

DOCTOR ADVISED AN OPERATION

Head Alberta Woman's Experience with Lydia E. Pinkham's Vegetable Compound

Protest, Alberta. "Perhaps you will remember sending me one of your books year ago. I was in a bad condition and would suffer awful pains at times and could not do anything. The doctor said I could not have children unless I had an operation. I read testimonials of Lydia E. Pinkham's Vegetable Compound in the papers and a friend recommended me to take it. After taking three bottles I became much better and now I have a bonny baby girl four months old. I do my housework and a little with the chorea. I recommend the Vegetable Compound to my friends and am willing for you to use a testimonial letter."—Mrs. A. A. LANG, Box 54, Provost, Alberta.

Pains in Left Side

Lachine, Quebec. "I took Lydia E. Pinkham's Vegetable Compound because I suffered with pains in my left side and back with weakness and my troubles women so often have. In this way about six months, I saw the Vegetable Compound advertised in the 'Montreal Standard,' and I have now four bottles of it. I was a very young woman and I feel so much better I did not without it. I also used Lydia E. Pinkham's Vegetable Compound and the medicines to my friends and am willing for you to use a testimonial letter."—Mrs. M. W. ROSS, Notre Dame St., Lachine, Quebec

AUSTIN CURLEY

The angel of death visited the home of Mr. and Mrs. James Curley, and claimed for his dear and dearly beloved son, Austin, at the early age of twenty years. On Sunday morning, Sept. 14th, surrounded by the members of family and sorrowing friends, passed quietly away in the arms and assurance of a glorious martyr. During an illness of several weeks which he bore with exemplary resignation, to the relief of his mother, the consolation being attended by his pastor, F. McDonald, of Freetown, and fortified by the last rites of church, of which he was a devoted member. His cheerful and kind disposition combined with his upright and intelligent character for him the love and respect of a large circle of acquaintances, who join with us in lamenting his early demise. His funeral, which was largely attended, took place from his home, Sept. 8, to the R. C. cemetery at Freetown, there to await resurrection. The pallbearers were Walter, Wilfrid and Joseph Curley; Earl Murray, Thomas Hamill, Leonard McCarville.

I. O. F. Meeting

Court Lennox No. 3094, Independent Order of Foresters, held a regular organization meeting in the York Hall on Saturday night, Sept. 12.

Considering the inclemency of the weather and the darkness of the night the meeting was very enthusiastic and fairly well attended.

Chief Ranger B. C. Hardy opened the Court in regular order, and although this was the first open meeting since 1919, showed that he had forgotten none of his skill in handling the same.

After the regular routine, Organizer R. H. McNeill handed the Recording Secretary, B. A. Brown, five new applications for membership, viz., Dr. J. E. McDonald, Mrs. A. Ferguson, Roland Phillips, Everett Lamont and Harold Watts; also two requests for \$1,000 each in increased insurance on the 100% plan. After acting in the usual form on these applications, the candidates were regularly received and obligated into the mysteries of the I.O.F. by the organizer in proper form.

He also announced that quite a few others would be received in the near future. Hopeful aspirants were then given their deliv'ring addresses were then delivered by Bros. Hardy, Brown, Foster, Stewart, Dr. McDonald, Phillips and McNeill. The addresses of the older members showed that members of Court Lennox are holding high positions in different parts of the world. They also recalled pleasant memories of good and kindly deeds carried out by the Order in the days that are past and pointed with pride and bright anticipation to the future of a society whose best claim to the loyalty of its membership and support of the general public exists in the fact that already in the 50 years of its existence it has the proud honor of distributing eighty-nine millions of dollars to its widows, orphans, sick, disabled and old-aged members.

A great revival of interest in this grand old Order is manifest in the fact that nearly 50 new members have been received into the Courts in Charlottetown, and requests for the service of the organizer are being received from different sections of the Province.
