### A WONDERFUL TONIC AND STRENGTHENER.

Said a druggist today, "No doubt about it, the tonic that gives best results is the biggest seller, and that is Ferrazine. It enriches and purifies the blood, restores strength and energy to the feeble, and is a scientific remedy for that was always popular. In Chlorosis, Anemia, Tiredness, Langour, Brain Fag, Indigestion and Dyspepsia its action is prompt, and satisfactory cures always follow. Yes, I recommend Ferrazine to my customers because I believe it is the best tonic and strengthening medicine that money can buy. Large boxes cost 50c."
