REDUCED A HARD SWELLING.

Mr. Gus E. Geroux, writing from Pembroke, tells how he was injured in a lumber camp, "A heavy log rolled against my leg and I was laid up with stiffness and a hard swelling. When I applied Polson's Nerviline I got relief. A few rubbings with this good liniment cured me."

DUKE OF ABRUZZI WATCHED BY REPORTERS

TURIN, October 26.—Representatives of the Press are keeping close watch on the Duke of the Abruzzi, they are practically besieging the Cisterna Palace, where he resides, in the fear that he may go away without their knowing it.

Recently the Duke left the palace in a motor car. Immediately the rumor spread that he was going to board a train at a small station near Turin, and that he actually had begun his secret journey to the United States.

An excellent authority characterized the reports that the marriage of the Duke with Miss Katharine Elkins was imminent as premature, and possibly incorrect.

"IL TROVATORE" GRAND SUCCESS

The Opera House Was Well Filled Last Night to Hear the Grand Opera.

Rarely has Grand Opera been presented in this city, and never with such excellence as that presented by the Boston Opera Singers at the Masonic Opera House last night.

The best of histrionic work and elaborate scenic effects is demanded, and certainly Mr. Starling's company gave more than promised when Verdi's Grand Opera "Il Trovatore" was presented.

Francis T. Boyle, whose fame as Mephisto in Faust has preceded him, sang in splendid basso voice the small role of Ferrando, which was altogether too small to suit his audience, and an opportunity to hear him in a part more fitting his ability will eagerly be looked forward to.

Miss Belle Mallette, G. Gordon White, and C. A. Pendleton sang and acted small roles most cleverly.

Tonight, this remarkable organization will present Gounod's Faust, with the following cast: Faust—Mr. Lyman Wheeler. Mephistopheles—Mr. Francis J. Boyle.

Valentine—Signor Daniel Cantori. Wagner, a Student—Mr. C. A. Pendleton. Marguerite—Mme. Judith M. Francis. Siebel, a Youth—Miss Gretchen M. Richey.

Martha, friend of Marguerite—Miss Pearl Preston.

Do you know what's wrong? You are bilious and constipated, loaded up with bile.

The best prescription is Dr. Hamilton's Pills. Take one at night. You are well in the morning. Think of it! It's surprising what a change they make in your health.

It's surprising what a change they make in your health. Spirits improve, complexion clears up, digestion becomes good. You'll sleep better, and have no more headaches.

You'll feel immensely better by taking Dr. Hamilton's Pills. They not only cure sickness, but prevent it; they keep the blood pure and rich, free the system from germs, and disease producing matter.

You can get well and stay well if you will use Dr. Hamilton's Mandrake and Butternut Pills, 25c. per box, or 5 boxes for \$1.00, at druggists, or N. C. Polson and Co., Kingston, Ont., and Hartford, Conn., U.S.A.

We have made every effort that our stock of fall suitings should be the best in town, and if you care to know how well we have succeeded we would suggest that you call and look them over.

We think the suitings are better quality, better patterns, and better colorings than can be had in any other shop in Charlottetown.

And then—when it comes to making them up you know that our suits have the distinctive cut, that gives to the wearer that smart stylish appearance so much designed by good dressers.

If you have never worn a suit made by us, you have never had the satisfaction that only high class tailors can give you.
