ON TUESDAY EVENING JAN. 8, Mrs. Edson Rollings and Mrs. Blair Rollings entertained the Anglo Rustico W. I. for its regular monthly meeting. The Vice Pres., Mrs. Paige Nunn presided and the meeting opened with the "Ode" and "Creed".

Twelve members responded to roll call with a childhood picture, which later was used as a contest. There was a visitor present. The minutes of last meeting were read and approved. Correspondence was read and consisted of a receipt for money sent to T. B. Leue also two letters of thanks.

All bills on motion were paid. Squares for quilts were sent to members to work. Mrs. Nunn kindly offered to see about getting material for the Regular small quilt. Report of committees were heard. Sick Committee reported three boxes sent to sick at Christmas. Also treat given to school children at school concert. Another pleasing feature at Christmas was the presentation of a silver plate and a dish to our retiring secretary by Mrs. James L. LaPeyre, an untiring interest and faithfulness.

No report from school committee.

New Committees were then appointed. Sick—Mrs. Edson Rollings, Miss Elia Semple, School—Amy Toombs.

Program for next month is to be a nook community concert, each member to contribute a number.

An interesting discussion led by Mrs. Walter Buntin on a questionnaire sent by Mrs. Ross then took place and was duly filled in.

The next meeting will be at the home of Mrs. John L. Clark. Roll call an original valentine.

Collection was taken and part of meeting closed with the National Anthem. Two interesting contests were enjoyed. Refreshments were served while a pleasant social hour was spent.

Annual Meeting Central United Church

Central United Church, Marshall-Dunstaffnage, held their annual meeting on Jan. 15th with a good representation present. The pastor, Rev. J. Nicholson occupied the chair.

Financial reports were heard from officers of all the different branches and departments of the church. They were all very encouraging, and very creditable to those responsible, each report showing a substantial increase over last year and well over their allocations.

The most encouraging was the treasurer's report of the whole congregation showing an amount which surpasses all previous years and making it the banner year in the history of the church. This reflects credit on the spirit of the people as well as on the supervision and leadership of the pastor, who has always taken a keen interest in everything pertaining to the welfare of the community.

A few years ago, due to the depression, the church was carrying quite a deficit and paying a reduced salary, but of late years the deficit and the standard salary and the standard salary for the pension fund going to the head of the United Church of Canada has been met.

Central Church is also a branch of a self-sustaining circuit. A new modern and up-to-date water and bath system was also installed in the Parsonage during the past year.

Worthy of special mention is the Young People's Union which has been taken an active part in church work. Among other things, since church union came into effect, they purchased a new organ which was one of the best obtain-
