

# The Perils of Old Pepys

Living in the 17th century was dangerous

(Sept. 19, 1662)—At night I walked with three or four to guard me—it being a joy to my heart that people should of themselves provide this for me. I bear this walk is dangerous by night.

(May 11, 1663)—On foot, I was set upon by a great dog who got hold of my garters and might have done me hurt, but Lord! to see what a *maze* I was that, having a sword about me, I never thought to use it.

(June 30, 1664)—Walked back all alone. Saw a man that had a cudgel in his hand and though he told me he labored in the King's Yard, and many other good arguments that he is an honest man, yet God forgive me, I did doubt he might knock me on the head with his club.

(July 11, 1664)—About 11 o'clock, knowing what money I have in the house and hearing a noise, I began to sweat worse and worse till I melted almost to water. Then I understood it was only a dog!

"Long talking with my wife," wrote Pepys on one occasion. "What she should do if I should by accident die!"

Living in the 20th century is more dangerous!

True, its perils are different—swift transport—air flight—machinery—the pace that kills!

Pepys couldn't insure his life—YOU can

President's Report  
The Borden Women's Institute has held 12 regular meetings and 7 special meetings, with an average attendance of 3 members. Our ways of making money in this was by 19 whist parties, 2 panty sales and 1 chicken supper. We also had two dramatic clubs stage plays for us, one Indian River and Victoria. We made a quilt and lotteried it. We had a cushion given us to lottery by which we made a snug sum of money. Total receipts for the year \$399.17. Our expenses, \$331.25, leaving a cash balance of \$67.92. The sick committee has taken fruit and drinks to the sick and sent flowers and masses to deceased friends. \$5.00 was sent to each orphanage for New Years. We also sent a donation of \$5.00 for the New Electric Elevator at Prince County Hospital. We had had our Institute incorporated this year. Two delegates were sent to the annual convention in Charlottetown. Our Institute took part in the District Convention at Bedoune. Our picnic this year was a very much enjoyed trip to Charlottetown. We have bought a number of card tables, chairs, 10 packs of cards, new dishes, which we use at our whist parties. We had a Christmas tree for the school children and a very much enjoyed visit from Santa Claus, each pupil receiving a prize and candy. Much credit is due Miss Muttart and Mr. MacCallum for the way in which the school concert was put on. Thanking all the members for the way in which they worked to make this year such a wonderful success.  
MRS. WM. MACINNIS  
President.
