

# DARED NOT GO TO BED.

Smothering Feeling and Palpitation, Together with Rheumatic Pains, Rendered Sleep Impossible.

Miss Mabel Jackson, 78 Huron Street, Toronto, made the following statement: "Milburn's Heart and Nerve Pills cured me of serious heart trouble of three years' standing. My physician said my heart trouble was caused by rheumatism. It was with great difficulty that I could go upstairs, or even walk a short distance, because such exertion set my heart palpitating so violently that it made me positively sick. I could hardly breathe and suffered greatly from smothering, often so badly that I dared not go to bed, and had to walk the floor all night for fear of suffocating. I became terribly nervous and weak, and was in a bad state, indeed, when I began taking Milburn's Heart and Nerve Pills.

"My rapid recovery was a surprise to myself, as well as to all my friends. For months since I have not had the slightest trouble with my heart: I sleep well, my nerves are strong and healthy and not subject to any starting. I walk as well as ever I did. The good effects of these pills have been a boon to me, not only because they rescued me from a condition of misery, but because their effects have been lasting. I am as well and strong to-day as ever I was in my life, although I have not used any of the pills since they completed their marvellous cure months ago."

Milburn's Heart and Nerve Pills cure palpitation, fluttering, throbbing, dizzy and faint spells, nervousness, sleeplessness, pale and sallow complexion, weakness, debility, female troubles, etc. Sold by all druggists or sent by mail on receipt of price, 50c. a box or 3 boxes for \$1.25. ### TERRIBLE HEADACHE

Accompanies Each of These Sweltering Hot Summer Days.

It is Caused by Imperfect Digestion Which Makes the Nerves Weak and Shaky—Dodd's Dyspepsia Tablets the Cure.

These hot, sweltering days are blamed by many people for making their heads ache. The accusation is unjust. The heat does not cause headaches. This is how they are caused, in the great majority of cases. The stomach is "out of order." The food is not properly digested, consequently, the nourishment supplied to the blood, muscles, tissues and nerves, is thin, weak and impure. Now, you cannot be healthy if you eat unwholesome food. Neither can your nerves. They break down and you are laid up with a "splitting headache." If, in the first place, the stomach has been in proper order, it would have digested the food perfectly. Then the nerves would have been nourished on pure, rich blood, and would have had strength and health to do their work. The way to cure this splitting headache is to put the stomach in condition to digest the food properly. There is one way to do this. There is one remedy that can be absolutely and confidently depended upon to do this. That remedy is Dodd's Dyspepsia Tablets. Dodd's Dyspepsia Tablets do more than this. They digest the food, while the stomach is being restored to health. They cure headache by ensuring strength, force and vitality to the nerves. They do this by making digestion perfect, and so feeding the nerves on pure, rich, cold blood. Dodd's Dyspepsia Tablets are sold by all druggists at fifty cents a box, six boxes \$2.50, or sent, on receipt of price, by The Dodd's Medicine Co., Limited, Toronto.

### A SISTER'S HELP

#### BROUGHT RENEWED HEALTH TO A DESPONDENT BROTHER.

His Health Had Failed and Medicines Seemed to Do Him No Good—Where Others Had Failed, Dr. Williams' Pink Pills Met With Great Success.

Dr. Williams' Medicine Co.:— Gentlemen, A few years ago my system became thoroughly run down. My blood was in a frightful condition; medical treatment did no good. I surfeited myself with advertised medicines, but with equally poor results. I was finally incapacitated from work, became thoroughly despondent, and gave up hope of living much longer. While in this condition I visited my father's home near Tara. A sister then and now living in Toronto, was also visiting at the parental home. Her husband had been made healthy through the use of Dr. Williams' Pink Pills, and she urged me to try them. Tired of trying medicines, I laughed at the proposition. However later on she provided me with some of the pills and begged me to take them. I did so, and before I had used two boxes I was on the road of restored health. I am commending their good qualities almost every day I live because I feel so grateful for my restoration, and I have concluded to write you this letter wholly in the interest of suffering humanity. I am carrying on business in Owen Sound as a carriage maker. This town has been my home for twenty-eight years and any one enclosing a reply three cent stamp can receive personal indorsement of the foregoing. This much to satisfy those who cannot be blamed for doubting after taking so many other preparations without being benefited. You may do just as you like with this letter. I am satisfied that but for Dr. Williams' Pink Pills I would not be able to attend to my business to-day. Perhaps I would not have been alive. Yours very sincerely, FREDRICK GLOVER.

Diarrhoea Dysentery, Cramps, and Colic come on without a moment's warning.

Everybody should be prepared for such an emergency as this with a bottle of Dr. Fowler's Extract of Wild Strawberry. You cannot tell when you yourself or some member of your household may need its timely assistance. Mrs. Geo. West, Huntsville, Ont., speaking of this great remedy says: "I have used Dr. Fowler's Extract of Wild Strawberry in my family for years and can highly recommend it for Summer Complaint, Diarrhoea, Cramps, etc." That is the universal note of praise that comes from thousands of Canadian homes where Dr. Fowler's Strawberry is always kept and recognized as a remedy that can be relied on to promptly check and cure Diarrhoea, Dysentery, Cholera Morbus, Cholera Infantum, Cramps, Colic and Summer Complaint. ### THIS CERTIFICATE Brings Forth a Story.

Bilkey has for months been deteriorating, and that he is now suffering from severe nervous prostration, and urgently requires immediate and prolonged rest. J. W. McLaughlin, M.D., A. Beith, M.D., L. Holland Reid, M.R.C.S., etc.

### THIS INTERVIEW TELLS IT.

A reporter called on the Rev. R. A. Bilkey, rector St. John's (Episcopal) Church, Bowmanville, Ontario, during a church function, and on congratulating him on the great change for the better in his appearance, the reverend gentleman said, "It is due entirely to Dr. Ward's Blood and Nerve Pills.

"I suffered for over three years from extreme nervousness, weakness and prostration, and could not obtain relief. A few months ago it became only too apparent that extreme nervous prostration had set in, as I lost flesh and appetite rapidly. Three of our four medical men pronounced me in urgent need of immediate and prolonged rest in order to build up my nervous system, giving me a certificate to that effect. About this time, by pure accident, Dr. Ward's Blood and Nerve Pills were brought to my notice. I decided to try them, and on doing so a decided change for the better took place at once. I have since continued taking the pills, with continued and marked benefit and improvement. My appetite has returned. I am gaining in flesh steadily, and my general health is now good. Further, I am sure that these results are due to the action of Dr. Ward's Blood and Nerve Pills, and I have every confidence that they will do for others all that they have done for me."

Dr. Ward's Blood and Nerve Pills are sold at 50c. per box, 3 boxes for \$1.25, or by mail on receipt of price by the Dr. Ward Co., 12 Victoria Street, Toronto. Book of Information free.
