COLONIALS SCORE ANOTHER SUCCESS

Although the weather was anything but agreeable the Colonial Stock Company was greeted with a full house last night proving conclusively that the popularity of these favorites is not waning in Charlottetown. The Opera House was well filled and the three act drama, "Carolina or The Turning Point, was well staged and well played throughout. Miss Ceda Bolam as "Carolina Anderson" and Miss Louise La Mont as "Barbara Byrd" were splendid, each taking her part admirably while Mr. Frank Oliver, although in the unaccustomed role of a clergyman, "Dr. Snicker," and Mr. Louis Ne Ville as "Brent Breckenridge" took their assumed characters most entertainingly. They were well supported by Miss Anna Bond, Messrs Robert La Lond and Percival Scammond. The members of the Colonial Stock Company are all favorites in Charlottetown and may always depend upon playing to a full house when they favor the city with a performance.

RIEDMANN CURE IS CONDEMNED

(Canadian Press.) NEW YORK, May 29.—The Board of Health condemned the Friedmann cure in a resolution passed today as follows:—"Certain tests of the efficiency and safety of an alleged cure for tuberculosis, made in this city, being rendered unsatisfactory, unscientific and practically futile through the insistence of the originator of the alleged remedy, on conditions which involved inadequate observation, inaccurate methods of administration and insistence upon secrecy regarding the substances employed in some phases of the treatment, the evidence tends to show that the so-called remedy not only does not fulfill the promises as to efficiency, and safety under which its use was first permitted in this city and country during its administration, but that many patients suffered serious and unduly rapid progress of the disease.

The total receipts for the year amounted to \$10,485.85 and of this amount \$1765.59 was contributed directly by the public as subscriptions, donations and church collections. DISCUSSION OF TRANSCONTINENTAL

(Special to The Guardian) OTTAWA, May 29.—In the House this afternoon the Transcontinental estimates were under discussion. Sir Wilfrid Laurier expressed the opinion that there was something mysterious about the manner in which the grants on the road had been modified. He thought there should be an investigation. J. A. M. Aitkin of Brandon said that Sir Wilfrid wished to waste the time of the House as the matter was clearly one for the Government and the Grand Trunk Pacific. The question of terminals was then taken up. It was stated that shops would be at St. Malo in Quebec and that a station would be erected to accommodate all lines entering Quebec. Hon. Mr. Cochrane intimated that the station would cost a million and the shops a million and a half. On the vote of \$3,000,000 for the Quebec Bridge the Minister said he expected the bridge would be ready in 1916.

SUSSEX MAN FINDS BLACK FOX AMONG LITTER OF RED ONES

SUSSEX, N. B., May 27.—Martin Ryan picked up a fortune of several thousand dollars the other day, when he discovered a fox den with four pups. One of the youngsters was a genuine black and the owner is happy in proportion to the number of his find. Mr. Ryan made the discovery near his home a few days ago. After locating the den he had little trouble in getting the pups but could not induce the mother to return to the den. He took the pups home and is raising them. So far the little foxes have shown no evidence of discontent and the owner is confident that all danger of losing his find is past.

PARADE TONIGHT.—The 4th Regiment with band will parade to Victoria park to-night for ceremonial drill. All men of the regiment will parade at drill shed at 7.30 sharp.

THE PEOPLE'S THEATRE.—Just think of it. A young man discovers he is in love with the daughter of the man who killed his father. When the guilty man learns who his expected son-in-law is, he dies of remorse. He leaves a confession of his guilt, which the young man finds in time to keep a knowledge of it from his wife-to-be. He comforts her. A greater test of love can scarcely be imagined, but he endures and he is blessed. The conveyance by the picture of the thoughts involved can be better seen in its showing at the People's Theatre to-night than words could possibly express.

CHURCH OF ENGLAND SYNOD.—The Prince Edward Island delegates attending the Church of England Synod returned last night and Wednesday night. The Charlottetown delegates were Rev. T. W. Murphy, Messrs Horace Hayward and W. H. Aitken. From St. Paul's Church: Rev. Canon Simpson and Mr. W. L. Cotton from St. Peter's Church: Rev. J. A. Winfield represented the Alberton parish and Mr. Chris Moore was a lay delegate from Crapaud. The attendance at the Synod was large and representative and considerable business was transacted.
