A TRUE NERVE TONIC
acts not so much upon the nerves themselves, as upon the digestive function, and the abundant formation of rich red blood. The nerves cannot be fed on medicine. They can be fed and strengthened by digested and assimilated food. Ferruzone's marvellous action arises from its power over the digestive and assimilative functions of the body. You take it, the blood grows richer, redder. You feel strength and vigor, digestion ceases to be noticed, for it has become good. Work is easier for you have the strength to do it. In a short time you have health. Use Ferruzone.

FREEDOM OF OUR FLAG.
OTTAWA, September 2.—Many priests, who have been expelled from France, are taking up their residence in Ottawa. They are principally Capuchians and Oblats. Dominicans, however, intend taking up their residence at Lewiston, Maine.

NOTICE TO FARMERS.

We beg to inform you that we expect to be ready to receive hogs here about Sept. 20. We want nothing but well fed finished hogs, weighing dressed from 125, 225. For this class we will pay highest market rates. To enable us to pay good prices for good hogs we can only receive rough coarse, thin and light poor hogs at a very decided discount (in fact we don't want them). It is in the interest of both farmer and packer, that only the best stock should be marketed and we trust, we will have your support in this matter. In the past there has been too many poor, thin hogs.
Yours Truly,
DAVIS FRASER.

Since last term, every department has been strengthened, many new Typewriting machines secured and one thousand feet of sitting capacity added. Students are assured of the very best in a Business Education that a long experience and first-class teachers can give. No other college in the province has better facilities, and the student has the satisfaction of attending a college thoroughly established in the confidence of those who employ skilled labor. It is no experiment. Our graduates are almost everywhere (enjoying good positions) and are always anxious to assist a C.B.C. in getting employ. NOW is the time to enter for a FULL or PARTIAL course. Time tide and opportunity wait for no man. Should a good position present itself to you to-morrow are you qualified to fill it? If not, is it wisdom to delay getting an education such as can be had at the Charlottetown Business College. Consult your interests by writing or applying At Once for full information to
