HIS JOB IS GONE.

OTTAWA, October 10.—The minister of agriculture has dispensed with the services of C. Gordon Rogers, whose escapade in Toronto some days ago was referred to in the newspapers.

When it Hurts To Cough

The cough that hurts, the cough that gets tight in the chest is daily getting deeper and deeper into the bronchial tubes and is making directly for the lungs, to become pneumonia, inflammation of the lungs or consumption.

Such coughs are sometimes referred to as "graveyard coughs," because they usually bring their victim to that last resting place.

Dr. Chase's Syrup of Linseed and Turpentine has long been known as mother's favorite remedy for croup, bronchitis, coughs and colds. It gains in popularity every day and now has by far the largest sale of any similar preparation.

It loosens the tightness in the chest, allays the inflammation, cures the cold and prevents pneumonia, consumption and other lung troubles. 25 cents, all dealers, or Edmanson, Bates & Co., Toronto.

An Elder on the Sabbath question.

SIR:—Your remarks in Wednesday's GUARDIAN with remarks to the recent desecration of the Sabbath are appropriate and to the point.

It does seem too bad that such a thing should be allowed in this our native land, which, up to a few years ago had a record second to none, for its observance of the Sabbath; and that corporations and Government officials, for the purpose of gain, should be found violating the Divine law as well as the law of the land.

If a party of wealthy American tourists, travelling for pleasure, have no regard fo the Lord's day is that any reason why the rulers of our people should be found countenancing and encouraging that which is wrong?

We hope that the moral and religious sentiment of the people of our Province will be fully awakened to the importance of this matter, and check this spirit of Sabbath-breaking which is becoming altogether too common amongst us.

Let it be remembered that One greater than the millionaires of earth, our Premiers, our leaders in municipal affairs, has said, "Remember the Sabbath day to keep it h."

This Divine law still stands and will stand, though, we are sorry to say, there are those among us, of whom we expected better things, who grossly violate it.

AN ELDER.

THE LAW APPLIES TO THOSE WHO CONGREGATE.

Samuel McCartney, charged with keeping a common gaming house in connection with his cigar store in Toronto was acquitted in the County Court a few days ago. Judge McDougall, in charging the jury upheld the contention of the prisoner's counsel that the law permitted people to gather together and play cards for money and remarked that the gambling law was at present in a very bad shape.

FOUR CROPS IN A YEAR.

How great are the possibilities of Hawaii as a fruit and vegetable growing country will be understood when it becomes known that four crops of potatoes have been produced in 12 months. Radishes becomes edible in 10 days after sowing. Strawberry vines bear fruit all the year.

Coughs, colds, hoarseness, and other throat ailments are quickly relieved by Vapo-Cresolene tablets, ten cents per box. All druggists.
