of the physician called, being due to apoplexy. The deceased was a son of the late Wm. G. and Mrs. Letteney, and was born at Lighthouse Road, Digby, about 14 years ago, but moved from here about thirty years ago and had resided in Milton for many years. He is survived by one sister, Miss Edith J. Letteney, of St. John.

The Norwegian steamer Diana, which had been discharging a cargo of hard pine at Port Wade, sailed today at noon for St. John.

Publish My Letter The World Over

The Words of Harold P. Bushy, Who Was Permanently Cured of Chronic Lumbago by "Nerviline."

"Three years ago I discovered that a man subject to lumbago might just as well be dead as alive." These words open the sincere, straightforward letter of H. P. Bushy, a well-known man in the plumbing and tinsmithing business in Portland.

"One attack came after another, and lumbago got to be a chronic thing with me. I could scarcely get in a day's work before that knifing, cruel pain would attack my back. I used a gallon of liniments; not one of them seemed penetrating enough to get at the core of the pain. I read in The Montreal Witness about Nerviline, and got five bottles. It is a wonderful medicine—I could feel its soothing pain-relieving action every time it was applied. When I got the disease under control with Nerviline, I built up my strength and fortified my blood by taking Ferrozone at meals. This treatment cured me permanently, and I urge everyone to give up the thick, white, oily liniments they are using, and try an up-to-date, penetrating pain-destroyer like Nerviline.

LETTER NO. 4311

"Please publish my letter the world over, I want all to hear of Nerviline."

Don't be cajoled into receiving anything from your dealer but "Nerviline." Large bottles 50c, trial size 25c. Sold everywhere or The Catarrhozone Co., Kingston, Ont.

"There are others, but there's none as good as Hughes' Cough Mixture for that hacking cough. A dose taken at bedtime will stop the cough and your sleep will be undisturbed. Try a 25c. bottle and be convinced. Geo. E. Hughes, the People's Druggist, Charlottetown, P. E. I. 2-24dtf.

Women

Cannot be Strong and Healthy Unless the Kidneys are Well.

Weak, lame or aching backs are the first sign of Kidney Trouble.

Under ordinary conditions they ought to be strong and ready to bear the burdens of life.

It is hard to do housework with a weak and aching back. Backaches come from sick kidneys, and what a lot of trouble sick kidneys cause.

But they can't help it. If more work is put on them than they can stand it is not to be wondered that they get out of order

Weak back is simply a warning from the kidneys and should be attended to immediately so as to avoid years of terrible suffering from kidney troubles.

Doan's Kidney Pills will cure you in the same way as they have cured thousands of others.

Miss Alberta B. Clarke, Stoney Creek, Ont., writes:—"I was troubled with kidney trouble for several years; my back was weak, I had such terrible headaches, and was so restless I could not sleep at night and tried everything without any benefit. Meantime a friend advised me to try Doan's Kidney Pills, so I got four boxes and they completely cured me. I now feel as well as I ever did and would advise everyone suffering from Kidney Disease to try them."

Price 50 cents per box, or 3 for $1.25, at all dealers or The T. Milburn Co., Limited, Toronto, Ont.

In ordering specify "Doan's."

THE BEEF TRUST POLICY

NEW YORK, Feb. 26—The so-called "Beef Trust" in the United States, otherwise six great Packing Companies, and twenty-one Packers, including several multi-millionaires, have been indicated by the Grand Jury, charged with conspiracy in limiting the supply of meat and poultry.

The laws of New Jersey provide, upon conviction, a maximum penalty of three years in the penitentiary, or $1,000 fine or both

ACTION OF DAMAGES AGAINST MONTREAL.

MONTREAL, Feb. 26—An action for $10,000 damages has been taken against the city by Mrs. Poirier, on the ground that vaccine furnished by the city, is not only valueless but dangerous.

Mrs. Poirier claims that, as a result of being vaccinated by the city authorities, her young son contracted neuritis, and is now in danger of losing his left arm.

TROUBLES IN PARLIAMENT.

LONDON, Feb. 26—Asquith's extreme reticence makes judgment of the political situation a matter of great difficulty. It is easy to see by the numerous prolonged Cabinet meetings that the Government is facing a grave problem.

Several conferences have already been held, and another Cabinet Council has been summoned.

The Cabinet has abandoned all idea of reforming the House of Lords and will now direct its whole energies to limiting the veto power of the Lords.

The Government will proceed by Bill, not by resolution first and by bill afterwards, as originally intended.

This concession will not satisfy the Redmondites, because the Ministers have not decided to put the veto question before the Budget.

DOG JUMPED THROUGH PLATE GLASS WINDOW.

ST. JOHN, Feb. 26.—A rather amusing incident and one with expensive results, occurred last night about 11 o'clock, when a dog jumped through the large plate glass window in the Ottawa hotel, breaking it into about a thousand pieces. The dog had been left behind by its master, and as the door was closed it took what it evidently considered to be the only other means of exit. A very remarkable thing was the fact that the dog escaped without any serious injury to itself.
