

Permanent Cure of Boils.

B. B. B. Cured Mrs. Harrison Henley, of Musquodoboit, N.S., in 1895, and the Boils have never come back.

Anyone who has ever suffered from boils, knows how sick and miserable they make you feel.

When you think you're about cured of one, another seems ready to take its place and prolong your wretchedness.

Boils are simply the outcropping of impure blood.

When the blood is purified, cleansed and vitalized by Burdock Blood Bitters, the boils quickly disappear, never to return—the cure is permanent—your misery is at an end, and your health and strength come back again.

Such were the results in the case of Mrs. Henley, of Musquodoboit, N.S., who recently wrote the following letter:

"In the spring of 1895 I was continually troubled with boils, one coming after another for about six months. Some as large as a hen's egg.

"My blood was in a very bad condition and I was very miserable all summer.

"In September I got a bottle of B. B. B. and began taking it, I felt better after I took one bottle. I kept on taking the Bitters until I had taken five bottles and can say I have been well ever since and have never had a boil on me since.

I can safely say from my own experience that B. B. B. is the very best medicine in existence for any blood disorder."

KINGSTON'S RECORD.

For producing Famous Men and Dodd's Kidney Pills Cures.

Kingston, Dec. 12.—The Limestone City has given Canada a majority of her greatest and most famous men. Sir John A. McDonald, Sir Oliver Mowat, Sir George Kirkpatrick, Sir Richard Cartwright, and many other notable personalities claim the city as their home.

Kingston is no less famous as the scene of many of the most wonderful and starting cures by Dodd's Kidney Pills, than for the first named reason.

Now another is added to this long list of cures, Mr. Robert Orr, Pine St. reports that after suffering for years with Bladder trouble, Dodd's Kidney Pills completely cured him, though all other remedies had failed. Every city has a similar experience. Dodd's Kidney Pills have cured every time.
