

Buster has a Soothing Smoke

RESOLVED.
 THAT SMOKING HAS A SOOTHING EFFECT UPON THE MIND AND ASSISTS THE BRAIN TO WORK OUT SCHEMES AND PROPOSITIONS THAT ARE IMPOSSIBLE OF PRACTICAL REALISATION - YOU THINK EVERYTHING IS QUITE EASY WHILE YOU ARE SMOKING. BACHELORS SMOKE, BUT MARRIED MEN LOOK AFTER THE BABY. SMOKING KEEPS A MAN AT HOME, BUT IT TAKES A BOY OUT WHERE HIS MOTHER CAN'T SEE HIM. GIRLS SMOKE SOMETIMES, BUT THAT'S ONLY BECAUSE THEIR FATHERS DON'T BUY THEM A PAIR OF TROUSERS. THEY DON'T LIKE SMOKING, BUT WANT TO LOOK LIKE A MAN. - B. B.
