

Forward--For A Bigger, Better, Busier, Charlottetown Vote for R. H. Sterns for Mayor

THE well laid plans of former years to make Charlottetown, bigger, better and busier, have only been partially carried out. The City Councils of the last ten years have done nobly, but there is much yet to be done. Aggressiveness in performing should now get behind intelligence in planning.

R. H. STERNS is in accord with every movement designed to beautify the city and make it a better place to live in. Present conditions demand that the chief Executive officer of this City shall be a man who has kept abreast of the times, and who is conversant with the new conditions. Who is more competent than R. H. Sterns?

R. H. STERNS is probably the largest property holder in the City and gives employment to more people than any one tax payer in Charlottetown. He may therefore be depended on to protect to the best of his ability the interests of the property holders and at the time give the working man every chance to live **BETTER THAN EVER BEFORE**.

R. H. STERNS is in favor of encouraging the establishment of new industries in the City. In favor of a more up-to-date fire protection service in order to bring the fire insurance rates down to the lowest possible figure, that the smaller property holders may take advantage of the protection thus afforded. In favor of improving the streets and the construction of permanent sidewalks.

R. H. STERNS as Mayor means business, progress, a live city, industrial advancement, commercial activity, a hearty welcome to the tourist, up-to-date methods and greater publicity of Charlottetown's attractions.

R. H. STERNS is in favour of a water service for all, rich and poor, and the introduction of measures whereby those who desire more taps, can afford to have them installed.

R. H. STERNS if elected, is determined to have a strict and impartial enforcement of all civic laws, and all measures calculated to advance the best interests of Charlottetown.

R. H. STERNS is in favor of keeping taxation at the minimum, consistent with the high efficiency of all civic services.

SHE WASN'T QUALIFIED.

After preaching a sermon on the fate of the wicked, an English clergyman met an old Scotchwoman, well known for her gossiping propensities and said to her: "My good woman, I hope my sermon has borne fruit. You heard what I said about the place where they shall be 'weeping and wailing and gnashing of teeth'?" "Yes," she replied "but as to that, if I have anything to say, it is this—Let them gnash their teeth that hate them. I have only two auld stumps, an' they're no' opposite it!"—Weekly Scotsman.

Attention Mothers

IF YOU HAVE OR KNOW OF A DELICATE CHILD READ THIS LETTER.
"My little daughter Louise, age 9 years, has always been delicate, anemic, had no appetite and seemed listless, and we could not seem to find anything that would help her, until we were advised to give her Vinol. She started taking it six weeks ago and inside of two weeks she showed a marked improvement both in appetite, vim and looks. Being so well pleased with the results, I continued giving it to her, and words fail to express my gratitude, and faith in Vinol both as a blood maker and body builder. As my child was an anemic for so long makes the reason all the stronger for me to recommend it to others in similar condition." Geo. E. Munro, Brooklyn, N. Y.

Vinol restores health and strength in conditions like this because in a natural manner it increases the appetite, tones up the digestive organs, enriches the blood and strengthens every organ of the body.
Every bottle of Vinol is guaranteed to give satisfaction or money refunded. E. A. Foster, Central Drugstore, Charlottetown, P. E. I.
