family of nine children, with the exception of one sister in British Columbia. Mr. Crozier was a blacksmith for forty years but of late was engaged in farming and was ill in bed for only five weeks. He was a strictly temperate man, the loved companion of the young who always sought his advice so cheerfully given and during his illness he was never heard to murmur or complain while his memory remained bright and clear until the last and he was often heard repeating the beautiful words of the 23rd Psalm and other passages of Scripture. The funeral service conducted by Rev. Mr. Wright was largely attended, the deceased gentleman being a constant member of the Presbyterian Church

IMPORTANT NOTICE

The City Corporation has decided to issue executions within a few weeks for all unpaid Poll Taxes. The practice of allowing the payment of these taxes to stand over until late in the year having been found to be unworkable.

Every Poll Tax voter who intends to vote at the forthcoming election must have his Poll Tax receipt.

The corporation will afford every facility to citizens to procure such receipt in ample time for polling day. By order

Do you love your Smoke better than your wife?

Pipe and cigars or cigarettes cost you an average of ten cents a day, perhaps. This is \$36.50 a year, or \$36.60 for a leap year.

You don't carry life assurance to protect your wife, because, you say, you can't afford it. But if you are thirty-four years of age now, you can carry a \$1,000, 20-payment Life Policy, with profits, for \$36.60 a year; or for less if you are younger.

Don't you think your wife is worth as much as your smoke?
