Russian Soviet Will Not Cease

LONDON, July 22.—The refusal of the Russian Soviet government to cease war against Poland at the behest of Great Britain is contained in a Moscow wireless despatch received here today. The refusal also constitutes an appeal to the workers and peasants of the Soviet Russians and the Ukraine. It is signed by Premier Lenin, Minister of War; Trotsky, Foreign Minister; Tchitcherin and Commissioner of Justice Kurski and says: "The British government advised a proposal to us July 11th to cease war against Poland and begin peace negotiations with Poland and other border states, promising that the Polish troops in case of an armistice being concluded, would retreat to frontier marked last year by the Peace Conference.

Germans Want Troops For Baltic

PARIS, July 22.—Germany today formally submitted a request to the Allied governments for permission to mass troops and surround the Baltic port of Memel, to resist an invasion by the Soviet forces, which they advise is believed to be impending.

Big Advance In British Shipping

LONDON, July 22.—Total tonnage now building in the United Kingdom exceeds the amount under construction in the United States by 1,672,000 tons according to returns published today by the Lloyds register of shipping. The aggregate amount now under construction in Great Britain is 3,676,000 tons, the highest amount ever recorded. Much comment has been aroused in shipping circles by these figures, says the London Times, but it adds the failure of the United States to maintain its lead in shipbuilding was expected since the intensive construction there was chiefly a war measure.

Edison's Message To Posterity

(United Press.)
NEW YORK, July 21.—Gripping a telegraph key for the first time in 19 years Thomas A. Edison sent a message to posterity today from his home in Orange, N.J., the rattle of the instrument as it clicked off the inventor's message was inscribed on an imperishable phonograph record and placed in the archives of the historical association here. The message was sent directly to a committee of the old time telegraphers, and was, amid the activities of a busy life, full of expectations, hopes and fears. "My thoughts of early association with my comrades of the dots and dashes have ever been to me a delight and pleasure I consider it a great pleasure to record in Morse characters on an indestructible disc this tribute to my beginning in electricity through the telegraph and with it a Godspeed to the fraternity throughout the world."

Emir of Syria Proving False

(Special to The Guardian.)
PARIS, July 22.—Although news dispatches from the Emir of Syria had accepted the ultimatum of General Gouraud, military operations were continuing along the Aleppo railway today and the capture of both Damascus and Aleppo by French troops was momentarily expected. No official confirmation has been received here, but reports that the Emir had agreed to the French ultimatum.

SITUATION IN NEAR EAST IS DECIDEDLY OMINOUS

French Foreign Office Uneasily Watching March of Threatening Events in Which Russia, Turkey, Arabia and Germany Are Principals.

(Special to The Guardian.)
PARIS, July 22.—The Allies are threatened with a new combination of opponents with the gravest of gravity in the near east. It is said that the French foreign office is disturbed by the trend of developments in putting it mildly. The new "Bloc" will have as its principal powers Soviet Russia, Turkey, Arabia and probably the German Republic. It is looked upon as a distinctly ominous threat and it is giving a vast amount of concern to those who are watching the rapidly marching events from Constantinople to Moscow.

CONSTANTINOPLE, July 22.—The Turkish Government has decided to sign the peace treaty it was announced.

Bryan Nominated By Acclamation

LINCOLN, July 22.—William Jennings Bryan was nominated by acclamation for President of the United States by the prohibition party in session here tonight. This action was taken against his wishes and it is doubtful whether he will accept the nomination. This is the fourth time Bryan has been nominated to lead a National ticket. He was three times standard bearer for the Democrats. The convention was opened this morning with about 300 delegates attending. Both the Democratic and the Republican parties were assailed for "dodging the prohibition issue." It was made plain that the prohibition party would not have put a ticket in the field had either of the old partners declared prohibition Act.

U. S. Will Invest \$33,000,000 in Sugar Plantations in Cuba

(United Press.)
WASHINGTON, July 22.—American sugar refiners are preparing to invest \$33,000,000 in Cuban plantations to grow their own raw product within the next two years, the Justice Department learned today. The movement is viewed with favor by the Justice Department, it was stated. According to Howard B. Figg of the Justice Department the movement will prevent future shortages of sugar in the United States.

Some people were under the impression that they still paid tribute to the motherland

GERMAN RUSSIAN ALLIANCE NOW UNDER CONSIDERATION

Great Commercial and Militaristic Advantage Expected from Advance of Bolshevik.

(Special to The Guardian.)
BERLIN, July 22.—The advance of the Russian Red armies opens the prospect of new markets and a strong economic alliance between Russian and Germany, in the opinion of leading industrial men here today. In the elimination of the Polish corridor between the two countries merchants pressed to see a great advantage for future German trade. Militaristic newspapers professed to see in the Bolshevik advanced an advantage in which the rest of Europe would be powerless. The German foreign office has sent a note to Paris regarding the recent incident at the French embassy here when the ambassador lowered from the embassy building. It was understood the German note took a strong tone probably as a result of the prevalent talk of the advantages of a German-Russian alliance.

AUSTRALIAN EX-PREMIER GIVES ADDRESS AT ROTARY

Rotarian C. H. Black presided at the weekly luncheon of Rotary here yesterday at the Davies. There was a large attendance of members and a number of visitors, including Hon. Charles F. Gahan, ex-premier of South Australia, who was the speaker of the day and Miss Florence Stern of San Francisco, the wonderful 12 year old violinist with Chautauqua and her father and pianist, Mr. Kennedy Freeman, Charles A. Collins of Medford, Mass., Mr. A. Alan Ellis of McGill University, Mr. David Lewis of Montreal, Mr. Brenton Hyndman of the Canadian Bank of Commerce, Winnipeg, formerly of this city, Dr. Maitke, of the Department of Agriculture, Ottawa, Colonel Moore and Dr. Smallwood of this city. The address by Ex-Premier Gahan was exceedingly interesting. He spoke of the crimson ties of kinship by which all parts of the Empire are knit together more firmly than by ties of steel, and brought greetings to P. E. Island from another island—a very large island—Australia—whose territory is larger than the United States. This great island has yet to be developed and held great possibilities. Speaking of the British Empire of which they were proud to be an integral part, he declared that the Empire was growing as many people seem to think but that it just naturally grew. First quarter moon Thursday, like Topsy. Some people were under the impression that they still paid tribute to the motherland
