

LATTER DAY SLAVES.

Slaves of the Stomach are Doomed to a Miserable Lot.

From Which Only Dodd's Dyspepsia Tablets Can Rescue Them—But This Remedy is Positive in Its Cure—It Never Fails.

Slavery, in its original form, has been abolished in all civilized nations. But slavery of a more horrible form, slavery that means continual, unceasing suffering, ended only by a lingering and miserable death still exists, wherever civilization holds sway.

The Slaves of the Stomach form a large proportion of the population of our country.

And the stomach is a more tyrannical master than any old-time slave-holder could be.

Ask any victim of Dyspepsia. Indigestion, Biliousness, Heartburn, Flatulence, Headache, Waterbrash, Constipation, etc., what his lot is.

He will tell you that "Life is a burden." He would give much to learn how he could escape from his bondage. Yet escape is easy.

The use of Dodd's Dyspepsia Tablets for a short time, will break the chains of any Slave of the Stomach and give him perfect freedom.

It is needless to describe the symptoms of Dyspepsia, Indigestion, etc. Every victim knows them, only too well.

It is of more interest to him to know what will cure his disease.

That information is given here. Dodd's Dyspepsia Tablets—and they only—will cure Dyspepsia, etc.

They are absolutely certain in their result. They always cure. Dodd's Dyspepsia Tablets are sold by all druggists, at fifty cents a box, six boxes \$2.50, or sent on receipt of price, by The Dodds Medicine Co., Limited, Toronto.

NEARLY DISCOURAGED.

The Experience of Mr. Ralph Giberson Who Suffered Greatly From General Debility.

From the Advertiser, Hartland, N. B.

Ralph Giberson, postmaster at Monquart, Carleton Co., N. B. is also known as a prosperous agriculturist and an enthusiast in his line. Now stalwart and rugged, weighing 250 pounds, he scarce would be recognized as the man who six months ago was the picture of one suffering the terrible symptoms of general debility. He was run down in health, suffered much from dizziness, almost blindness, general dullness and depression of spirits. He had a poor appetite and such food as he ate gave him great distress. He was incapacitated for the work that fell upon him and was well nigh utterly discouraged. The symptoms tormented on to those by which hypochondria is manifested. Through reading the Advertiser he learned of the particular benefit that several of his friends in this vicinity had received by the use of Dr. Williams' Pink Pills, and by the hope held out by their testimonials he secured a supply and took them according to directions. The result was almost magical; immediately his symptoms began to become less disagreeable, and he steadily gained until now he is perfectly free from his old troubles. He gladly and freely gives this testimonial, that all may know the remedy if ever they are troubled with general debility.

Dr. Williams' Pink Pills cure by going to the root of the disease. They renew and build up the blood, and strengthen the nerves, thus driving disease from the system. The genuine can only be had in boxes, the full trade mark, "Dr. Williams' Pink Pills for Pale People."

THE PACIFIC CABLE.

LONDON, Aug. 4.—The Daily News says: "An informal conference was recently held in London between Lord Strathcona and Mount Royal, Mr Mulock and some Australian agents, who are going, we believe, to be concerned in the Pacific cable, and it is reported that the Dominion Parliament is now disposed to support the scheme."

Aunt Mary's Timely Visit.

The other evening Aunt Mary took the electric cars and rode eastward to the house of her niece who a few weeks previously had just commenced house-keeping. Without ceremony the old lady entered the house and found her niece in the kitchen looking very dejected. Aunt Mary soon discovered that her niece had tried to dye an old cream opera shawl a cardinal red with some poor cheap dye. The result was certainly enough to test the patience and goodness of an angel. A miserable mixed color, half red and brown, was the result of the labor. Aunt Mary deeply sympathized with her horror-stricken niece, and advised her in future to use nothing but the Diamond Dyes that had given her such satisfaction and profit for over twenty years. The unsightly, variegated shawl was then washed in several waters in order to get rid of the horrid colors, and was then put into a bath of Diamond Dyes Fast Cardinal Red for wool. It is now a thing of joy and beauty.
