### Huge Crowds Witness Thrilling Finishes At Second Day Of Meet

An almost record crowd that jammed the stands and overflowed onto the track and into the centrefield witnessed sensational four-class card of harness racing yesterday in the second day of the Old Home Week harness racing program. Lela Budlong, was the winner of the Two Year Old Futurity; Josedale Hoosier, Nova Scotia-owned horse captured the 2.14 Trot and Pace; Watchim took top honors in the great Free-For-All Trot while Wait 'N' See after being beaten by Winnie Scott in the first heat came back in the next two to take the race, lowering his mark from 2:12 1/2 to 2:13 in the second heat and then climaxing his victory as he equalled his former win race record in pacing away from the field in the stretch drive of the final mile of the day. Winnie Scott also paced the first heat in 2:13 a new mark for her.

Threatened rain that did turn into a couple of showers just as the first heat was being called could not dampen the ardor of the colorful, holiday crowd. And they were well repaid. From the time the "babies"—the two year olds were sent away by Starter Irvine to the final heat they were treated to racing of the highest order. Battles from wire to wire with positions changing rapidly and climaxed by the thrilling last ditch drives were in evidence all afternoon.

And fans who witnessed yesterday's program will not soon forget the sensational duel of speed that came in the first heat of the 2.14 class. Right from the time the word was given the field went at it hammer and tong. It was racing from wire to wire and it was anybody's race half way down the stretch until Josedale Hoosier went to the front. But so close was it that it was only a matter of inches that the next four places were decided. Old followers of the racing game judged it to be on the heat heats they could recall and it was only one of many that took place all during the afternoon.

#### FREE-FOR-ALL TODAY

Today the feature event of the entire program takes place with five of the fastest horses in Dominion coming to the wire for the word. The track record of 2:06 1/4 seems to be seriously threatened judging by the way the pacers have been performing in work outs. This will highlight today's meeting but the remainder of the card is one that will provide thrills and suspense all the way through. Starter Otto Irvine of Mars Hill, Maine, did an exceptionally fine job yesterday. Not having to contend with unavoidable delays such as a broken harness, etc. that was the case on opening day, Mr. Irvine got his field away with a minimum of scoring and as a result the lengthy program featured the high class, raudiville performance in front of the stand was over at an early hour.

#### TWO YEAR OLD FUTURITY

Five "babies" came to the wire and tension was high in the stands as they went up to take the word. After three scores they were sent away with Nell Kalmuck on the pole. At the first turn Lela Budlong smooth pacer owned by Bruce Yeo and Angus MacEachern of Charlottetown, P.E.I. snatched the rail and made every post a winning one from there on. Lela was followed by Molly Kalmuck, Nell Kalmuck Betty B Hall, then Mary Money, the stands in that order and going up the backstretch, Molly Kalmuck went to a drive but couldn't make up the distance and was overtaken by the distant runner. They finished the mile with Lela Budlong first, Molly Kalmuck second, Nell Kalmuck third, Betty B Hall fourth and Harry's Budlong fifth. The mile was in 2:34 1/4.

Second Heat: They finished in exactly the same order as the first. They were away on the first score and held their position right to the wire with the winner pacing the mile in 2:26 1/2, a great mile by a two-year-old.

and San Ton. As they hit the half the first three places were unchanged but Josedale Hoosier had moved up a position and San Ton had dropped to the back stretch; around the upper turn Uscita and Rhea Mae, raced like a team right to the stretch. Josedale was pulled out but couldn't make up the grade, the battle being between the two flying leaders with Uscita winning by a head in 2:09 1-2 just a half second away from her win race record. Josedale was third with the remainder closely bunched and to drives right to the wire.

#### FREE-FOR-ALL TROT

First Heat: Watchim, trotting like a machine lived up to all advances made as he took the first two heats by thrilling stretch drives but was forced to finish sixth in the final mile. But although winning rather handily in the first two heats, he was pulled out on the third to go to the front. He was hit by the leaders unchanged. Hitting into the upper turn Watchim came through with his expected drive to the front. He won by two lengths as he flashed under the wire. But behind the winner a battle that brought the packed stands to their feet was taking place with the veteran Squire Hanover hanging on to lead second, Millie Kalmuck ending up third, Lee McKillop fourth, Pat McKenna fifth and Basil Hanover making his second start in two days fifth, June Evans seventh and Hal Britton, driven by the veteran Peter Conroy, eighth.

Second Heat: Squire Hanover again took the rail as the field got the word on the seventh score. The drives started on the first time up the backstretch and as they came by the stands Basil Hanover had his nose in front on the outside of the Squire. Hitting into the back side again Basil couldn't get the lead but he was able to hold it. The field waited until the last quarter to start their drives and Watchim again showed his marvellous speed to trot to the front and stay there right under the wire. Squire was again second, Lee McKillop improved one position to third, June Evans came from sixth to fourth, Millie dropped back to fifth, Hal Britton sixth, Pagliacci seventh and Basil Hanover eighth.

Third Heat: Millie Kalmuck as usual managed to capture one heat as she came through in the stretch of the last mile to win handily. Watchim started on the outside but was never in contention the entire mile. Away on the first score June Evans grabbed the rail followed by Lee McKillop, June and Lee raced like a team right to the half with the latter on the outside. Millie trailing followed by Hal Britton and Basil Hanover with Watchim and Pagliacci back several lengths. At the top of the stretch it was still between June and Lee but Millie put on a burst of speed half way down that carried her to the front to stay. Lee McKillop with Joe O'Brien up, ripped June Evans at the wire, Pat McKenna pulled Basil Hanover home fourth with the others strung out behind. Squire Hanover was drawn on account of lameness.

#### 2.22 PACE 1st DIVISION

First Heat: With the first two heats paced in 2:13 and the last in 2:13 1-2 this race provided spectators with thrilling battles and blanket finishes right to the wire. Getting away on the first score down Jack Clyde made a bid for the lead from Calumet Mary and

the pair raced like a team right up the backstretch with Winnie Scott, a step behind followed by Manchester's Alberta, Oxford Lady and Wait 'N' See. The positions remained unchanged right to the top of the stretch and then another battle ensued that had the spectators on their feet and cheering madly. 20 yards from the wire Wait 'N' See who had paced the final quarter very fast was right up with the leaders moving from last horse place but in the final few strides Winnie Scott came through in the middle pen to cop the heat from Wait 'N' See with Calumet Mary third. Jack Clyde who had been right with the leaders all the way dropped back in the final yards to place fourth Manchester's Alberta was fifth and Oxford Lady sixth. The time on 2:13 knocked 7/8 of a second off Winnie Scott's mark.

Second Heat: They went at it hammer and tong from the wire to the top and this time it was Manchester's Alberta who took the rail at the first turn to lead the field around most of the first half Jack Clyde taking over at the top of the stretch and at the half it was Jack Clyde, Winnie Scott, Wait 'N' See, with the rest right behind. Going up the backstretch Wait 'N' See took out and as they hit halfway down the stretch Winnie and Wait 'N' See were like a team but the Kelly-driven horse had too much kick in the final yards winning by half a length in 2:13, to reduce his mark. Winnie was second Calumet Mary again third, Jack Clyde adding another four to his summary of backstretching. Wait 'N' See with Oxford Lady and Manchester's Alberta finishing in that order.

Third Heat: Jack Clyde as he had done in the two previous heats grabbed the rail shortly after the word with Manchester's Alberta trailing. They kept their positions right by the stands and going up the back stretch Wait 'N' See again pulled out to go into the lead. As they hit the top of the stretch they all went to drives but Wait 'N' See wasn't to be licked winning comfortably. He was followed by second, Manchester's Alberta. Mary had gone a great mile third, Oxford Lady fourth, Winnie Scott fifth and Hal Britton sixth. The time was very hard here in the first two dropping back to sixth.

executed acts that drew down unstinted applause from the crowd. Then the G.W.A.C. Precision Squad was seen once more in another performance that was followed keenly. Their concert party were heard in several numbers; Old King Cole captivated the audience with his feats of juggling; Beebes Bears went over big; The Victoria Troupe with their world-acclaimed bicycle act was even better than before. Don Francisco, king of the tightwire drew rounds of admiration for his nimble work of the trapeze. Solos by Miss Arsenault of the C.W.A.C. and Miss Helen Bruce were beautifully rendered and well received; violin solos by Miss Kathleen Hornby and the climax of the evening the American Eagles in their daring and superb high wire bicycle act all went to make up a show that would be hard to equal. Like the entire program this part if getting better and better as it is against a background of lights and color. The performance wound up with a brilliant display of fireworks that was enjoyed thoroughly.

Today's Show Today the show swings into its third day, another excellent program, in fact one that is even better than the two previous days is scheduled. Judging will be going on in the show rings morning and afternoon; the big Free-For-All Trot and Pace will be held a race in which the track record is expected to be lowered from the existing mark of 2:05 1/2 while in the evening the night show, featuring new numbers will again be held.

Attracting a lot of attention is the naval recruiting pavilion on the main grounds. It is in charge of Lt. E. W. Salmon, who is always ready to interview men anxious to join the naval services.

#### HORSES

The horses, said Mr. Donald Black, M.P., Quebec, were of better flesh. The roadster class, standardbreds, and two year olds, were in good shape, and the young stuff of better quality. Chief horse exhibitors were Colbie C. Lewis, Freetown; Cecil J. Stewart, Hampshire; Andrew Jardine, Freetown; and Oswald Newsum, Hampshire.

#### Jersey Class

The tops of the Jersey class were termed to be "outstanding" quality by Mr. Ervin Emberton, N.B., and the rest, exceptionally good. Among the main exhibitors were the Kelpcock Jersey Farm of Dr. Lantz; Stead Bros., East Royalty; William

#### Holstein Class

The classes of Holstein cattle although small have some outstanding animals. Exhibitors put them in splendid shape, said Mr. B. A. Stewart and Son, Dunstaffnage. Profit, Freetown, who was judging them. The principal exhibitors were Colbie C. Lewis, Freetown; Cecil J. Stewart, Hampshire; Andrew Jardine, Freetown; Oswald Newsum, Hampshire; Mr. Jenkins, Freetown.

#### Hog Exhibits

The showing of hogs particularly in the younger classes, was particularly good; in numbers a little better than other years, and equally as good in quality. The Progeny of Dam class were most interesting in opinion of the judge, J. W. Bos, Vernon, Emerick Holland and

#### Egg and Poultry Display

Better quality poultry in a heavier display, describes this year's poultry exhibits, and there was a fine showing of capons, ducks, and geese. Eggs, too, were somewhat of a better quality than the last year. Main exhibitors were Donald McDonald, Glenfinnan; Almon Boswell, Dunstaffnage; Walter Lawlor, Charlottetown, Ledwell Boswell, Dunstaffnage; and Tweedy Boswell, Vernon, Emerick Holland and

### Old Home Week Racing Entries For This Afternoon

Four classes once again combining horses that should make for even better racing than was the case yesterday are scheduled for the Old Home Week program beginning at 2 p.m. sharp this afternoon. The Four Year Old Futurity with six entries, all with an equal chance of winning; the 2.19 Trot and Pace with ten starters; the big Free For All Trot and Pace with five starters and the second division of the 2.22 Pace with six entries are the classes that will be raced. Favorites will be installed before race time but there is so little difference between them that all most anything is liable to happen.

Feature event of course is the Free For All. All five entries with the lowest mark among them being 2:07 will take the word and veteran race goers following the workout miles eagerly are of the strong opinion that a new pacing mark will be hung up. The speed is there to do it, all that is needed to make it almost a certainty is ideal weather conditions.

Nate Hanover, former champion double gaited horse goes away in fourth position; Happy L, on the rail and just recently a workout mile in 2:06 is ready; Chestnut Bars who paced this track last year in 2:06 is at top form; Hal B. Direct recent lowerer of the New Glasgow track pacing mark is right on the iron while Victor Lee, who although not having the reputation of the others has been making things interesting all season and may pull the prize upset of the meet.

How they will take the word:

### Volo Song Winner Of Hambletonian

By ORLO ROBERTSON  
Associated Press Sports Writer  
NEW YORK, Aug. 11—(AP)—Volo Song, his pounding hooves beating out sweet live on Empire City's dance-floor track, today gave Bill Strang, the Brooklyn warehouse owner, his second straight victory in the Hambletonian as 12,407 fans hung up a new betting record for trotting's blue ribbon show.

After bowing in the first heat to Worthy Boy, the speedy colt from Mrs. James B. Johnson's Rochester Mich. barn came roaring back in the second and third miles under guidance of 76-year-old Ben White to take down \$23,263.92, the winner's share of a purse that totaled \$42,298.03. And for ageless Ben, this fourth Hambletonian triumph—a mark that no other driver has been able to touch.

With second money of \$3,466.61 going to Worthy Boy, Joe Burke's Phonograph, who carried off third money amounting to \$6,075.76 as he wound up fourth in the first dash and second in the last two miles. And down in the blue grass of Kentucky, Volomite can take a bow for he sired the first three horses—another No. 1 for the class.

The crowd was considerably under those that saw the race when it was trotted at Goshen, its home since 1891, and the situation to Empire because of wartime transportation problems. But the fans sent the wagering soaring to \$363,440. The previous betting high for Hambletonian Day was \$138,000 at Goshen in 1941.

Volo Song, favorite of the crowd as he won the Hambletonian in 1942 two year old championship and going unbeaten in three pre-Hambletonian tests might have won the race in the first brush. He was at least 10 lengths out of it when the word "go" sent the 11 three-year-olds on their way.

He moved up fast on the back stretch, however, as W. N. Reynolds' leading horse, the straggler, Worthy Boy, bided his time in fourth place under the firm hand of Sep Palm. Heading into the stretch, Worthy Boy took the lead and won by a length as Aaron F. Williams Darnley of Corning, N.Y., a rank outsider, just managed to beat out the fast closing Volo Song for runner-up honors. Worthy Boy was clocked in track-record time of 2:02 1/2.

White took no chances in the second heat. After Phonograph had set the pace for a quarter mile he shot straight into the lead and there he stayed. He breezed past the halfmile post in 1:02, hit the three-quarter pole in 1:33 and won by two lengths in 2:02 1/2. Phonograph came up to finish second with third going to Worthy Boy.

There was little variation in the third heat, except that Volo Song took the lead at the start and never gave it up. He pulled away in the home drive and won in the slowest time of the race—2:06. Worthy Boy crossed the line in second place but was disqualified for breaking stride, thus again giving Phonograph second.

Benjamin Arsenault was judging the eggs, and poultry, Mr. F. G. Ward and Frederick Driscoll.
