BIG LEAGUES

NEW YORK, July 26.—During a general switch of Major League playing field today only one game was scheduled in the National League. Pittsburgh increased their scant margin as leaders by defeating the Robins at Brooklyn 3-2.

The Robins rallied in the ninth but the best they could get was a single run. The contest was a twirlers' battle between Dazzy Vance and Emil Yde, until the final inning when both were relieved. Vance allowed six hits, one less than the number garnered by the Robins.

The Philadelphia Athletics wound up their disappointing home series today with a 5-0 victory over the lowly Boston Red Sox. Eddie Rommell held the visitors to four scattered singles.

This was the only game scheduled in the American League today. Scores follow:

6-ROW CULTIVATOR NEXT

The agricultural engineering departments of most of the state colleges of agriculture are devoting a lot of attention to developing faster means of cultivating row crops this year, according to the Research Department of the National Association of Farm Equipment Manufacturers. At Ames, a motorized 6-row outfit has been used successfully handling 45acres of corn a day the first time over. Ohio and Illinois institutions are successfully handling 4-row jobs. The rapid advance of the 2-row system of cultivation of Corn all over the Corn Belt the past four years has been one of the outstanding man-labor saving operations that has materially added to farm profits.

STARS COME BACK IN SEVENTH TO TIE CONTEST

Anchors Coasting With Two Runs to the Good, Lose Verddict in Seventh, Stars Counting Twice Before Darkness. Score 3–3.

A fair attendance of those following America's greatest outdoor pastime were on the job last evening to glimpse the Stars and Anchors fight a stubborn 3 all score in one of the best games played this year. One of the best this season, because each and every exponent with the exception of a few errors played heads-up ball throughout the fixture.

One of the features of last evening's contest was the sudden comeback of the Stars in the final inning to score two runs and tie the issue. It looked like a two to one win for the "West Enders" but a timely bat by McFarlane and a hard try by Bill McDonald who fumbled the chance gave them the necessary counters. Another feature of the clash was the exceptional hitting of big Ed. Lynds, Star third baseman who tripled once and singled twice for an average of .750, scoring two of the Stars' three runs. He also fielded for a thousand.

Last evening's tilt was not only exceptional from a playing view point, but also pleasing due to the fact that only three errors were chalked up over the fuel course.

"Lefty" McQuaid is fast working back to his old-time form. He hurled ball last evening above par as did Timmy McFarlane the opposing moundsman.

Games By Innings

First Inning. — Stars—W. McDonald leading off is out on single to McFarlane. W. Ryan also out to McFarlane; Diamond good at first. Lynds third batter beats out hit to third and is safe. McQuaid follows; Lynds thrown out at second.

Anchors— "Dempsey" Diamond leading away, strikes out. McGuigan out to McQuaid. "Dutchy" Diamond fans, retiring the side.

Second Inning—Stars—McQuaid works McFarlane for a pass. McCarey next batter also begs a side. With nobody down Bulger hits to Dempsey Diamond and fills the bases on the latter's error. McCabe at bat flys out to O'Leary in left field. Goss following is struck out. The Stars lose a chance for a score when Prowse the last batsman is out to Diamond It was a tough place for McFarlane who pitched himself out of a touch hole.

Anchors—Frances after taking three, is out on an infield drive to Prowse at second. Saunders tries hard but pops out to McCarey. Cronin goes the same trail.

Third Inning — Stars. — McDonald is out to Diamond at first. Ryan gets a clean hit to left. Lynds triples to deep centre scorhard chance. Hobbs at bat, McQuaid balks, Umpire McAleer sends McFarlane to second, who steals third. Hobbs lines out to Prowse who doubles McFarlane at third. Lynds makes a nice catch of Prowse's low throw.

Fourth Inning—Stars—Bulger is out to McGuigan. McCabe out to McFarlane. Goss out with bat on shoulder.

Anchors— "Dempsey" Diamond strikes out. McGuigan pops out to Lynds.

"Dutchy" Diamond passed. Francis singles to left. Saunders hits to Prowse who holds ball too long, Diamond scoring after a great exhibition of base running. Cronin out to Goss. Score—Stars 1, Anchors 1.

Fifth Inning—Stars — Prowse flys out to "Dempsey" Diamond. McDonald is safe on McFarlane's fumble of a single. McDonald steals second and third on overthrow. Ryan is struck out. Lynds with his batting togs on singles and scores McDonald. McQuaid hits to McGuigan who fumbles, Lynds stealing second and takes third on the throw to first. McCarey lines a deep fly to Cronin who retains his reputation by handling the chance perfectly. Score—Stars 2, Anchors 1.

Anchors—O'Leary fans out. McFarlane goes the same way. Hobbs flys out to Ryan in short right.

Sixth Inning—Stars — Bulger doubles to centre. McCabe strikes out. Goss gets a free ride. Prowse fans. McDonald hits to deep centre scoring Bulger! Goss however is out at plate in a try for double score.

Anchors — Dempsey Diamond gives McDonald in centre a chance to make a good catch of a line drive. McGuigan is thrown out at first. "Dutchy" Diamond fans out.

Seventh Inning—Stars—Ryan is thrown out by McFarlane. Lynds strikes out. McQuaid doubles on a short fly to left field. It was a hard try for Cronin. McCarey strikes out.

Anchors—Francis out to Lynds. Saunders is safe on Prowse's error at second. Cronin out to Lynds O'Leary is passed, McFarlane hits to centre scoring Saunders and O'Leary on McDonald's error, tying score. Hobbs fans out.

Game called on account of darkness.

Final score—Stars 3; Anchors 3. Ing Ryan. It was the best hit of the game. McQuaid strikes out. McCarey out to "Dutchy" Diamond. Score—Stars 1; Anchors 0.

Anchors—O'Leary is caught on four pitcher balls. McFarlane makes first on Lynd's error on a

Mr. F. C. Connell Has Narrow Escape

HALIFAX, July 27. —F. C. Cornell, of Montreal, the freight rates expert employed by the Governments of the Maritime Provinces on the railway freight rates case, narrowly escaped serious injury when his motor car was struck by an unknown motor car early yesterday morning when he was motoring from Moncton to Halifax. The accident occured near Elmsdale. As Mr. Cornell was turning a corner of the road entering the village, a large seven passenger car, which he thought he indentified as American, and occupied by men whom he believes were intoxicated, came up behind him, dashed across the road directly in front of his car, striking the forward wheel, driving the car toward the ditch, where it turned over twice, eventually remaining on its side so that Mr. Cornell was able to crawl through one of the doors. The occupants of the American car did not stop to give any aid or to learn if any serious injury had been done.

Mr. Cornell says he owes his escape by grasping the bar in the top of the car, and while it was making its revolutions down the bank of the ditch, was kept form being crushed under the weight of the car, or cut with glass. He was somewhat bruised, and feeling more or less nervous shock as a consequence of his shaken up. The car was brought into Halifax last night.

Lady Thornton is Granted a Divorce

PHILADELPHIA, July 27. — A divorce has been granted to Virginia Blair Thornton, New Castle, Pa., wife of Sir Henry Thornton, Chairman of the Canadian National Railways. Action was instituted some months ago in the courts of Pennsylvania and a final decree has now been entered. The grounds of divorce were continuous incompatibility of temper.

Lady Astor, M.P., Disappears

LONDON, July 27. —Lady Astor, the American born member of Parliament, has disappeared from political and social life of London, and today her friends were puzzling over a two line announcement published in the Times, which said:

"Lady Astor has left England for three months; no correspondence will be forwarded.,,

It is understood that Lady Astor is enroute to the United States with her children, but so far this has not been confirmed.

Why Women Age So Fast

One often sees tell-tale signs of approaching age in women earlier than their years warrant them. Lines appear, the complexion is sallow, the hair is prematurely grey, the zest of life has gone. These are women who are subject to headaches, backache, dragging-down pains, irregularities, displacements, nervousness and despondency. A woman's health controls her looks, and if suffering from any of these ailments, why not restore health and apparent youth by taking Lydia E. Pinkham's Vegetable Compound.

Matinee Races This Afternoon

Charlottetown Driving Club are holding Matinee Races this afternoon, "just for fun." That is, there will be no purses or prizes given and no admission fee charged. The idea is to classify the horses as nearly as possibly and to give the drivers an opportunity to school their steeds, and give the racing manners. Good contests can be expected this afternoon.
