MONDAY

WEDDING BELLS.—A pretty wedding took place Tuesday, Nov. 20th at St. Dunstan's Cathedral, when Miss Clare Croken, daughter of Mr. and Mrs. John Croken, Emerald became the wife of Mr. George Carver, son of Mr. George J. Carver, Charlottetown, the bride, who was attired in a suit of nigger brown, with hat to match was attended by Miss Anna Kelly, while the groom was ably supported by Sgt.-Major J. E. Trainor.

WAS KILLED IN ACTION.—The Wesleyan says:—The many friends of Rev. Dr. Maclean, former editor of the Wesleyan, will learn with much regret of the death at the front of his gifted son, Major (Dr.) Walter Maclean. He was graduated with high honors from Dalhousie Medical College about a dozen years ago and was practising at Glace Bay, C. B., where he was held in highest esteem when the call for service came to him. Rev. Dr. and Mrs. Maclean are now resident in Winnipeg.

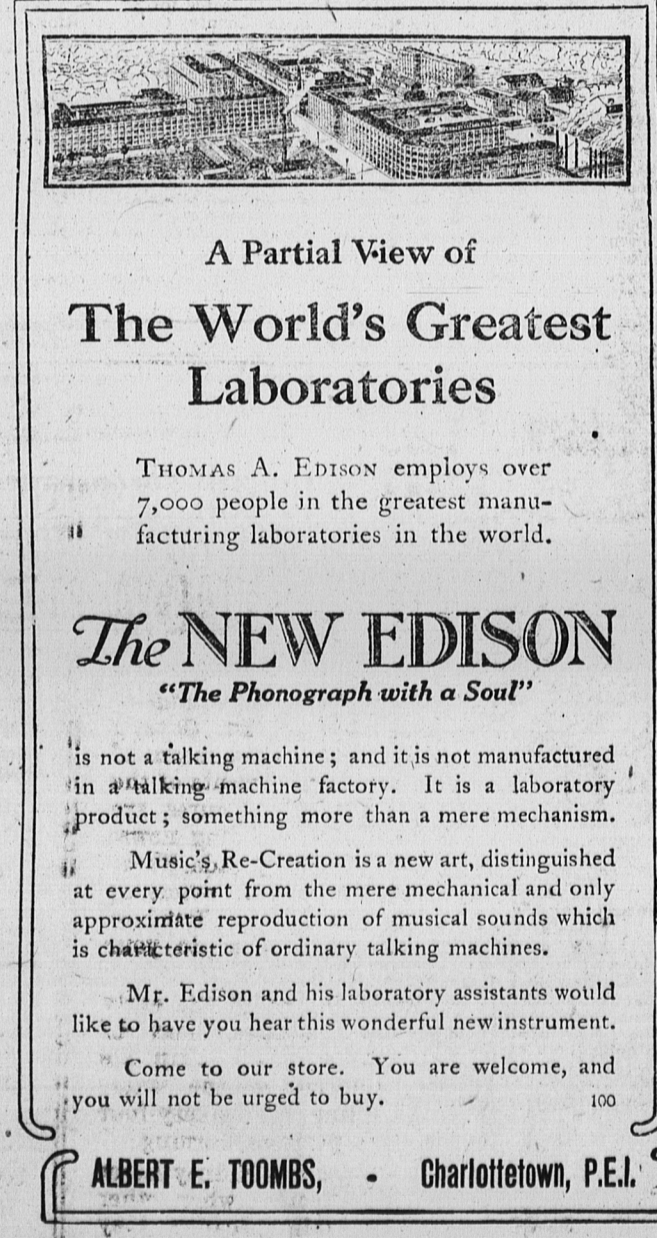

FIRE AT MALPEQUE.—About five o'clock Saturday evening fire broke out in a large barn owned by Mr. James Donald, completely destroying the building which consisted of 6 cattle, one horse, 1,500 stooks of oats, 200 stooks wheat, 20 tons hay and a Holloway gasoline engine. The fire was caused by an explosion of gasoline. Mr. Donald's loss is heavy, as the barn was large, 100 feet by 30 and built only last summer. There was only \$500 insurance. The whole community sympathizes sincerely with Mr. Donald in his heavy loss.

KILLED IN ACTION.—The sad news has been received by his widowed mother, Mrs. John A. Sharp of Summerside, that her gallant son, Private George Walsh Sharp, was killed in action on November 5th. This brave Summerside boy, who was only 24 years of age at the time of his heroic death, was in the west when the war broke out and he immediately enlisted in Edmonton. After training at Valcartier he crossed to England with the First Contingent in October, 1914, and went in the trenches in Flanders with the gallant 4th Battalion in February, 1915. Two months later, on April 22nd, he was wounded in the right arm at the terrific battle of Langemarck where the 4th Battalion won much distinction. He was then offered his discharge, and would have been one of the first wounded wanted to continue to do his bit and succeeded in getting a post in the Canadian Military Pay Office in London in the hope that he would get back to the front. After faithfully performing his duties there for a year, he again volunteered for active service and after another course of training rejoined his old battalion in the trenches last February. Since then he had fought in all the engagements in which the Canadians have covered themselves with glory and had come out uninjured up to the moment of his death. He gave up an excellent position in the Railway & Telegraph Department of the government of Alberta to serve his country, which he has most nobly done, to the end. Before going West he was on the staff of the Canadian Bank of Commerce at Summerside and later at Antigonish. There are left to cherish the memory of his heroism and sacrifice his mother, four brothers and three sisters, namely: Mr. J. Ludlow, of Summerside; Dr. J. Claud of Edmonton; Dr. Albert D. physician in the Montreal General Hospital; Richard, now studying at the Baltimore Dental College; Miss Zilpha, at home; Mrs. James A. McKinnon, of Edmonton, and Miss Marion Julia, who went over to France in December, 1914, as a nursing sister and is now serving in England in that heroic capacity with the rank of Lieutenant. To them the deep sympathy of the community is extended in their sorrow.

REV. MR. DAWSON RESIGNS.—Rev. J. L. Dawson, B. A., president of the N. B. and P. E. I. Methodist conference has had a partial breakdown in health, which necessitated his resigning his appointment for the remainder of the year. His predecessor, Rev. Thos. Hicks, of St. Andrews, will fill the position until the coming meeting of the conference in June. Mr. Dawson will also resign his office as president of the Charlottetown district, but will continue his work on the Little York circuit. P. E. I. The Rev. George Steel of St. John obliquely filled the appointments of Mr. Dawson last Sunday, as the health of the latter would not permit him to attend to his duties says the St. John Globe.

THE MCLEAN KILTIES.—It was officially announced through the Chief Press Censor's office on Wednesday that the 236th Kilties had arrived safely in England under Lt.-Col. P. A. Guthrie, officer commanding. This unit was formerly known as the 236th New Brunswick Kilties but later changed to the McLean Kilties of America. The battalion contains several P. E. I. boys including Mr. Wm. K. Delaney of Kensington who has a commission. Mr. Percy Keenan of Charlottetown. Mr. Woods from Kings County and several others. The 236th Battalion, McLean Kilties of America, is perhaps the most cosmopolitan of all the regiments mobilized in Canada during the war. In its ranks are representatives of every province in Canada and of twenty-one states in the American Union. These men come from widely distant points, the Yukon on the north, California on the west, Florida on the south, and Cape Breton on the east. The cities of Boston, New York and Chicago contributed large quotas of recruits, some of whom were prominent artists on the vaudeville stage. Over 600 of the officers and men came from parts of the United States. The battalion spent the summer at Valcartier and Quebec and later at Montreal. Here it held its last parade before going "elsewhere" and it made a strong impression, being considered by many one of the best to leave Canada.

WEDDING BELLS.—On Nov. 6, St. Paul's church, Sturgeon, was the scene of a very happy event, when Mr. Patrick Kenny, a most distinguished and prominent young man of St. Teresa's was united in marriage to one of Sturgeon's most highly respected young ladies, Miss Mary Landrigan, daughter of Mathias Landrigan. The ceremony was performed by the Rev. Theo. Gallant. The bride was attended by her sister Miss Margaret Landrigan, while Mr. Andrew Joe Mooney, St. Teresa's was groomsmen. The bride was attractively attired in a suit of Russian green all wool serge and wore a beautiful white plush hat, while the bridesmaid was a blue silk dress and hat to match. After the conclusion of the Nuptial Mass the very happy party went on a pleasant drive through the country, thence to the bride's home where they with Rev. Theo. Gallant and a few invited relatives and friends enjoyed a most savoury dinner. After dining Pacher Gallant addressed the happy pair with a few very kind and encouraging words which were much appreciated. They were entertained with music by Rev. T. Gallant and Mr. William Murphy, the well known violinist. After which the bridal party and friends drove to the groom's home where a large crowd assembled and merrily whiled away the night with dancing and other amusements. After a night of unequalled pleasure, the guests departed leaving numerous beautiful presents and wishing Mr. and Mrs. Kenny a long and happy wedded bliss. The groom's present to the bride was a beautiful set of furs and to the bridesmaid a gold chain and pendant. The groom's brother Mr. Billy Kenny an athlete of New York was present at the wedding. His many friends regret his short visit as he is one of the jolliest sort.

The first of a series of meetings of fox breeders with the Fur Sales Board was held Tuesday night at Alberton.

It was well attended by ranchmen, the purpose being to discuss the future marketing of pelts.

The Fur Sales Board was represented by Mr. Chester McLure, the Manager, and Mr. E. R. Brow, President of the Fox Breeder's Association.

Mr. McLure gave an account of his work for the past season, touching on the difficulties he encountered, and the experience gained. It was quite evident from his remarks that he had completely mastered the problem of placing fur product at such times and on such markets as would produce the best results, and that no individual seller without this knowledge of the markets could get full value for his furs.

Question after question was asked and all answered to the satisfaction of those interested.

Evidently the Fur Sales Board has won recognition from the best furriers of the world. In fact the very best element in the fur trade is in favor of our system of co-operative marketing as Mr. McLure produced letters from a score of different furriers approving of the method that the fox breeders and Fur Sales Board of this Province were endeavoring to carry out. The Fur Sales Board has also attracted the attention of ranchers throughout the Dominion, and these are anxious also to co-operate with the Board.

As showing how united and enthusiastic in support of the Fur Sales Board's plans the following resolution was moved and passed unanimously: "Whereas it is the opinion of former contributors to the Fur Sales Board, and of other fox breeders now assembled at Alberton, that the services of the Board have been of very great value to the industry during the past two seasons, it is therefore resolved that we, without hesitation agree to support the Board the coming season and recommend other ranchers to do likewise, under such arrangements as may be made before the next fur season opens."

THE MEETING AT SUMMERSIDE

A meeting of the fox breeders in conjunction with the Fur Sales Board was held in Summerside on November 14th. The meeting was attended by the largest interests in fox breeding. The main object of the meeting was to discuss the future co-operative marketing of pelts.

The Fur Sales Board was represented by Mr. Chester McLure, and also attracted the attention of the Fox Breeders' Association by the President Mr. E. R. Brow. Mr. Frank F. Tuplin was chairman of the meeting.

Considerable discussion was carried on by those attending, and many questions of the details of the Fur Sales Board were taken up. Every question asked by the contributors was answered most satisfactorily, and had the effect of creating confidence in the organization of the Fur Sales Board.

The following resolution moved by J. LeRoy Holman, seconded by Edward W. Manson, was unanimously carried: "Resolved that this meeting go on record as being in favor of the continuance of the Fur Sales Board, working on a basis of not more than 5 per cent commission, with the understanding that the Provincial Government be asked to give financial aid to the Fox Breeders' Association."
