ENO PEPS UP THE WHOLE SYSTEM

People who are half-well, half-sick most of the time only exist. To really live, you must be well. And to be well you must eat Eno's Fruit Salt. It is a natural food and it is a natural stimulant of the system, which causes most human ailments.

Drastic purgatives and harsh mineral salts, of which Eno has no trace, aggravate the condition. Eno's "Fruit Salt" regulates, gently, effectively—normally. It tastes good and forms no habit.

Life today calls for Eno's "Fruit Salt". If you want to feel like a million, take a dash of Eno in a glass of water morning and night for a few days. No griping, no nausea. Eno refreshes, sweetens the stomach, and there isn't an atom of harshness or harm in a carload.

Health Run Down Housework A Burden

Nature intended women to be strong, healthy and happy instead of sick and miserable, but it is any wonder that when they are run down in health they become nervous and irritable, weak and worn-out, and the lightest household duties seem a drag and a burden?

Milburn's Health and Nerve Pills are a remedy that all nervous, tired-out, weary women should take to help them back to the blessing of good health, and when this is done their household duties will be a pleasure instead of a burden.

Mrs. A. K. McLEAY, Pleasantfield, N.S., writes:—"A short time ago I was in a badly run down and nervous condition. I got so that my household became a burden to me. I started taking Milburn's Health and Nerve Pills, and now I feel like a different person, and again am able to do all my own housework."

Hereafter I shall always recommend H. & N. Pills to my friends."

How Many Dollars In The Safe?

20 Cash Prizes For Best Answers

The number of dollars in the safe is the sum total of the figures shown in the picture. These figures are 1, 2, 3, 4, 5, 6, 7, 8, 9 and 0. WHAT DO ALL THESE FIGURES ADD UP TO?

NOTE—None of the heavy lines forming the outline of the safe, nor the light lines showing the edges of the safe, is to be considered a figure, nor is the handle of the safe to be considered a figure.

This Contest is Sponsored by The Charlottetown Guardian.

All prizes are guaranteed by The Charlottetown Guardian to which all correspondence should be addressed.

20 Prizes Offered

For the correct, or nearest correct, solution, cash prizes as shown below will be paid:

1st prize	----- \$15.00	6th Prize	----- \$1.00
2nd prize	----- 10.00	7th prize	----- 1.00
3rd prize	----- 4.00	8th prize	----- 1.00
4th prize	----- 3.00	9th prize	----- 1.00
5th prize	----- 2.00	10th prize	----- 1.00

and 10 more prizes of 50c each. Twenty prizes in all.

CONDITIONS

Rule 1—The competition closes July 31, 1938. All solutions to be considered must reach the Charlottetown Guardian by that time.

Rule 2—Any daily subscriber who is paid in advance of Dec. 31, 1938, is eligible to compete for the above prizes. Also any and all members of the subscriber's immediate family, living in the same house, are eligible to compete. No money need be sent with the solutions, but see Rule 5 regarding double prizes. All new correspondents are considered eligible under this rule.

Rule 3—Any subscriber who is in arrears may compete on condition that the arrears are paid and the subscription renewed to some date in 1938. Such persons should immediately write to or call at the office of Guardian to learn the amount of the arrears payable. Any and all members of such a subscriber's family may compete also when the subscriber has paid the arrears and renewed into 1938.

Rule 4—Anyone not eligible under Rule 2 and not becoming eligible under Rule 3 may qualify for competition by sending in his or her new subscription, and this shall also qualify any and all of the members of his or her immediate family living in the same house.

Rule 5—Every competitor, already qualified under Rule 2, 3, or 4 may, if he or she so desires, qualify the entry for a chance to win DOUBLE the amount of the prize that he or she would have won. To so qualify the entry it is necessary to have it accompanied by a new subscription. Thus if a person, qualified under Rule 2, sends in a new subscription with the entry and wins first prize that prize will be \$30.00 instead of \$15.00. A subscriber in arrears would have to pay all arrears, renew into 1938, and send in a subscription for someone else in order to qualify for a chance to win DOUBLE prize. A person not now a subscriber would have to subscribe himself, and also send in a new subscription for someone else in order to qualify his entry for a chance to win a DOUBLE prize. It is not obligatory to qualify under Rule 5, but such qualification gives a contestant a chance to win DOUBLE the prize that otherwise might be won.

Rule 6—Each competitor, by sending in his solution, agrees that the decision of the judges be indisputable and final.

Rule 7—All solutions must be sent on the printed form below.

Rule 8—In cases of a tie, the prize will go to the one who had sent in a new subscription with his or her solution, in accordance with Rule 5. If those who tied have both or all sent in new subscriptions, then the prize will go to the one whose subscription on which he or she became eligible is paid farthest in advance in the year 1938 or 40. If both or all are paid in advance of Dec. 31, 1940 then the money will be divided evenly among those tying for the prize.

Cut out this form along the border lines, fill in and mail early to the Charlottetown Guardian, or bring it to this office.

Solution How Many Dollars Competition

(a)—My solution of the number of dollars in the safe is -----

(b)—I am eligible for the competition on the subscription addressed to the following subscriber:

(c)—Amount enclosed on account of the above subscription, \$ -----

(d)—New subscription. Name ----- Address -----

Second new subscription. Name ----- Address -----

Amount enclosed for new subscriptions, \$ -----

Name of contestant ----- Address -----

Date ----- 1938

NOTE: Sections (c) and (d) are for use only if subscription is not paid in advance of Dec. 31, 1938, or if sending in one or two new subscriptions. All new subscriptions must be paid for at least one year.

WAKE UP YOUR LIVER BILE

And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You get constipated. Harmful poisons go into the body, and you feel sour, sunk and the world looks punk.

A mere bowel movement doesn't always get at the cause. You need something that works on the liver as well. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and snappy". Harmful and greasy, they make the bile flow freely. They do the work of a catalyst, have no calomel or mercury in them. Ask for Carter's Little Liver Pills by name! Stubbornly refuse anything else. 25c.

NOTICE
