BUT  
**DR. FOWLER'S  
EXTRACT OF  
WILD STRAWBERRY  
CURED HER.**

Mrs. JACOB SMITH, Manor, Sask., writes: "I am pleased to express my gratitude for your remedy in my case. I had a terrible attack of Diarrhoea. Just about every three minutes, I would have a passage, and it would keep this up for a week at a time, causing the passage of bloody water. I was so pained and weak, I could not do anything. Seeing your Dr. Fowler's Extract of Wild Strawberry recommended, I tried it, and it thoroughly cured me. It is the only medicine I will now have for this complaint."

Dr. FOWLER'S EXTRACT OF WILD STRAWBERRY has been on the market for over 65 years, and is known from one end of Canada to the other as a certain cure for all Bowel and Summer Complaints.

When you ask for "DR. FOWLER'S" be sure and get it, as there are many imitations. The genuine is manufactured by The T. Milburn Co., Limited, Toronto, Ont. Price, 35 cents.

### To All Dealers Who Handle BUTTER

We wish to point out briefly the advisability of placing butter in COLD STORAGE during the season of plentiful supply, carrying it over to the time of usual scarcity. In this way supply and demand, with corresponding prices, are more evenly balanced, resulting in profit to all concerned.

The BUTTER is held in our storerooms at an even temperature, under the most up-to-date system of mechanical refrigeration, which actually improves the quality.

Details of storage rates, with any other information possible, will be furnished on application.

We are open to purchase a limited quantity of Strictly First-Class DAIRY BUTTER, and would be pleased to hear from dealers having any of that grade to offer.

THIS WEEK AT GRAND RAPIDS.

GRAND RAPIDS, Mich., July 26—The speedy trotters and pacers that are following the big line campaign this summer turned up in full force at the local track today for the opening of the fourth meeting in the Grand Circuit series. It is generally predicted that if the weather here is favorable the meeting will be the most successful held so far this year.

A program of six days of racing and a stake offering amounting to \$19,000 has proved a strong magnet to attract the stable owners. The big stake event of the week will be the Furniture Manufacturers', for 2.12 trotters, worth \$10,000. The other stake events on the program are the Grand Rapids Railway, for 2.20 class trotters, \$2,000; the Comstock, for 2.11 pacers, \$5,000; and the Giftline, for 2.05 class pacers, \$2,000.

FASTIDIOUS BURGLAR.

NEW YORK, July 27—How a thief who entered the home of Mrs. Robert A. Grannis, Jr., in Morris Plains, N. J., had thrust aside jewels valued at more than one thousand dollars and stole a purse in which there was \$25 in cash was learned yesterday when Mrs. Grannis told of finding a message from the burglar.

The words scrawled on the back of one of Mrs. Grannis' visiting cards were as follows: "I am not looking for nothing but money and I don't want yer diamonds."

Mr. and Mrs. Grannis were on the front porch of their home on Monday evening, when they believe the thief got into the house. Mrs. Grannis found the card when she was about to retire. It startled her and she called to her husband. It was discovered that the thief had pushed aside diamonds and a watch

and chain. The only money in the room at the time was two ten dollar bills and five one dollar bills in Mrs. Grannis' purse.

The robbery was reported to the police. There have been many complaints recently from wealthy persons who live in the same neighborhood. Some of the residents who have left the place for the summer have engaged special watchmen as caretakers. In instances of which thieves robbed the homes of Mrs. L. Y. Gillespie, Joseph D. Ogden, Charles Scribner and George A. Sanford they apparently wanted anything they could get.

dispute between the Norton Griffiths Co., which is doing the Courtenay Bay work and the Norton Griffiths Dredging Co., sub-contractors on the dredging have got into the courts here and a big legal battle is anticipated. The dredging Company's Mr. Martin was taken away from St. John on Saturday and is said to be at Eastport, Maine.
