Sir Louis H. Davies will be sworn in as Acting Governor General of the Dominion of Canada, at Ottawa tomorrow in consequence of the Chief Justice going on leave abroad. His Excellency will retain the acting appointment until the return of H. R. H. the Duke of Connaught or the appointment of his successor. This is a signal honor for Sir Louis and a reflective glory on the Island which all must appreciate.

Mr. J. O. Gallant, Managing Editor of L'Evangeline, of Moncton, N. B., is at present on a visit to the Island. He is a native of Egmont Bay, and is revisiting the haunts of his youth. L'Evangeline is the principal French organ in the Maritime Provinces and has a large circulation in the Island, to which the Editor devotes a good deal of attention. Mr. Gallant is a believer in automobiles, and thinks it would be the ultimate advantage of the Island were the present law repealed.

NOVEL EGG.—A few days ago Mrs. George Haslam, Hazeldene Farm, Springfield, brought in from the hen-house an egg which weighed over 4 1/2 ounces, measuring 7 1/2 inches by 7 1/2 inches. When opened it was expected to be a double yolked egg but to the amazement of all, the white and yolk of one egg were in one end and in the other was a lovely, large perfectly formed egg, with a hard natural shell on it. This is an instance of a hen laying two eggs in a day.

Have You A Skin Rash?

ZAM-BUK WILL END IT.

For skin rashes, eruptions, eczema, etc., either in adults or children, there is nothing known to science which equals Zam-Buk in the quickness and certainty of its curative power. Mr. Raymond Webber, of Allandburg, Ont., writes: "I have tried Zam-Buk for many ailments, and every time have found it successful. Some time ago I had a bad rash all over my body. I tried home-made salves, herb salves, and various home-made preparations, and these proved of no use, but when I tried Zam-Buk I was cured in a quarter of the time that I had been experimenting in vain with other preparations. On another occasion I had one of my fingers crushed, and in that case also Zam-Buk was the only remedy I used. It healed the wound splendidly. My boy had boils, and once again Zam-Buk brought about a complete cure. We have also used it as a household balm for the injuries and skin diseases which are common to every person, and can say that in our experience there is nothing to equal Zam-Buk."

Zam-Buk owes its unique healing power to certain herbal extracts it contains. Unlike most ointments it contains no poisonous coloring matter, no animal fat, but is purely herbal. For eczema, piles, blood poison, abscesses, ulcers, cuts, burns, and all skin injuries and diseases it is without equal and should be in every home. 50c. box all druggists and stores. Use also Zam-Buk Soap, 25c. tablet.

Before leaving Briarcrest, Mr. Enman was dined by the business men of the place who presented him with a purse of gold. Weak, Tired Folks Given New Vigor

STRENGTH RETURNS, HEALTH RENEWED, VITALITY OF YOUTH RE-CREATED. Exhaustion and Bodily Tiredness Every Day Being Turned Into Vigor and Ambition by Dr. Hamilton's Pills. From Cheboque Pt., N. S., comes the following from Mrs. W. A. Reynolds: "A year ago my health began to fail. I lost appetite, became nervous and sleepless. My weight ran down, I became thin, hollow-cheeked, and had black rings under my eyes. I really felt as if the charm of life had left me and when springtime arrived I was in the 'blues.'" I read of Dr. Hamilton's Pills and got five boxes at once. "Within a month my appetite and color were good, I gained strength and felt like a new woman. New life and vigor returned, and my friends scarcely knew me. A medicine that will do this should be in every home." Good health means much to you. Success and happiness depend upon it. The maintenance and source of it is found in Dr. Hamilton's Pills. 25c. per box, or five boxes for \$1.00, at all druggists and storekeepers, or by mail from the Catawba-Cheboque Co., Buffalo, N. her sister, M. McLennan, Wild Flower, a Half Breed Indian Girl; and Messrs D. McLean, as Little Buckshot; D. S. Fraser as Mr. Brown, a Mormon Saint; Fulton Ellis as Simon Slade, his Henchman; G. Siliker, as Hon. Ira Barton, a wealthy Bostonian; W. Bernard, as Young Mr. Weed, his nephew, inventor, "Weeds Patent Panama"; R. Col. Ellis as Pat Phalen and Dot Gorrell as Zeb Tucker. The play is a very strong one and heavy to stage but the performers seemed to have little difficulty in carrying out the parts assigned to them. The spicy specialties between the acts added to the success of the entertainment. Quite a number of admirers came in from O'Leary while a goodly number attended from Tignish. The people of Alberton and vicinity turned out well and gave the visitors a "bumper house." A.

About the only information Chief Oakes could give in reply was that a man of this name formerly resided at Bradabane and had removed to the Sydney about 6 months ago and that he was now engaged in some kind of a business there. In the reports of the big fire at North Sydney, on Sunday last, mention is made of the loss of a restaurant conducted by a man of this name, whether the enquiry was in connection with this loss or not was not given in the information.—J.

—PROHIBITION CASE.—Stipendiary Wright delivered a written judgment at Summerside yesterday, in the case of Prosecutor Phillips against Dr. McBride, Kensington, which case was heard some days ago. The complaint in this case was that the defendant, who is a legally qualified physician gave certificates for other than strictly medicinal purposes contrary to the prohibition act. A large number of certificates, given by the doctor to different parties had been put in evidence and His Honor proved that some of them were not given for strictly medicinal purposes and that, therefore, a breach of the act had been committed, and the usual fine, in this case was imposed.—J.

After the ceremony a wedding breakfast was served at the residence of Mr. M. B. Connick, after which the happy couple left on the 9.15 train for Charlottetown, accompanied with the best wishes of their host of friends. They are among Summerside's most popular young people, and the numerous and valuable gifts received attest to their popularity. That Mr. and Mrs. Murphy will enjoy a long and happy married life is the sincere wish of their many friends.

On Wednesday evening, services were conducted at the family residence, Thuisis Street, by Rev. C. E. A. Pocock, pastor of Knox Presbyterian Church, of which deceased was a member. Appropriate musical selections were rendered by a quartette, composed of Mrs. H. J. Montgomery, Mrs. C. E. A. Pocock, and Messrs. H. J. Montgomery and A. Gardner. The floral tributes were numerous and very beautiful, attesting the high esteem in which deceased was held. In addition to a pillow of valley lilies, orchids and carnations from Messrs. H. J. Wells, Prince Edward Island friends, beautiful contributions were received from the Wetaskiwin School Board, the teachers of the Wetaskiwin high and public schools, high school pupils, Mr. and Mrs. R. A Good Medicine For The Spring

Do Not Use Harsh Purgatives—A Tonic is All You Need.

Not exactly sick—but not feeling quite well. That is the way most people feel in the spring. Easily tired, appetite fickle, sometimes headaches and a feeling of depression. Pimples or eruptions may appear on the skin, or there may be twinges of rheumatism or neuralgia. Any of these indicate that the blood is out of order—that the indoor life of winter has left its mark upon you and may easily develop into more serious trouble. Do not dose yourself with purgatives as so many people do, in the hope that you can put your blood right. Purgatives gallop through the system and weaken instead of giving strength. Any doctor will tell you this is true. What you need in spring is a tonic that will make new blood and build up the nerves. Dr. Williams' Pink Pills is the only medicine that can do this speedily, safely and surely. Every dose of this medicine makes new blood, which clears the skin, strengthens the appetite, and makes tired, depressed men, women and children bright, active and strong. Mrs. Maude Bags, Lemberg, Sask., says: "I can unhesitatingly recommend Dr. Williams' Pink Pills as a blood builder and tonic. I was very much run down when I began using the Pills, and a few boxes fully restored my health."

Rheumatism For Thirty-Four Years

Cured By Two Boxes of Dodd's Kidney Pills.

Quebec Man Tells How He Found Quick Relief and Permanent Cure When He Got to the Root of the Disease.

ST. FAUSTIN STATION, Que., May 9.—(Special)—"I suffered from rheumatism for thirty-four years. Two boxes of Dodd's Kidney Pills cured me." That is the statement of Joseph Boileau, Charlier of this place, and his neighbors are satisfied that the statement is a true one.

Pressed for further details of his cure, Mr. Charlier said: "I had rheumatism, sciatica, and pains in my back. My memory was failing, and I was always tired and nervous. I perspired freely with the least exertion, and my perspiration had an unpleasant odor. 'I was also troubled with heart fluttering, my limbs were heavy, and I had a dragging sensation across the loins.' These symptoms tell just why Dodd's Kidney Pills cured Mr. Charlier so quickly and completely. They are, every one of them, symptoms of kidney disease. Mr. Charlier's rheumatism was caused by the diseased kidneys failing to remove the uric acid from the blood. Dodd's Kidney Pills cured his kidneys; the cured kidneys strained the uric acid out of the blood, and the rheumatism disappeared.
