### THE CAPITAL OF THE WEST

S. O. E.—Members of Hanover Lodge will please remember that the regular meeting, will be held this evening at eight o'clock sharp.

At the instance of H. A. Leslie, Kensington before Stipendiary Wright in Summerside yesterday William Waddell and Archibald Martin of Mount Tryon were each fined \$50 and costs for violation of the C. T. A.

This evening at the residence of the bride's parents the nuptials of Miss Edith McKinnon and Samuel Kennedy, Bradalbane, will be solemnized at Fredericton. The marriage will take place at 7.30 p. m., Rev. D. McLean officiating. The bride will be attended by Miss Janie McKay, Bradalbane, while the groom will be supported by his brother, William Kennedy, Summerside. There are a large number of invited guests who will take part in the wedding festivities. A great many valuable gifts testify to the popularity of the happy couple. With their many friends The Guardian joins in extending congratulations and good wishes.

On the evening of Jan. 11th, Evening Star Social Club held its first anniversary at the residence of Christopher Metherall Esq., Mill River. Ira Harby, president, occupied the chair. A number of invited friends were present. A long and interesting program, consisting of a short address, songs, dialogues, recitations and readings were excellently rendered. Arthur Barbour's gramophone performance was an unexpected but much appreciated feature of the entertainment. This society meets at homes of members on invitation. It was found necessary to limit the membership to forty on account of lack of accommodation. The club is in a flourishing condition, the membership roll being full. It has been the custom to have a debate and an entertainment alternately and as Jan. 11th was anniversary night special efforts had been made to have an extra good entertainment. A kindly disposed person intends running a line of bushes across the river to the Mill River shore, to prevent the possibility of certain young men getting astray while returning home late at night.

**BLOOMFIELD NOTES.**—We are pleased to relate that Nemiah Fox of this place who is at present undergoing treatment in the P. E. I. Hospital, Charlottetown is rapidly improving. Mr. Fox is well-known and respected in this locality being the father of the brick industry here.—Joseph Gallant, compounder of the famous Home Remedy—[Gallant L'niment] has rented half of his double tenement house to Joseph Leclair, Bloomfield Corner. We understand it is Mr. Leclair's intention to start a hotel in modern style—a thing much needed for the accommodation of the travelling public.—John A. Matheson, Inspector of Fisheries was here last week in the interests of his department. Mr. Turner representing Dodd & Rogers, Charlottetown wholesale hardware was here on Friday 1st. Michael McMillan met with a serious loss by the death of his famous trotting mare "Sequill." This was a valuable beast having led in many of our local races. Taking sick very suddenly she died before a veterinary could be procured. A bulletin board has been provided at our station on which the movements of our winter steamers, mails, etc., are posted daily. This is a great accommodation to the public. To those instrumental in obtaining this we extend our hearty commendation. It would be well if all telegraph stations along the line be so provided that the public may receive the desired information in a convenient manner.—COM.

**THE SAND BY-LAW.**  
"Sprinkle ashes, sprinkle sand!"  
(Thus the Council gave command)  
"So that all may keep their feet  
As they walk the icy street,  
So that when they touch the glare  
None may fall, or fan the air,  
None may break their bones or swear—  
Sprinkle ashes, sprinkle sand."  
And a few of faithful souls  
Gathered ashes from the coals  
Spread the ashes o'er the ice  
('Twas a service beyond price)  
People blessed the faithful souls!  
But of these there were not many,  
And in fact were hardly any,  
Who obeyed the great command  
Of the Council, "Sprinkle Sand."  
So the people slipped, as I did  
As above the ice they glided,  
And 'twere pitiful to tell  
How the old ones often fell,  
Down with many a shriek and yell  
And too often did their groans  
Tell the tale of broken bones  
Of bruises and of pains  
And of scratches and of sprains,  
One old headless wig was lost  
And a lady's teeth, the cost  
Of which was fully ten good dollars  
And alas, there's worse that follows,  
For with many falls and lurches  
As they went to fill the charcoles  
Sunday morn and fell again,  
Even the deacons grew profane  
And the number of the gliders  
Filled the churches with backsliders!  
So the evil growth pressing,  
Very sad and most distressing;  
For it leads to such transgressing.  
Oh, my brethren! Save the land!  
Sprinkle ashes, sprinkle sand!

### Well Balanced Nerves

Your Success in Life Depends Upon Them.

If Lacking in Nerve Force, Build Up Your System With Ferrerozone—It Has Helped Others—Let it Help You too.

Happy is the man who can work unceasingly without fear of an "attack of the nerves." He gets along, prospers, rises to position of power and importance. The strong man is pushed over the heads of his weaker brothers by virtue of being capable to do and act when necessity calls.

The weak nervous man is distanced before the race starts. But he shouldn't give up without trying what Ferrerozone can do for him. This strengthening tonic has great power for building up people who are run down, tired and exhausted.

Ferrerozone starts right at the root of the trouble and drives all impurities out of the blood. Then it gives the blood an additional supply of iron and other strengthening elements which enables it to nourish the nerves back to normal condition. Once the nerves are toned up, indigestion and stomach trouble disappear. The nervous system is in good order, and capable of being rebuilt in the proper way. Nerve issues is formed, flabby muscles begin to harden, weak organs regain strength, and before long the half-wrecked man glories in the new-found vigor that Ferrerozone has brought him.

You may have tried a hundred remedies; they may all have failed. But this must influence you against Ferrerozone, which is so different from other preparations. Ferrerozone actually makes blood, and gives the kind of blood that is valuable in maintaining health. Then Ferrerozone has a wonderful action on food, converting it into no nines, so that everything you eat is going to be useful to you.

Ferrerozone is unexcelled as a rebuilding tonic for children, women and men the young and old, in fact everybody can derive benefit from Ferrerozone, which is specially recommended for chlorosis, anemia, lassitude, weakness and all disorders arising from impaired nerves or blood. Try Ferrerozone yourself. Price 50c per box or six boxes for \$2.50. Sold by druggists and by mail from N. C. Pollock & Co., Kingston, Ont., and Hartford, Conn., U. S. A.

There is a SOMETHING about VIM TEA that is to be found in no other tea," said a Saint John lady to a grocer the other day. She did not know exactly what or how to describe the difference, only there was a "something" VIM TEA had that other teas lacked. That something was a little more QUALITY.
