AN ATTACK OF PNEUMONIA WARDER OFF.

"Some time ago my daughter caught a severe cold. She complained of pains in her chest and had a bad cough. I gave her Chamberlain's Cough Remedy according to directions and in two days she was well and able to go to school. I have used this remedy in my family for the past seven years and have never known it to fail," says James Frendergast, merchant, Annot Bay, Jamaica, West India Islands. The pains in the chest indicated an approaching attack of pneumonia, which in this instance was undoubtedly warded off by Chamberlain's Cough Remedy. It counteracts any tendency of a cold toward pneumonia. For sale by all druggists.

AFTER YEARS OF TERRIBLE AGONY

Dodd's Kidney Pills Cured N. Ecker's Kidney Disease.

One doctor treated him for Bright's Disease, another for Gravel, but he got no Relief till he tried Dodd's Kidney Pills—They Cured him completely.

ST. CATHERINES, Ont., Nov. 30.—(Special).—The cure of Nicholas Ecker, a well known and highly respected farmer living near St. John's, P. O., about ten miles from this city, has caused somewhat of a sensation in Pelham and Thorold townships. For twenty nine years, Mr. Ecker was a terrible sufferer from Kidney Disease, and so widespread has been the interest in his cure that he decided to make a statement for the benefit of the public. In condensed form Mr. Ecker's statement is as follows:

"I had been a sufferer from Kidney Trouble for twenty-nine years. I had the most distressing backache it would be possible for man to bear, Headaches, Irritation of the spine and at times an excruciating circular pain about the lower part of the body. What I suffered no pen can describe.

"I was treated by three doctors, one of them a specialist. One said I had gravel, another Bright's Disease, and the third declared I was in a dangerous condition. None of my friends thought I had much longer to live.

"At this stage I gave up other treatment and started taking Dodd's Kidney Pills. I received help after using the second box and continued till I had taken sixteen boxes when my troubles had vanished and I was again enjoying the splendid vigor of early manhood.

RECORD MAKING AT PORT HOOD

The "Port Hood Greetings" publishes the following interview with Wm. Lithgow regarding the industrial situation at Port Hood:—"Work is brisk at present and the output of Port Hood Coal last week was the largest but one in the history of the mine and would have been the largest were it not for the falling off after Friday, which was pay day. Friday's output establishes a new record for the day. Last week was also a record maker in shipments, 3,841 tons being shipped that week."

Charlottetown people who are interested in Port Hood Coal are pleased to learn the above.
